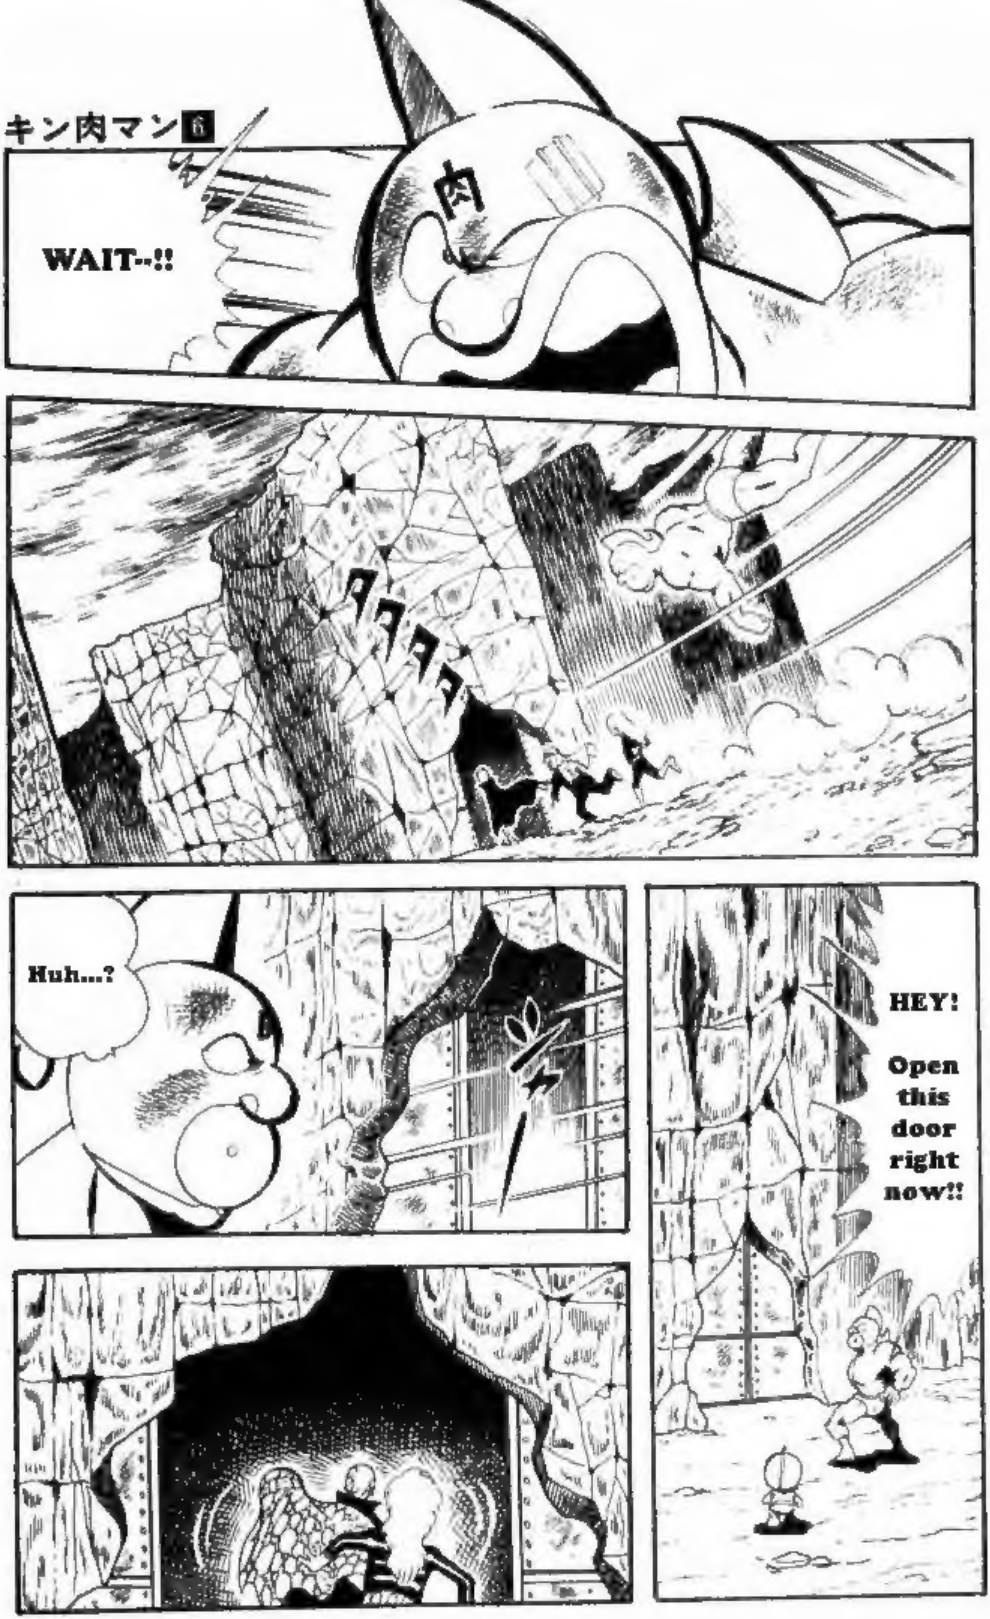
Chapter 68:

Don of the American Choujin World

Scanlation by: Team Kinniku



WAIT--!!
肉
Huh...?
HEY!
Open this door right now!!

The Choujin Council!
You won't be keeping that belt any longer.

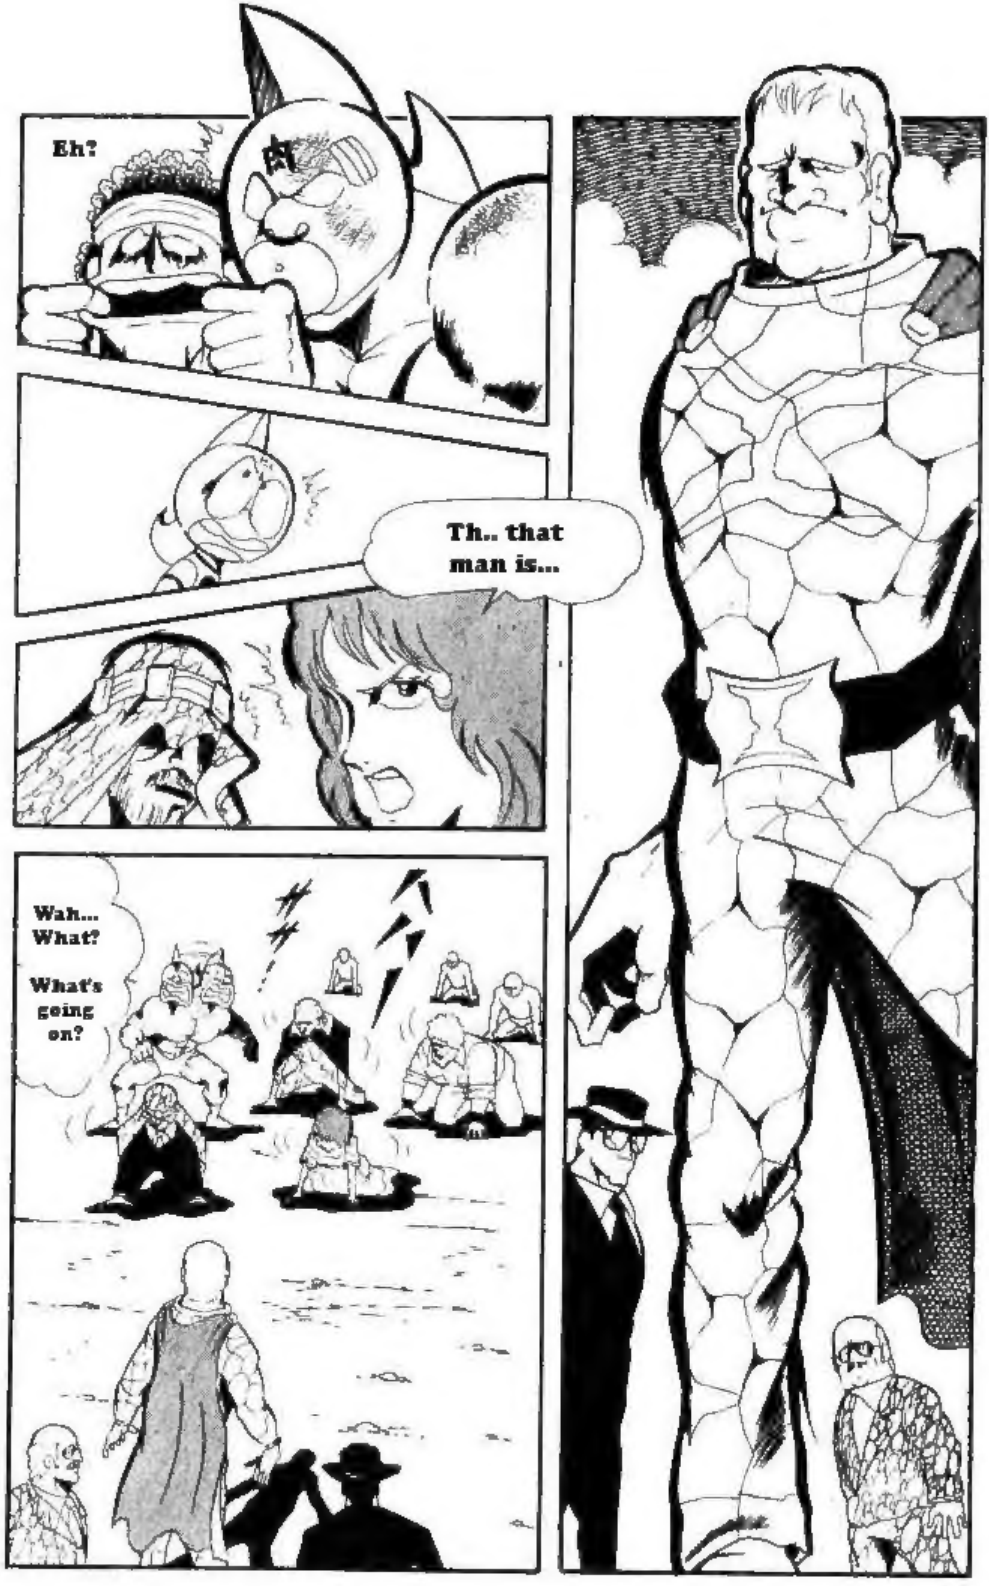
What an eleborate plan.
The plane crash was staged so you could steal the belt.

I'm not letting you get away!
You aren't going anywhere.
Run, Skull!!
You'll pay for ripping my face!!

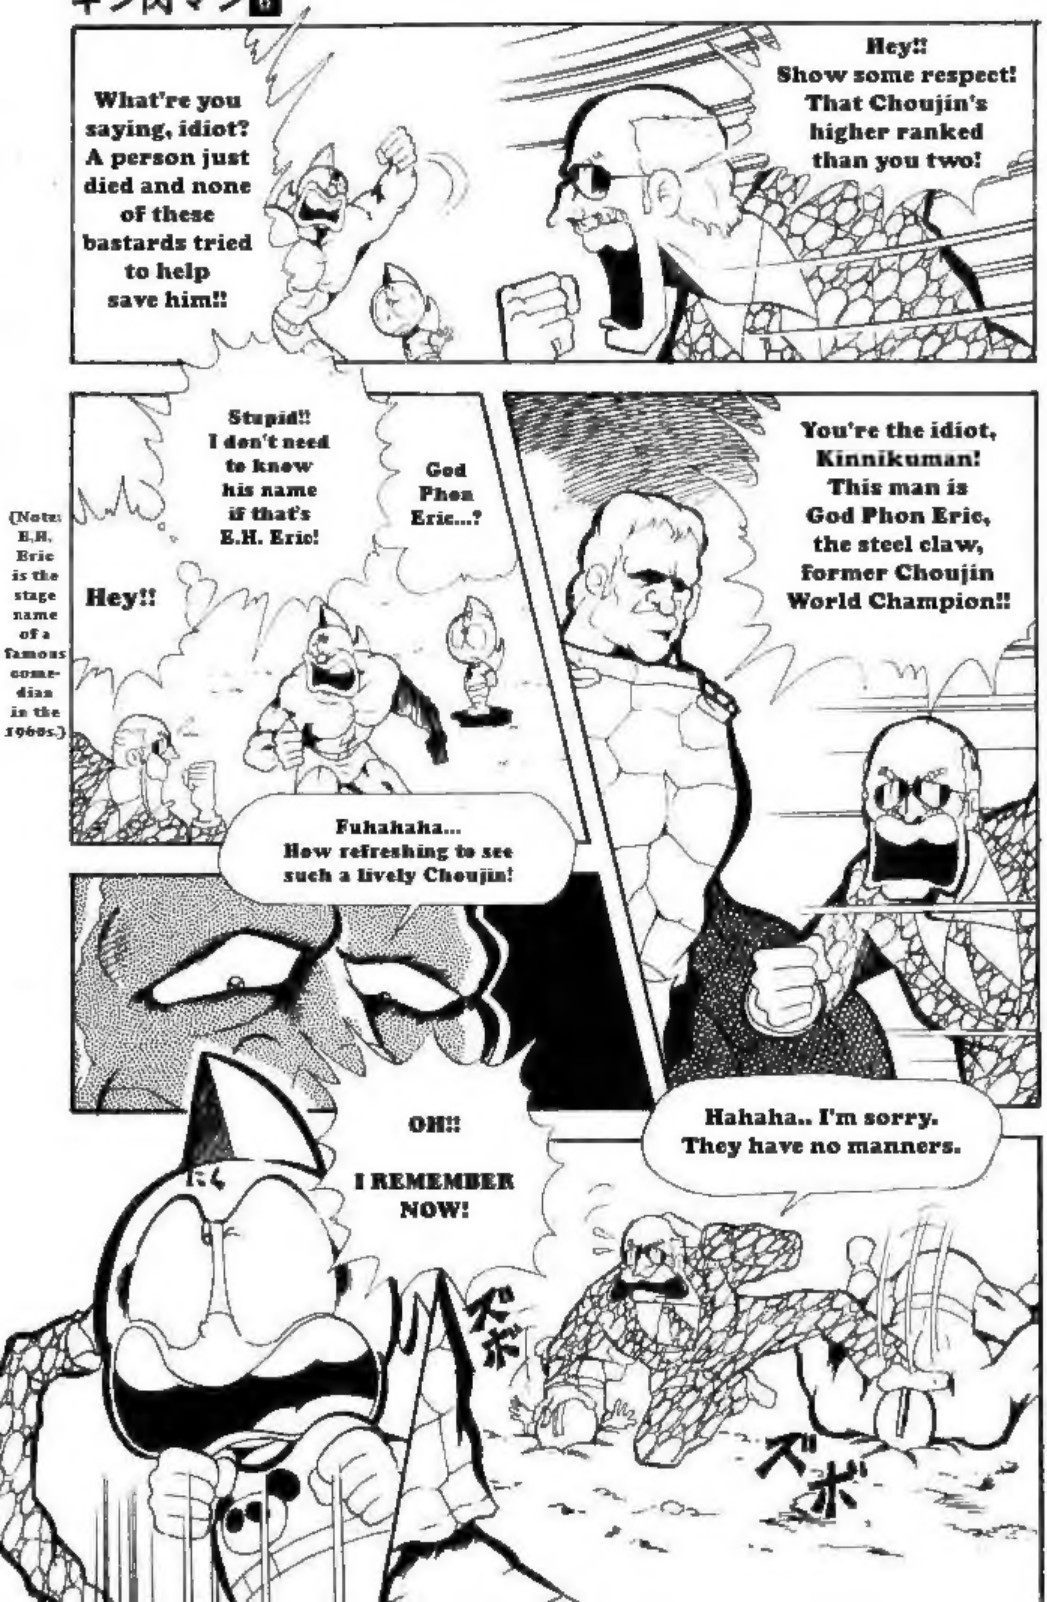
Rhodes....!!
Everyone, stop this immediatly!!
Hey, Skull's in danger!!

THAT'S ENOUGH!!
Hey! That was rude!!

Eh?
Prince, what're you just standing around for!?
Hehehehehe!
Oh, brother..
Oh! Of course!
Where's Sheik and Skull!?



Eh?
Th.. that man is...
Wah... What?
What's going on?



What're you saying, idiot? A person just died and none of these bastards tried to help save him!!
Hey!! Show some respect! That Choujin's higher ranked than you two!
Stupid!! I don't need to know his name if that's E.H. Eric!
God Phon Eric...?
Hey!!
(Note: E.H. Eric is the stage name of a famous comedian in the 1960s.)
You're the idiot, Kinnikuman! This man is God Phon Eric, the steel claw, former Choujin World Champion!!
Fuhahaha... How refreshing to see such a lively Choujin!
Hahaha.. I'm sorry. They have no manners.
OH!! I REMEMBER NOW!
ズボ
ズボ

Long ago, there wasn't three organizations like today, there was only the WSA!!
He's also the master of Doro Phreas, Sheik Alien, and Edith Harrison, and is currently retired from the active service, assisting in development counseling.
God Phon Eric is actually the creator of the American Choujin World and controlled it for about 150 years!!
What reason?
F-For what reason have you come, God?
ACK!!

Blockhead students like all of you are the reason I can't have a quiet retirement!!
There it is!! The Iron Claw Throw!!
AHH!!
Why are you holding death matches of the Choujin who cooperate for the sake of the peace of humanity!?
We're doing this so we can unify the three groups!
Idiot, I didn't ask you to answer!
When I was young, we settled all raised quarrels in the ring.
I-in the ring? What are you planning?

We'll have a tag championship!
You'll compete in a win-or-lose Round Robin Ring match where two Choujin will represent each organization.
The winning organization will gain control of all the territory in American and the losing organization must become affiliated with them.
Choujin Council
Choujin Federation
Choujin Association
So, how's that? We'll conclude this legally.
Eh!? A tag championship!?? You can't be serious!
Yes, I'm quite serious.
My Choujin Association doesn't have any other Choujin besides Kinnikuman...
Hmm.. A tag championship would be fun but...

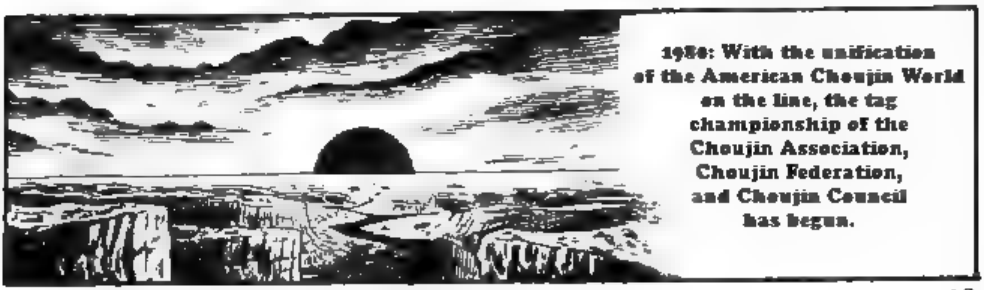
He's butting in again....!!
This should be fun Eric-san!
Tag is different from singles and it's important to have a double combination. Meaning, the winning organization will prove themselves as the group that has the best team skills of their participating players!
Right!
I, too, approve of Kinnikuman's views! These matches will determine the future of the America Choujin World!
I agree!

(Note: Iwao uses the term "kashikaze," which is translated as "tag rod" or a "bottom" or "spoiled member.

But aren't you Kaijuu?
Although we're Kaiiju, we're spoiled Choujin too! We'll win the tag championship and gain America for the Kaijuu citizens!
We aren't apart of any group so we'll participate from the free position.
Hold it!

Our numbers increase one and the readers will be delighted.
That's fine.

The Tag Championship will be witnessed by reporter Clark Kenta of the Daily Placard.

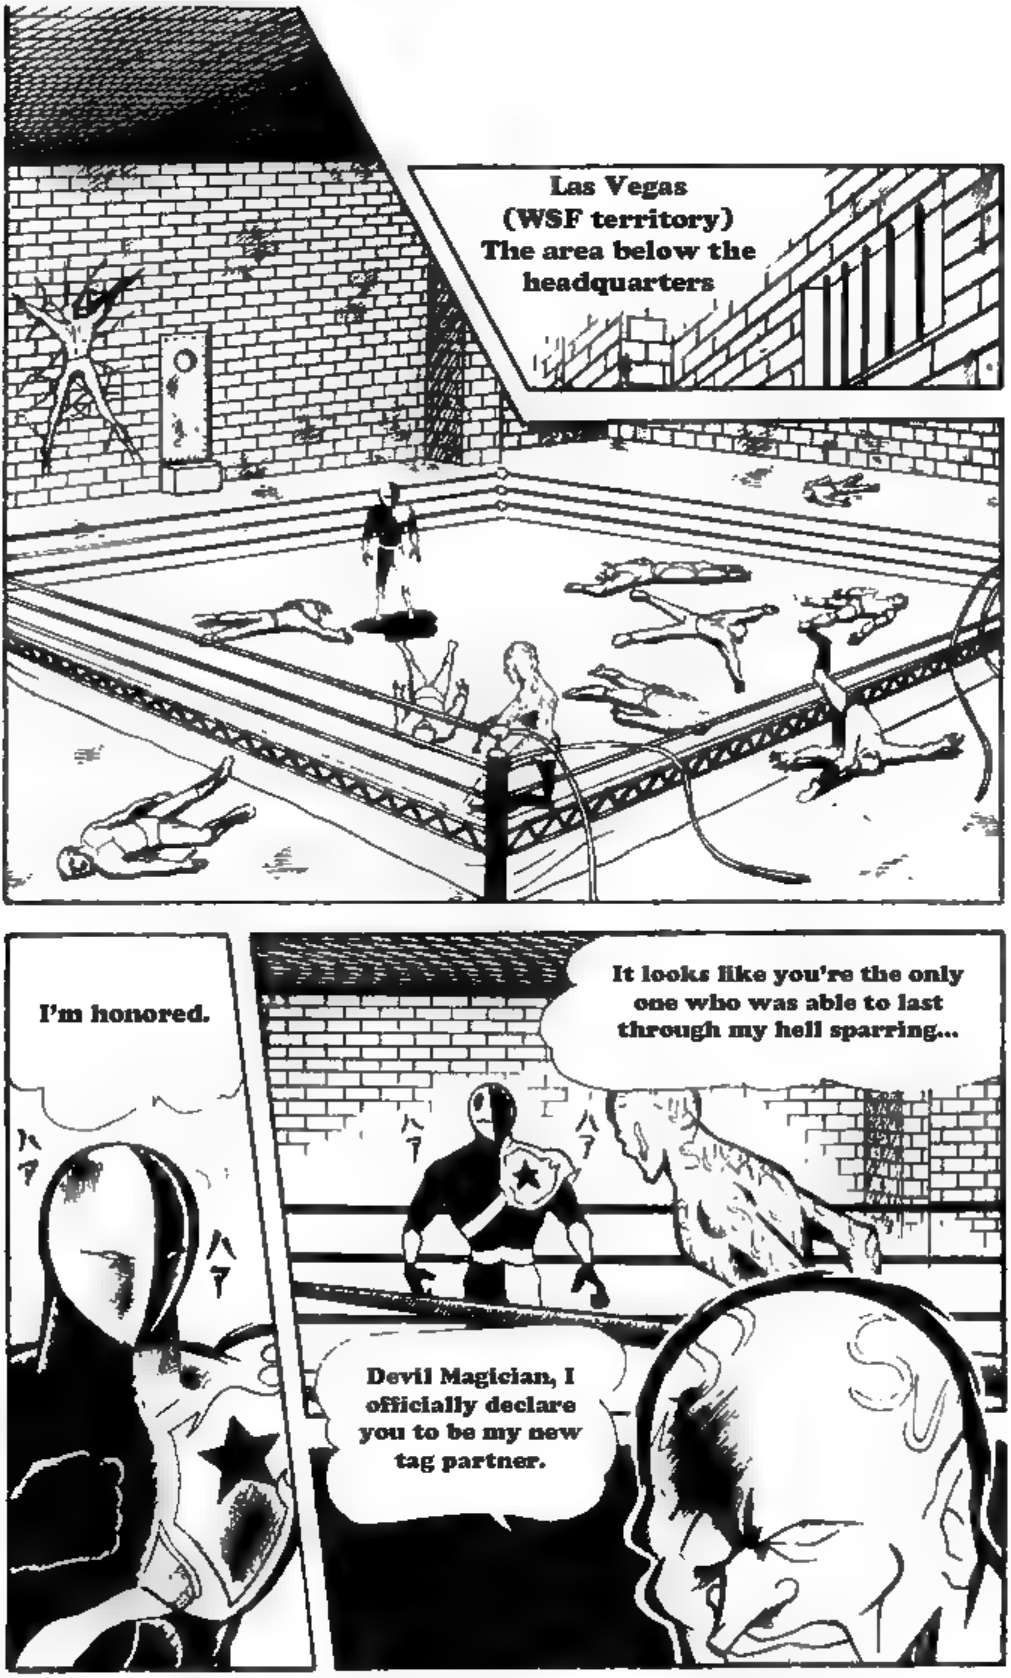


1986: With the unification of the American Choujin World on the line, the tag championship of the Choujin Association, Choujin Federation, and Choujin Council has begun.

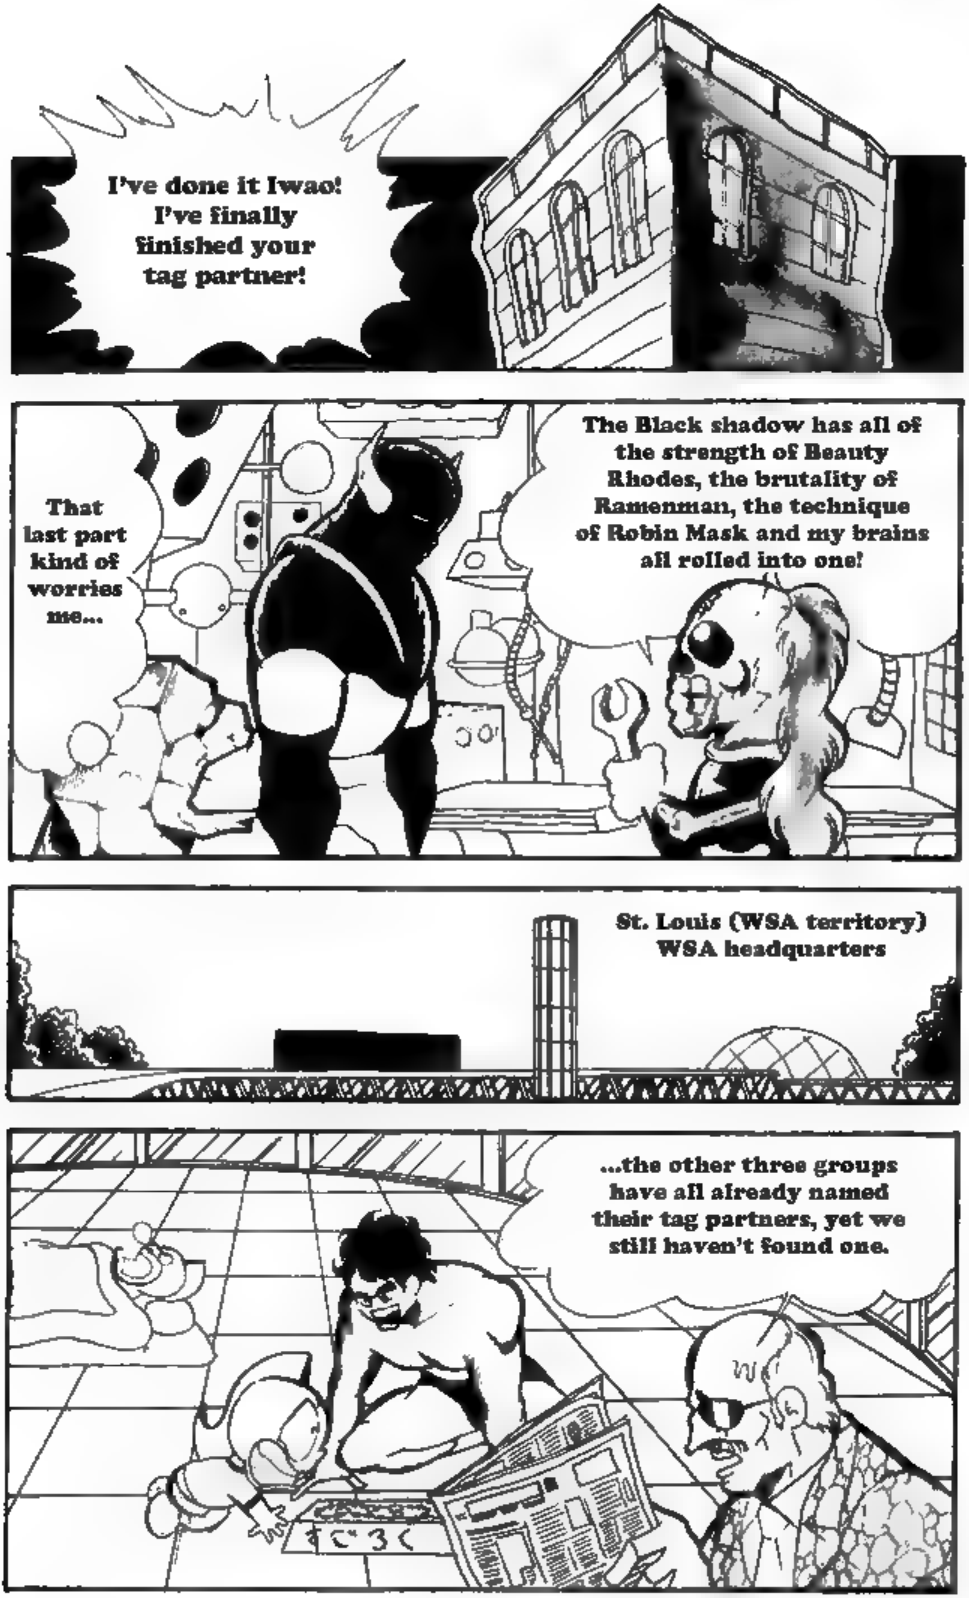
The Search for a Partner!

Hey! Am I the only one here without a partner??
Iwao + Black Shadow (freelance Kaijuu reps) Black Shadow was sent in by Takeshi Eda of Ibaragi.
Devil Magician + Skull Bozu (WSF reps) Devil Magician was sent in by a reader of Kagawa.
John Steamboat + Beauty Rhodes (WSC reps) Steamboat was sent in by Naoki Hirata of Nagasaki
A Team Kinniku Scanlation

Viva New York!
OH-----!
New York (WSC territory) John F. Kennedy Airport
Thank you very much, sir.
No, thank you, pretty girl.
Rhodes, that's your tag-team partner, John Steamboat.
RHODES
John Steamboat...

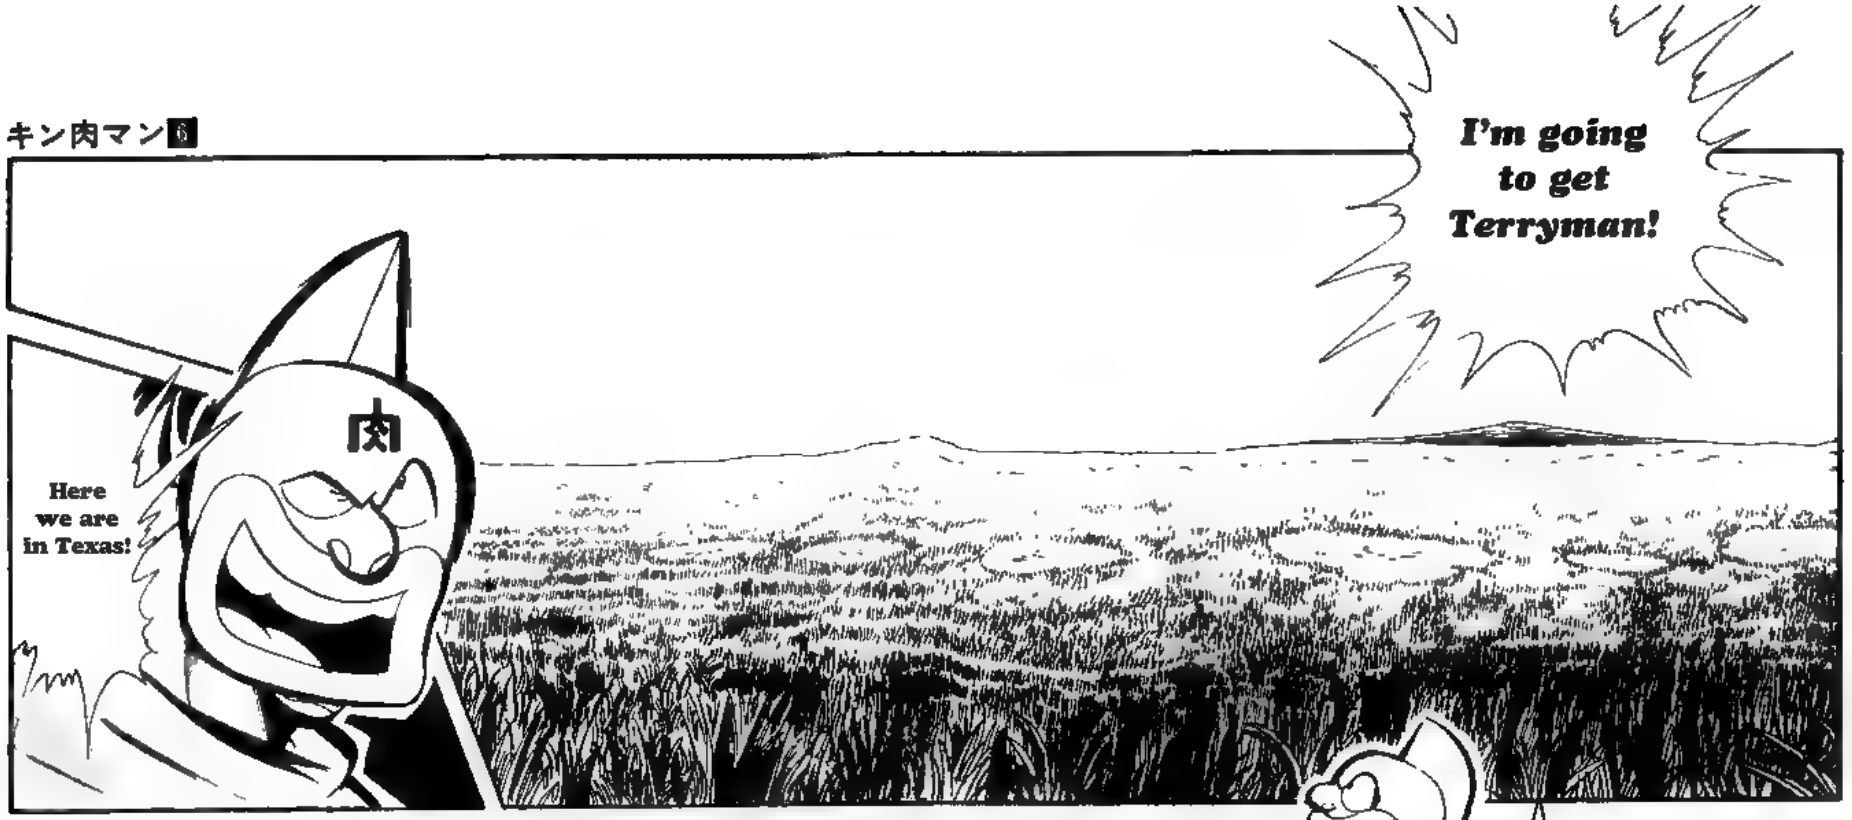


Las Vegas
(WSF territory)
The area below the headquarters
I'm honored.
It looks like you're the only one who was able to last through my hell sparring...
Devil Magician, I officially declare you to be my new tag partner.

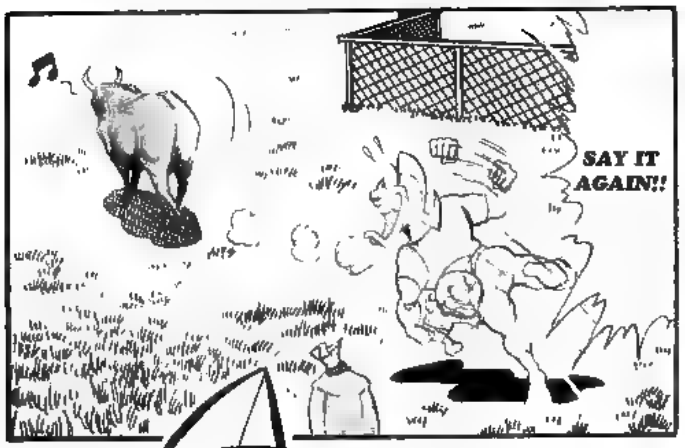


I've done it Iwao! I've finally finished your tag partner!
That last part kind of worries me...
The Black shadow has all of the strength of Beauty Rhodes, the brutality of Ramenman, the technique of Robin Mask and my brains all rolled into one!
St. Louis (WSA territory) WSA headquarters
...the other three groups have all already named their tag partners, yet we still haven't found one.

All I see is an old guy's old body.
I'll have to make my comeback!
If we can't find him a partner in 4 days...
肉
Don't worry, I already know the perfect partner!
Oh, now I know who it is!
Ama-rillo, Texas!
Well, I'm headed out to go get him.
What!?
Where?

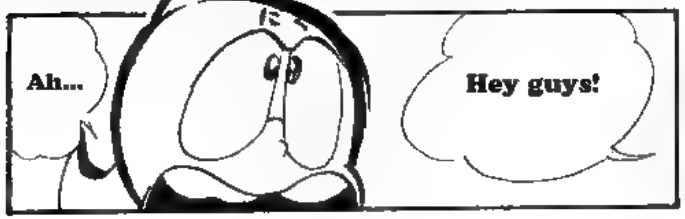


I'm going to get Terryman!
Here we are in Texas!



SAY IT AGAIN!!

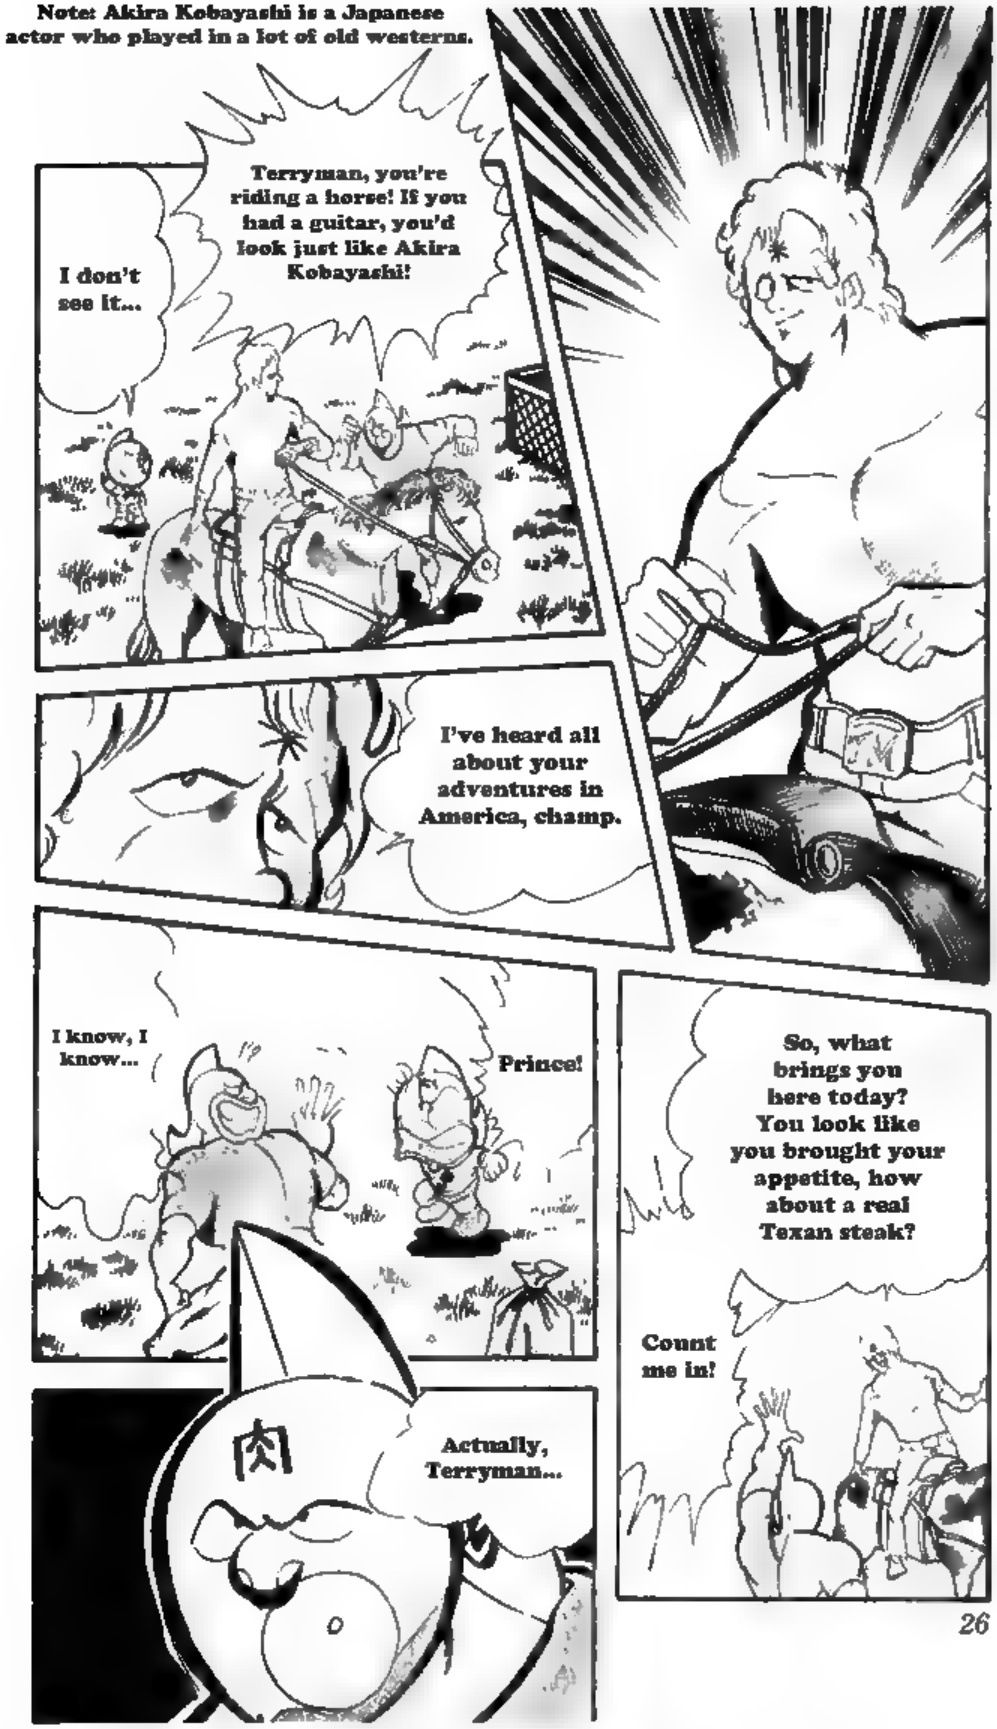
One who's smarter than you, stupid.



Ah...
Hey guys!

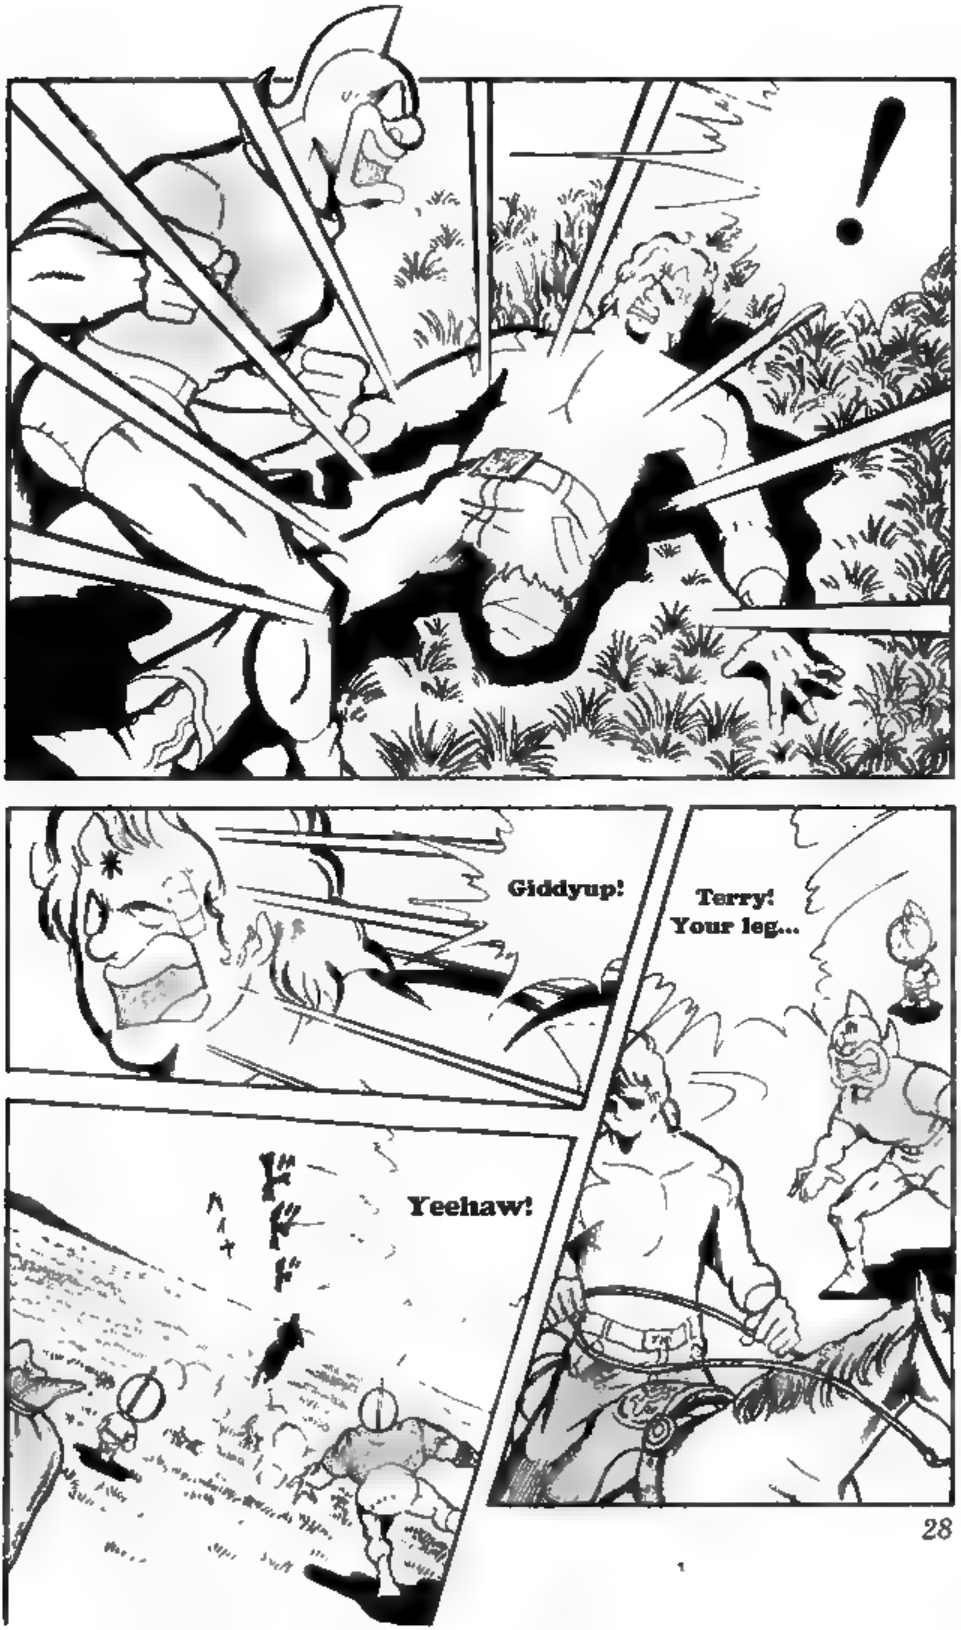
What are you doing?
Look at all this empty space...

Hey! Why is this cow trying to challenge a Chojin!?
OW!
ズ!

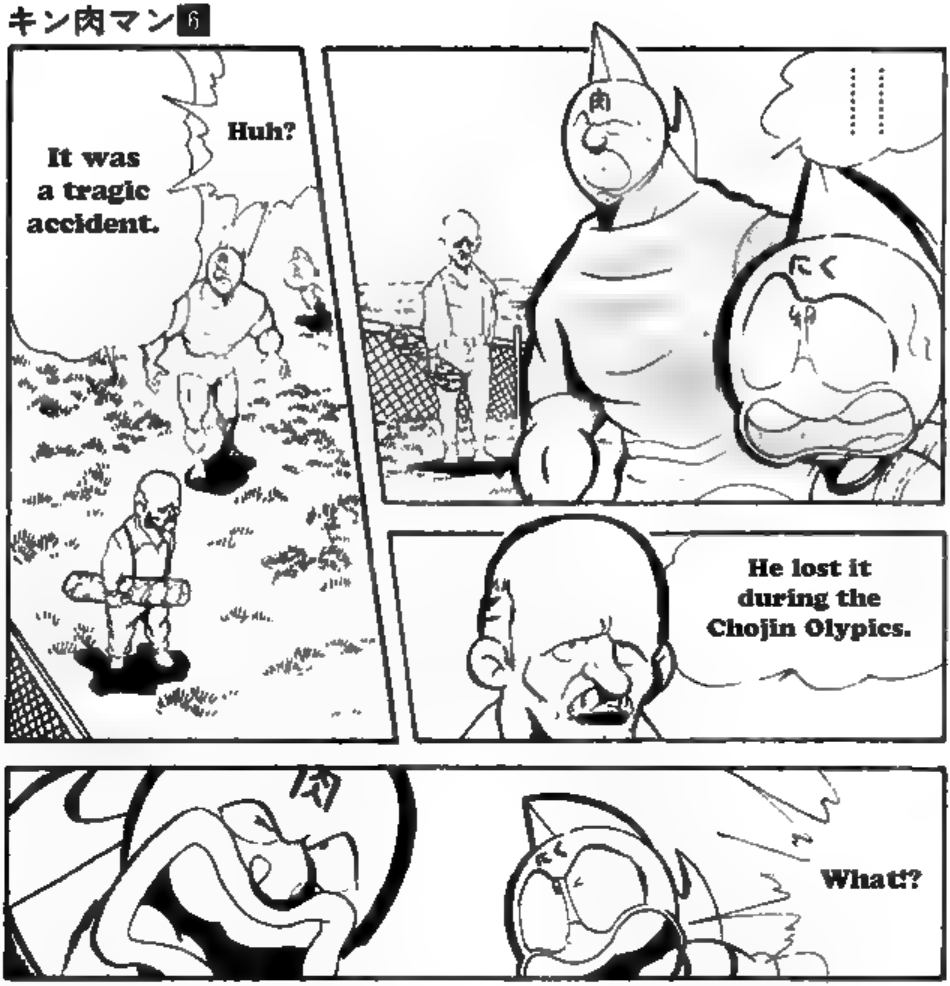


Note: Akira Kobayashi is a Japanese actor who played in a lot of old westerns.
Terryman, you're riding a horse! If you had a guitar, you'd look just like Akira Kobayashi!
I don't see it...
I've heard all about your adventures in America, champ.
I know, I know...
Prince!
So, what brings you here today? You look like you brought your appetite, how about a real Texan steak?
Count me in!
Actually, Terryman...

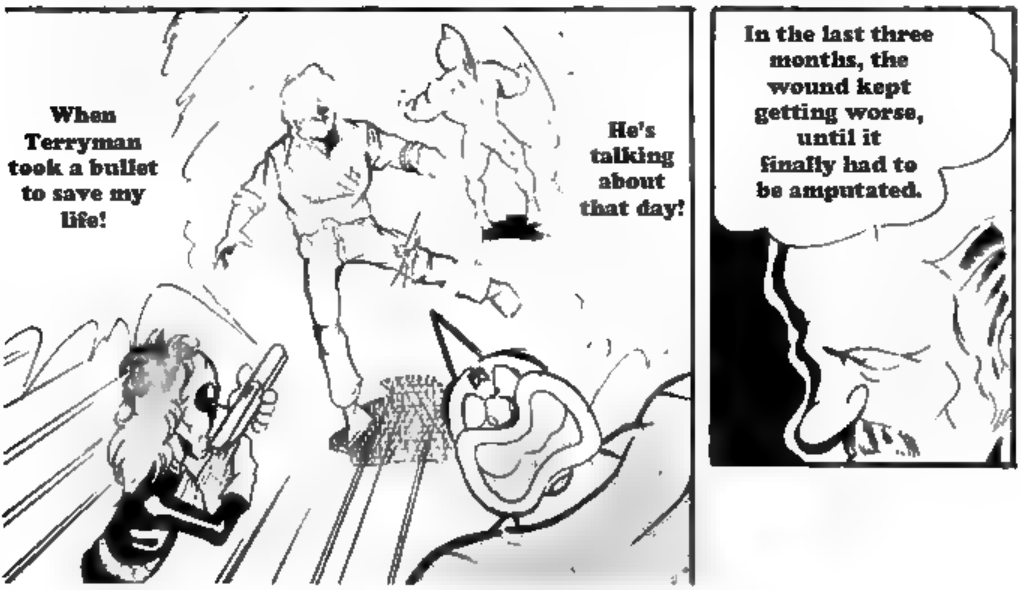
I've got too much work here at the ranch, I don't have time to play!
No, I can't do it.
What!?
Don't you remember!?
You call a tag-team championship "playing"!?
Open your eyes!
ズン
Don't you remember a true chojin's spirit!?



!
Giddyup!
Terry! Your leg...
Yeehaw!

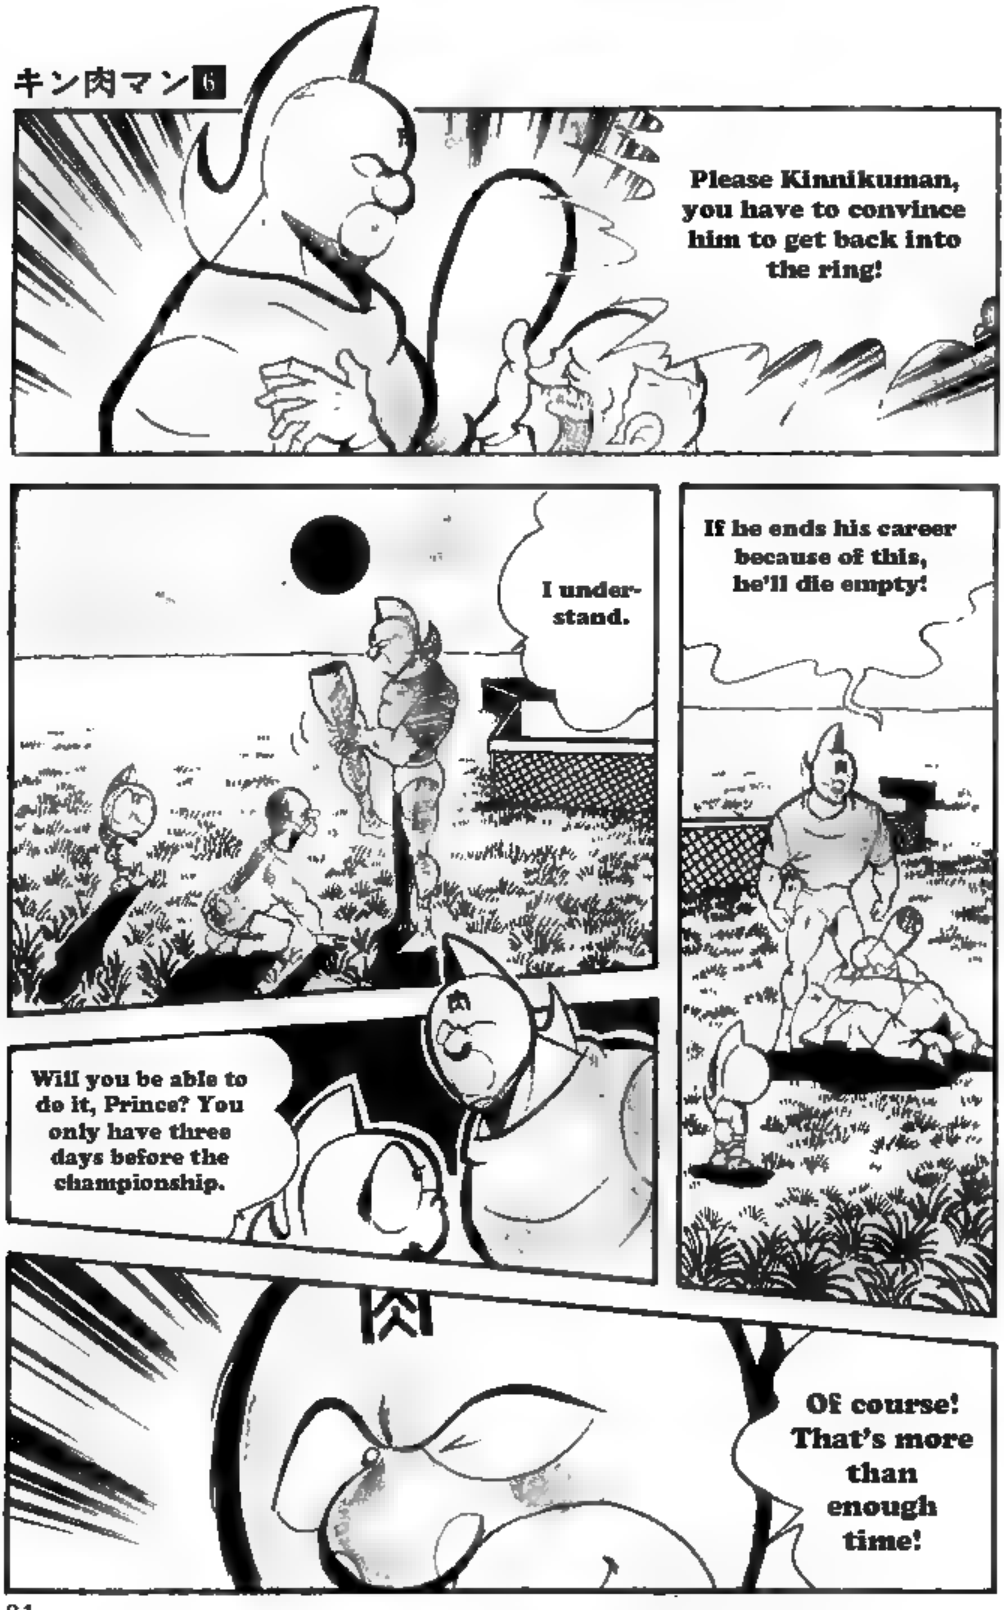


Huh?
It was a tragic accident.
He lost it during the Chojin Olypics.
What!?



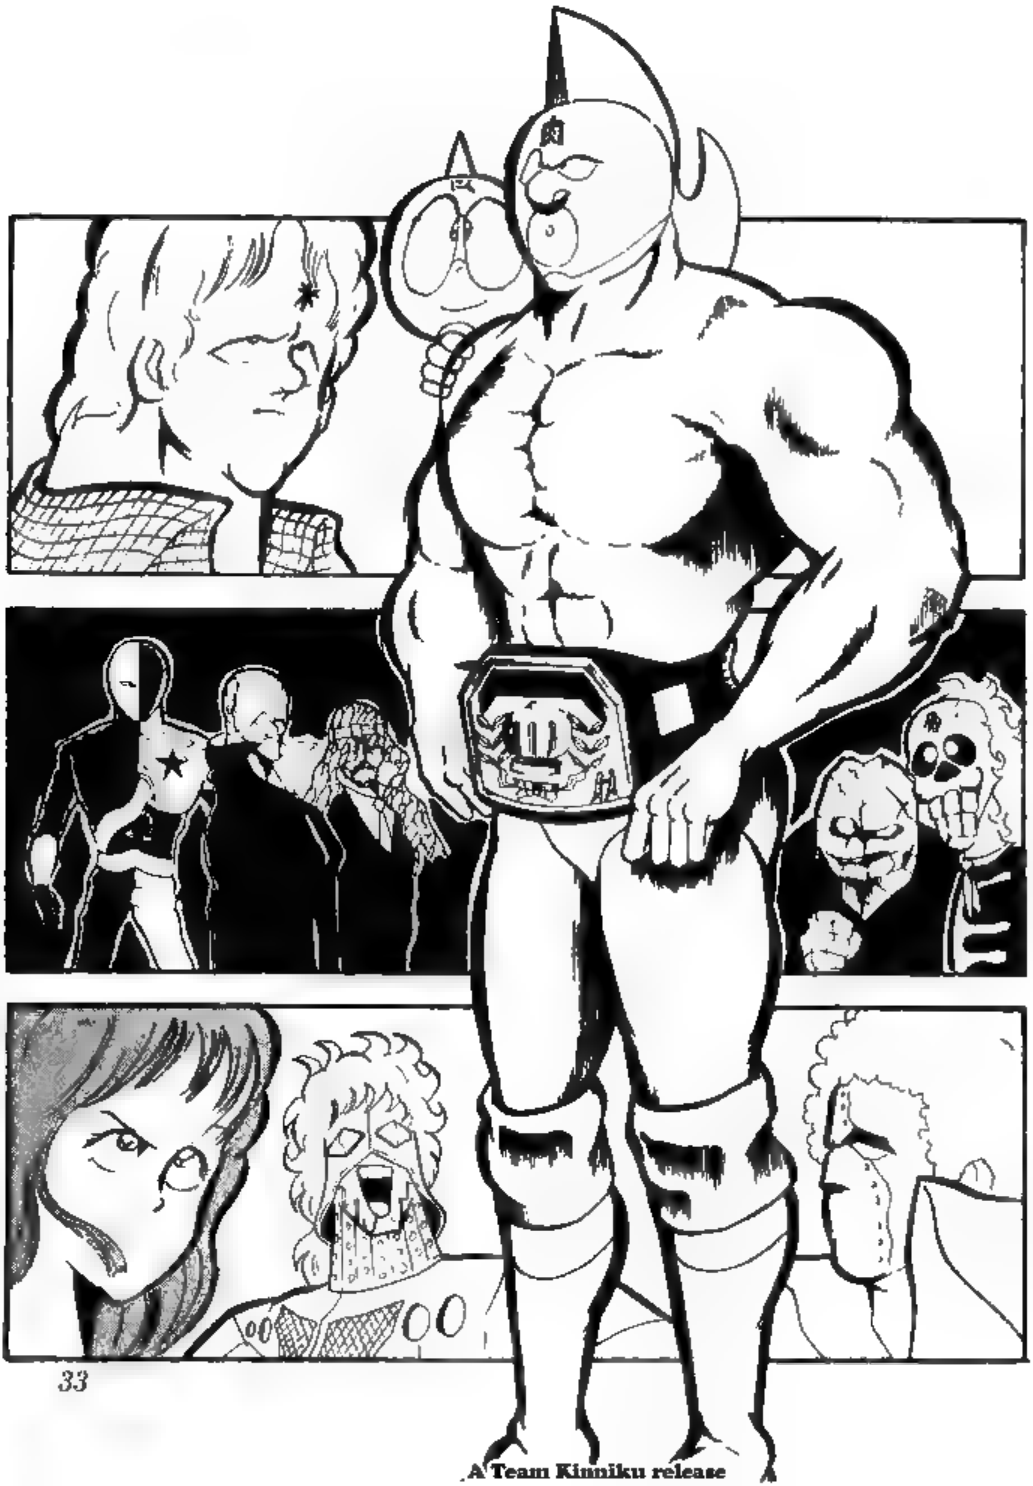
When Terryman took a bullet to save my life!
He's talking about that day!
In the last three months, the wound kept getting worse, until it finally had to be amputated.

Although it's not stopping him from helping you...
So all of this is because of his leg...
WAAH!
Thanks to this.
With this, he'd be able to move around freely, just like he did before his accident.
Don't worry, it's prosthetic.
You cut off someone's leg!?
Maybe he'll never return to the ring afterall...
However, no matter how many times I ask him, he refuses to use it.

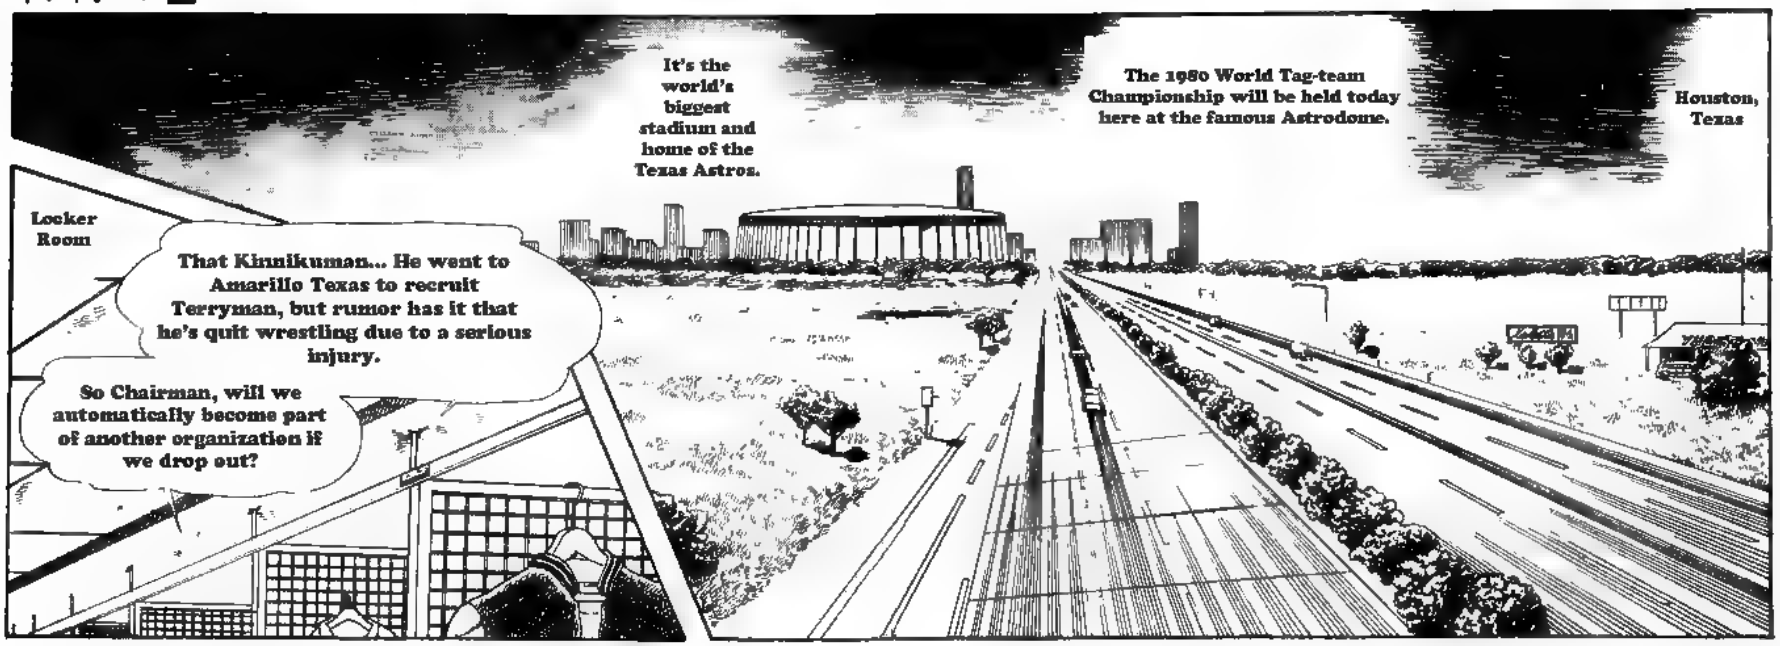


Please Kinnikuman, you have to convince him to get back into the ring!
I understand.
If he ends his career because of this, he'll die empty!
Will you be able to do it, Prince? You only have three days before the championship.
Of course! That's more than enough time!

The Opening Ceremony



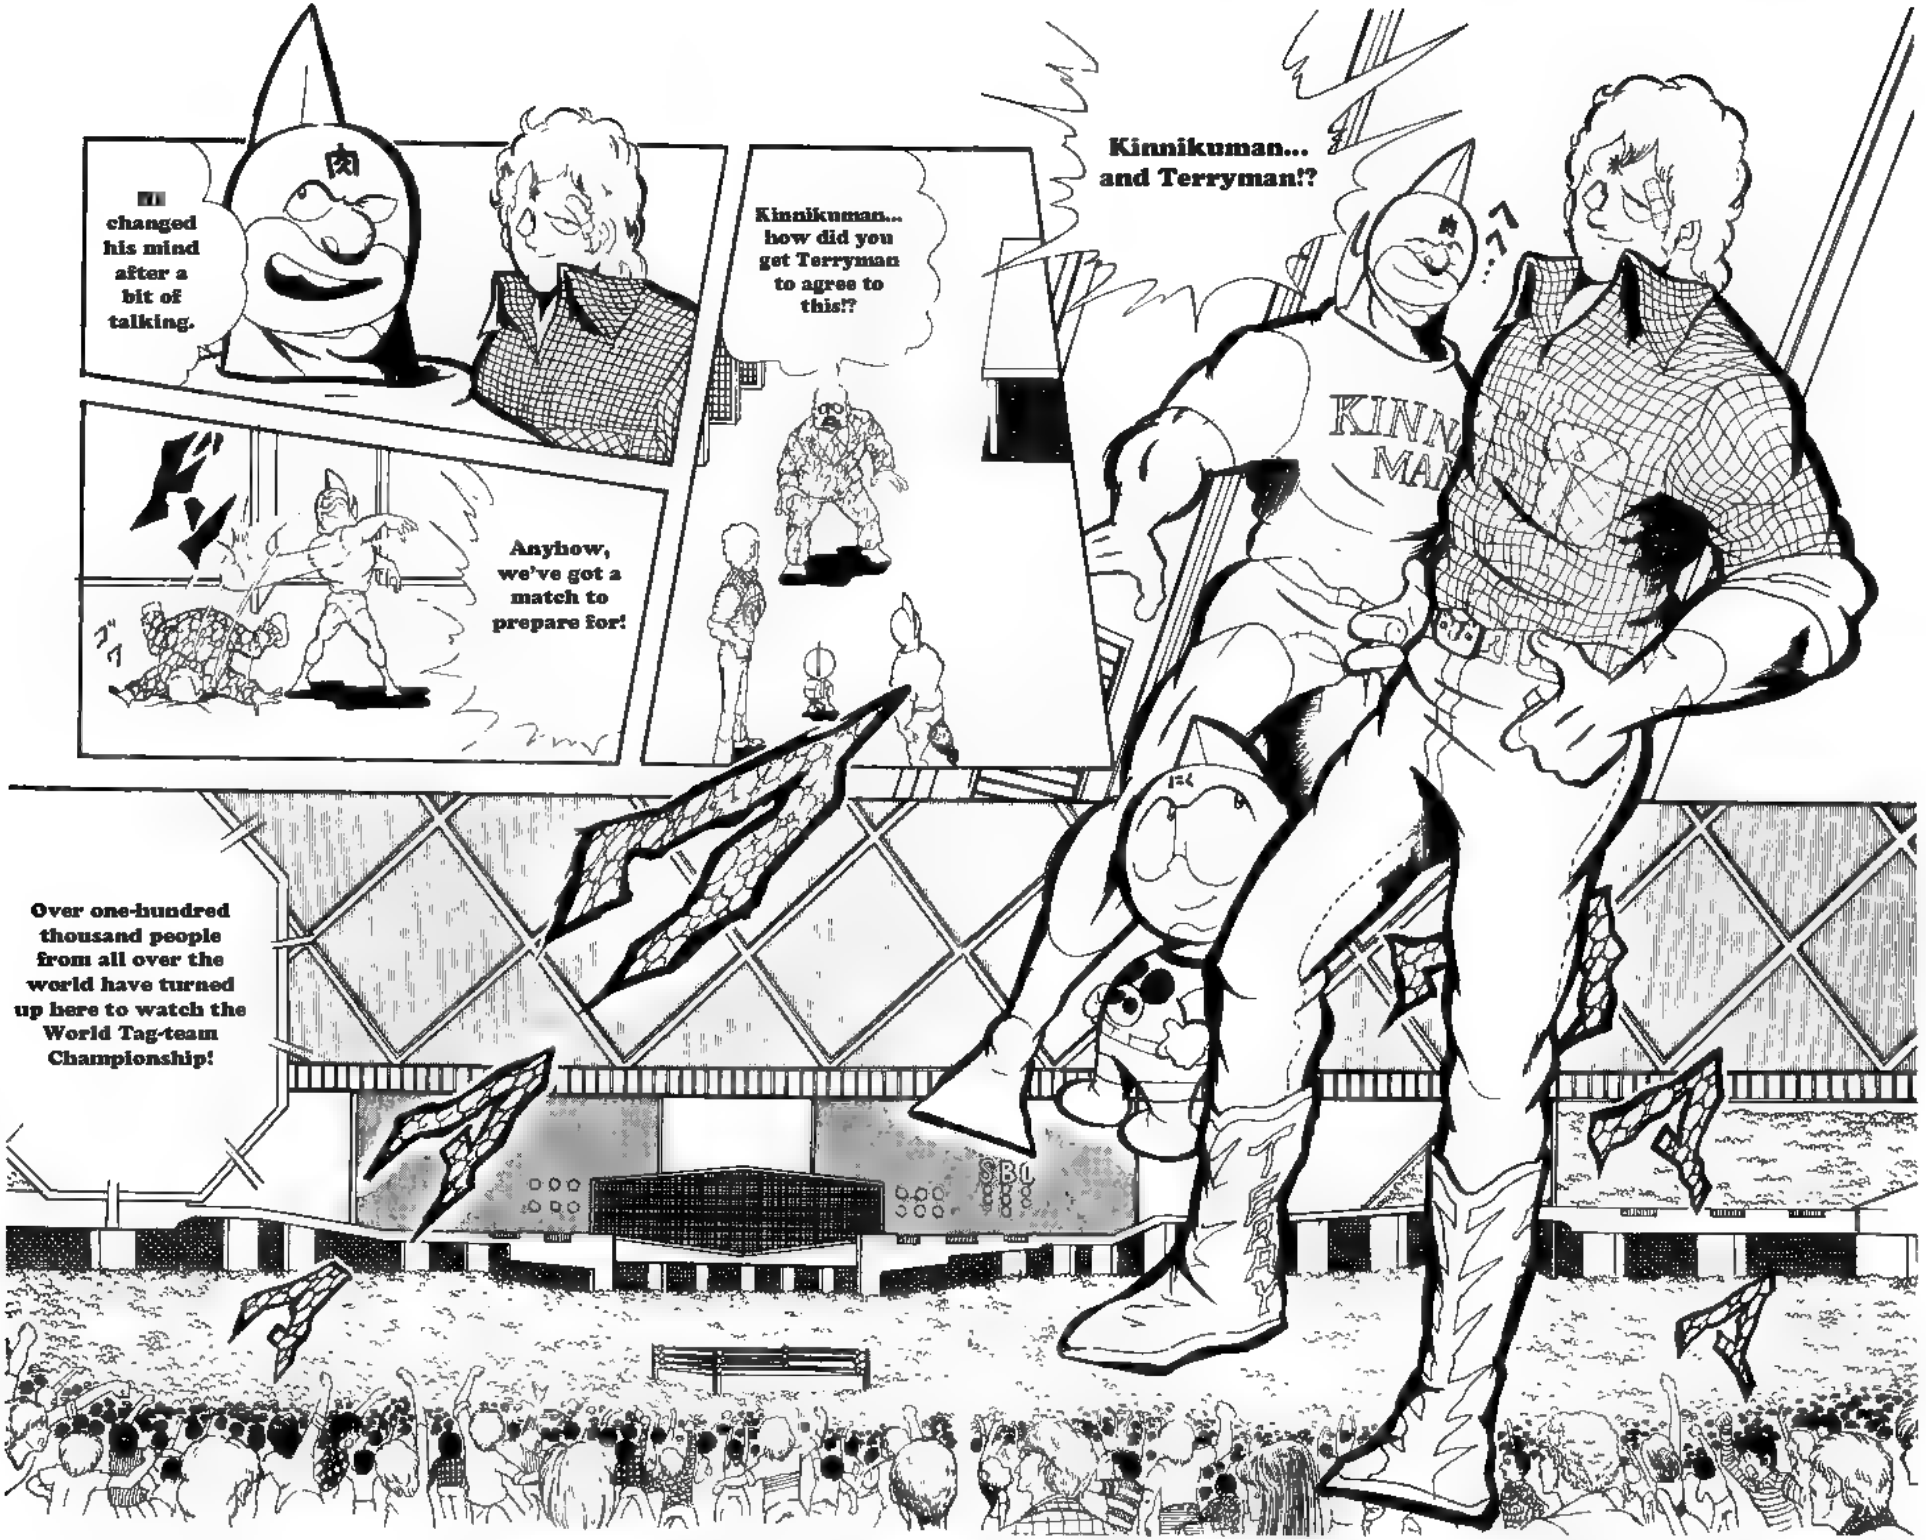
A Team Kinniku release



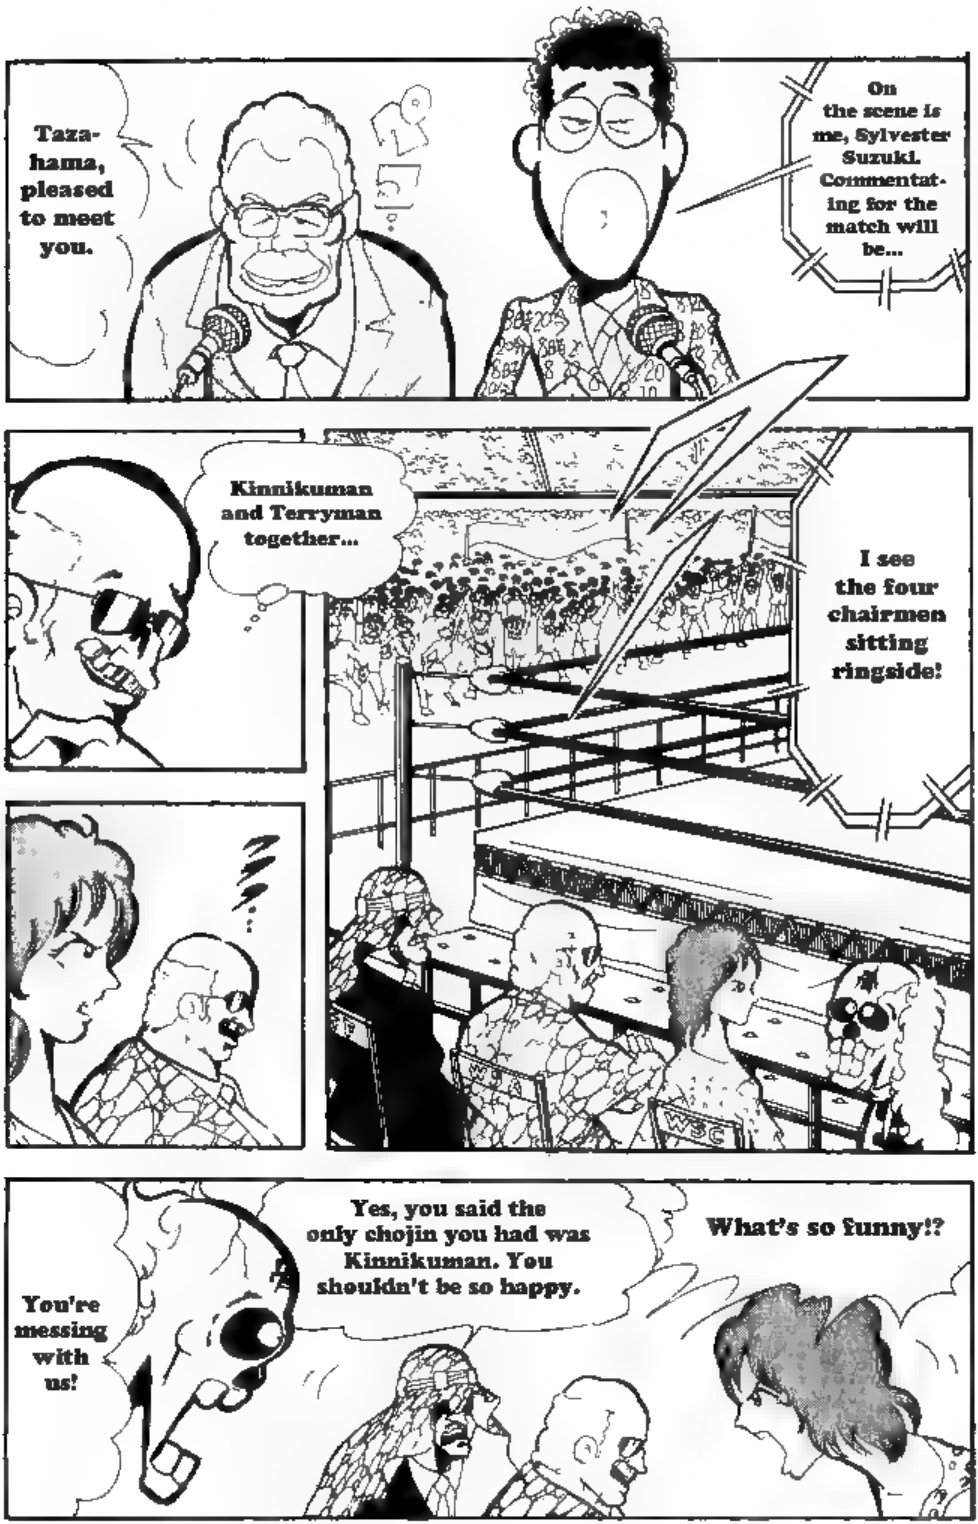
It's the world's biggest stadium and home of the Texas Astros.
The 1980 World Tag-team Championship will be held today here at the famous Astrodome.
Houston, Texas
Locker Room
That Kinnikuman... He went to Amarillo Texas to recruit Terryman, but rumor has it that he's quit wrestling due to a serious injury.
So Chairman, will we automatically become part of another organization if we drop out?

That won't be needed, chairman.
Huh?
Stay alert, Chabo!

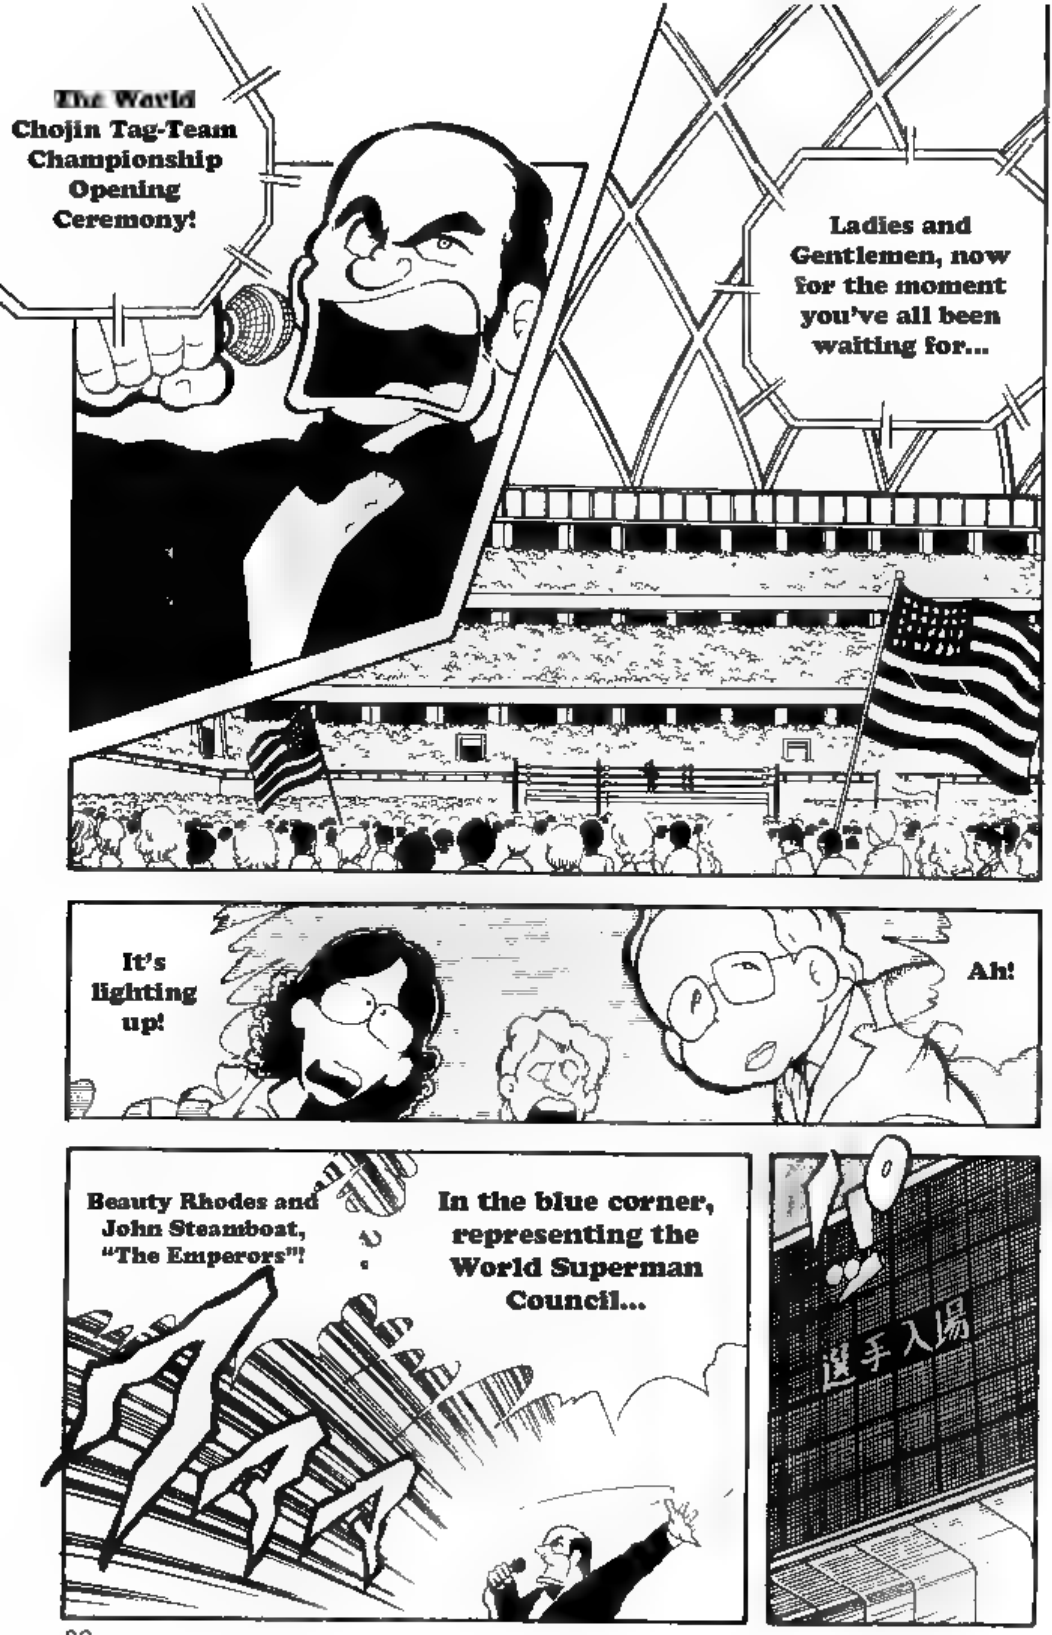
This isn't Sugoroku, it's "The Game of Life: Highs and Lows"!
人生ゲーム
Is that all you can think of when we're trying to play Sugoroku!?
I don't wanna...
Even if you and I have to enter together!
Fine, Chabo. We'll do everything within our power to avoid dropping out.



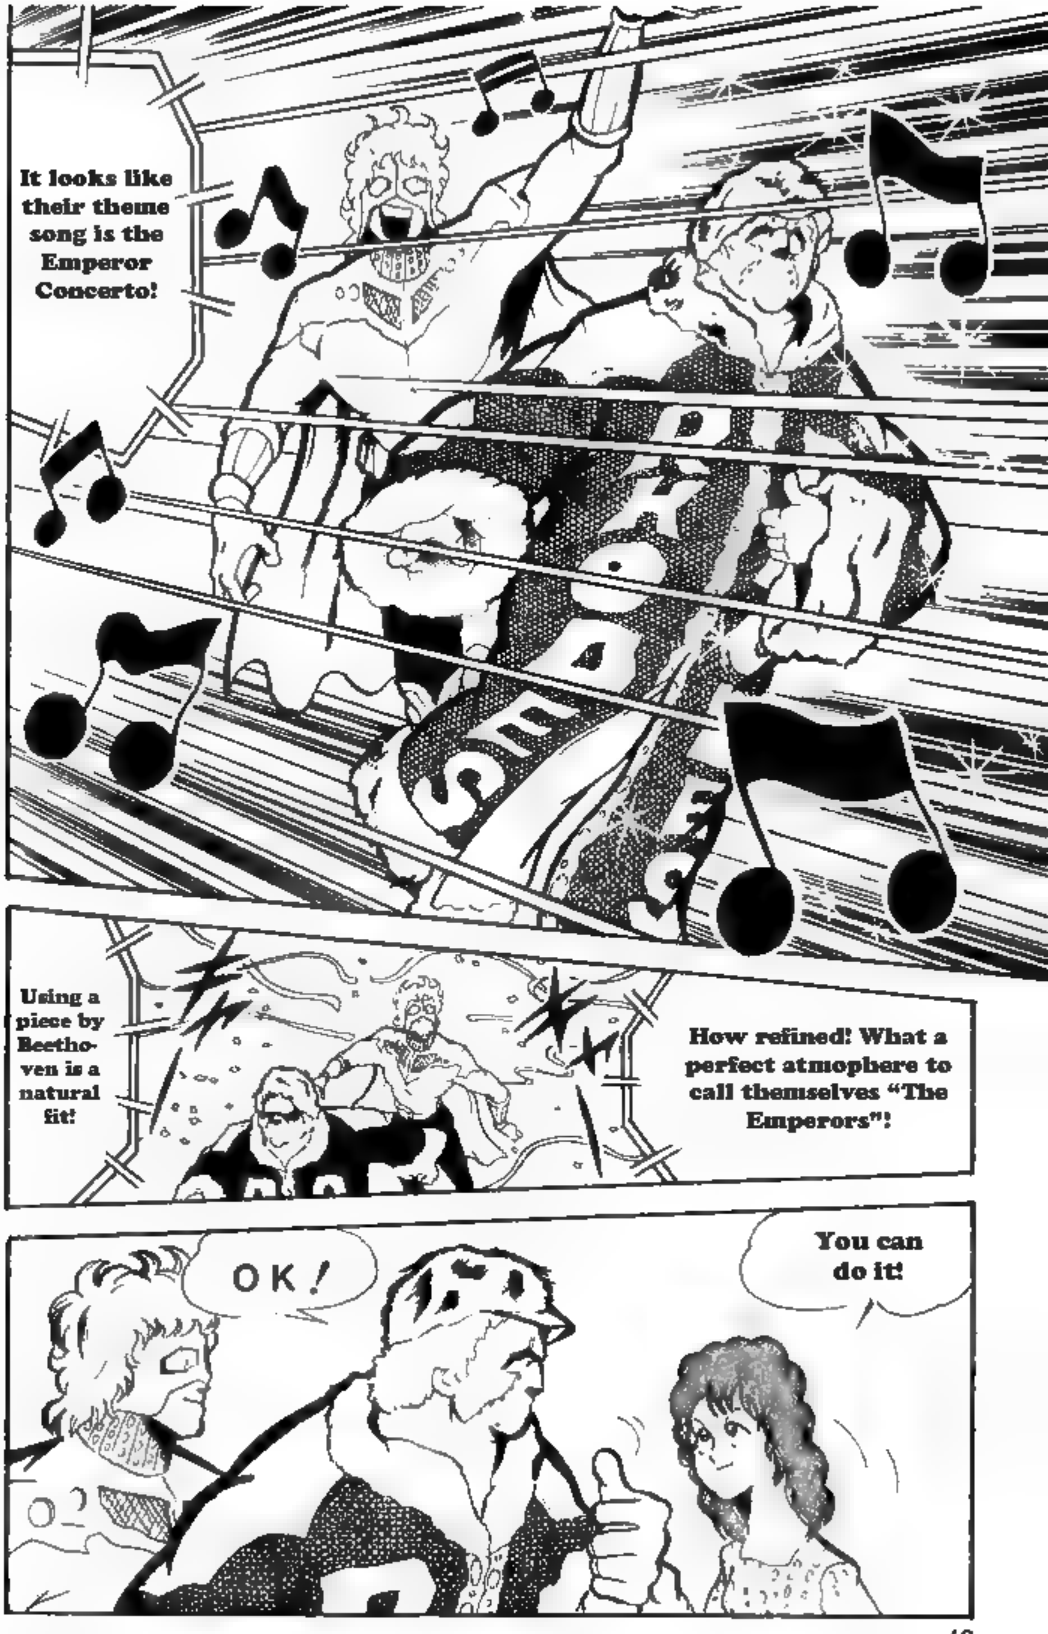
[redacted] changed his mind after a bit of talking.
Kinnikuman... how did you get Terryman to agree to this!?
Anyhow, we've got a match to prepare for!
Kinnikuman... and Terryman!?
Over one-hundred thousand people from all over the world have turned up here to watch the World Tag-team Championship!



Taza-hama, pleased to meet you.
On the scene is me, Sylvester Suzuki. Commentating for the match will be...
Kinnikuman and Terryman together...
I see the four chairmen sitting ringside!
You're messing with us!
Yes, you said the only chojin you had was Kinnikuman. You shouldn't be so happy.
What's so funny!?



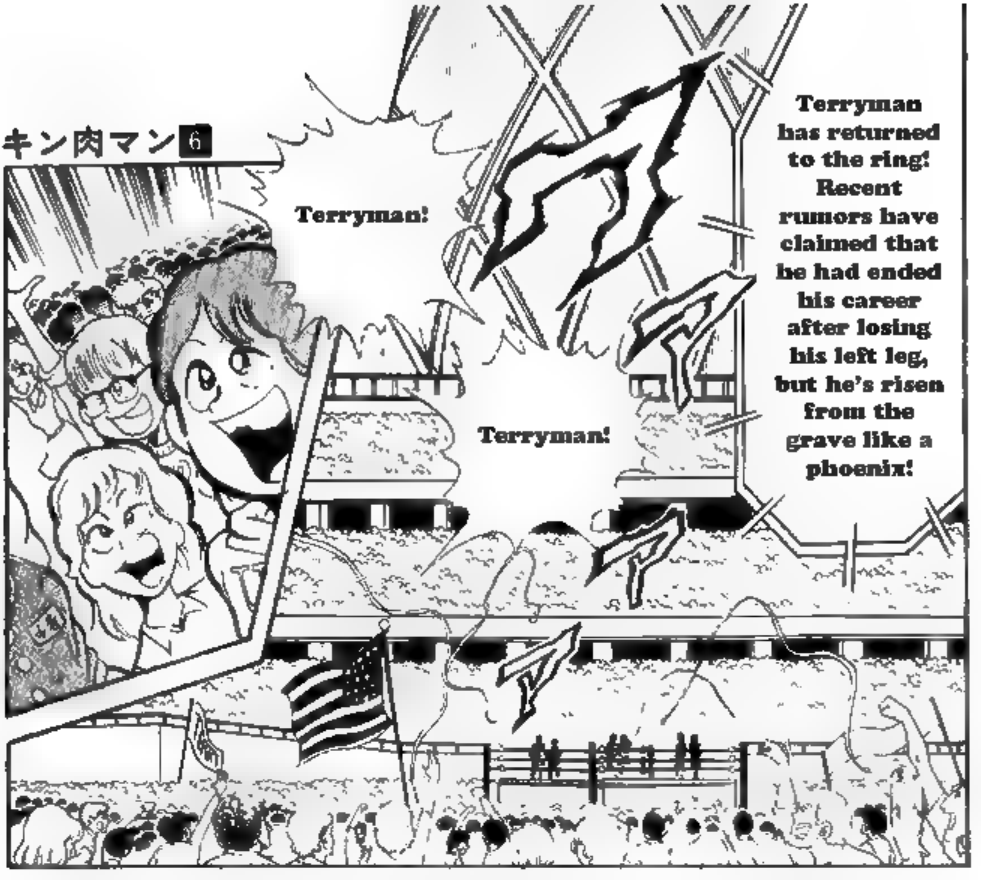
The World Chojin Tag-Team Championship Opening Ceremony!
Ladies and Gentlemen, now for the moment you've all been waiting for...
It's lighting up!
Ah!
Beauty Rhodes and John Steamboat, "The Emperors"!
In the blue corner, representing the World Superman Council...
WAAA
選手入場



It looks like their theme song is the Emperor Concerto!
Using a piece by Beetho-ven is a natural fit!
How refined! What a perfect atmosphere to call themselves "The Emperors"!
OK!
You can do it!

Cloaked in black robes, they're definatly going for "evil incarnate" with their theme song, Mussorgsky's "Night on Bald Mountain"!
Next up, representing the World Supermen Federation, Skull Boze and Devil Magician, "The Most Violent Combo in the Universe"!
Yes, sir.
Kill.
Finally, from the World Supermen Association...
Now for the kaijuu reps, Iwao and Black Shadow, "The Rugged Brothers"!
I won't let you down, master!
Go for it, Iwao!

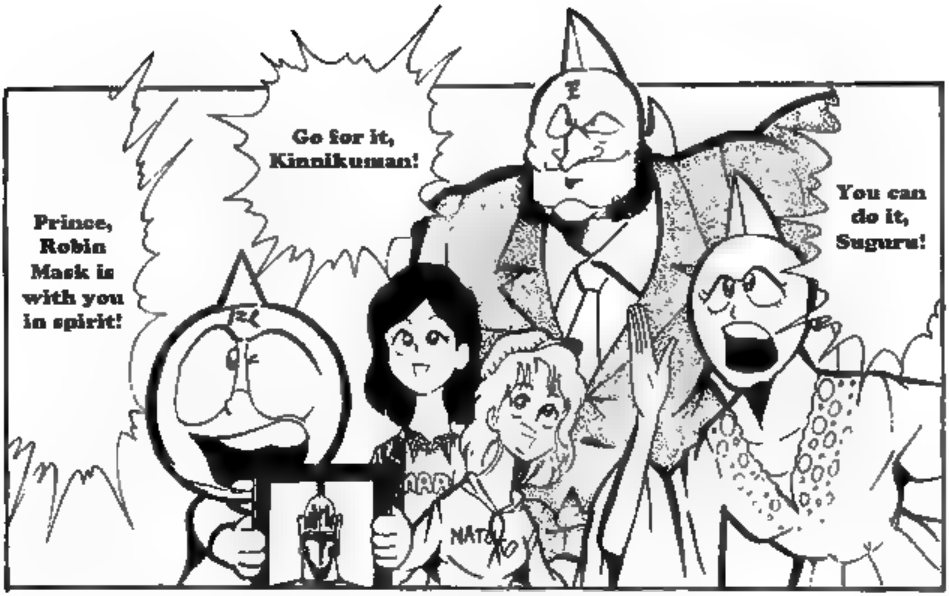
"The Machine-guns"!
Terryman and Kinnikuman!
WOW
WSA
Terry!
Ooh! Their theme is "The Magnificent Seven"!
I heard that he suffered a career-ending injury!
What? Terryman!?



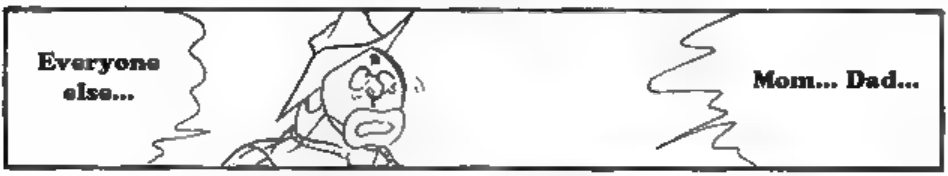
Terryman!
Terryman!
Terryman has returned to the ring! Recent rumors have claimed that he had ended his career after losing his left leg, but he's risen from the grave like a phoenix!

Welcome back, Texas Bronco!
Terry-man Phoenix!

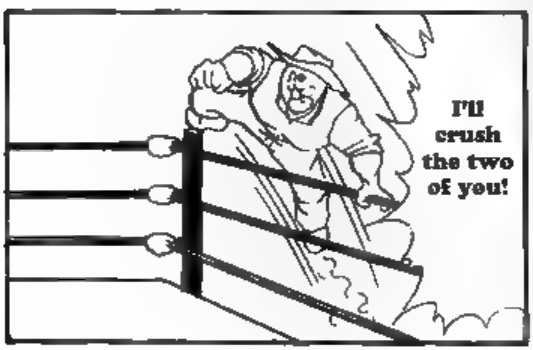
Don't worry so much, Suguru!
pout
It's no fun for me when everyone's only cheering for him...



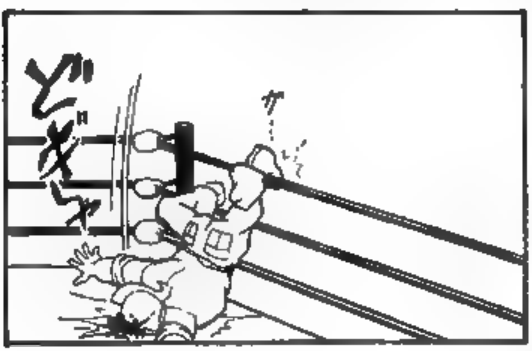
Go for it, Kinnikuman!
Prince, Robin Mask is with you in spirit!
You can do it, Sugoru!
NATSU

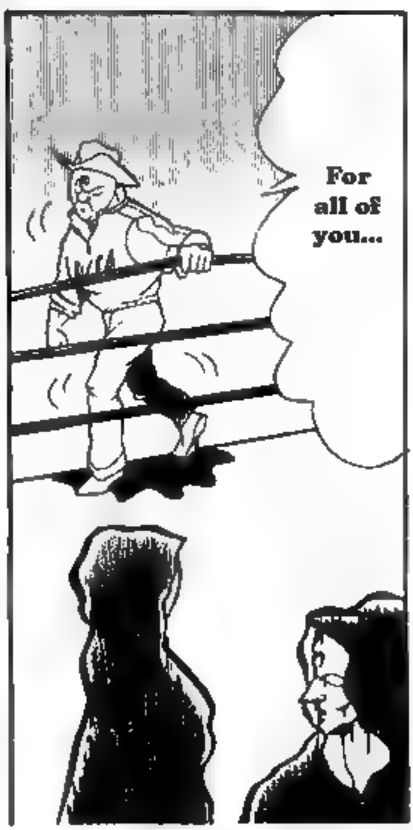


Everyone else...
Mom... Dad...

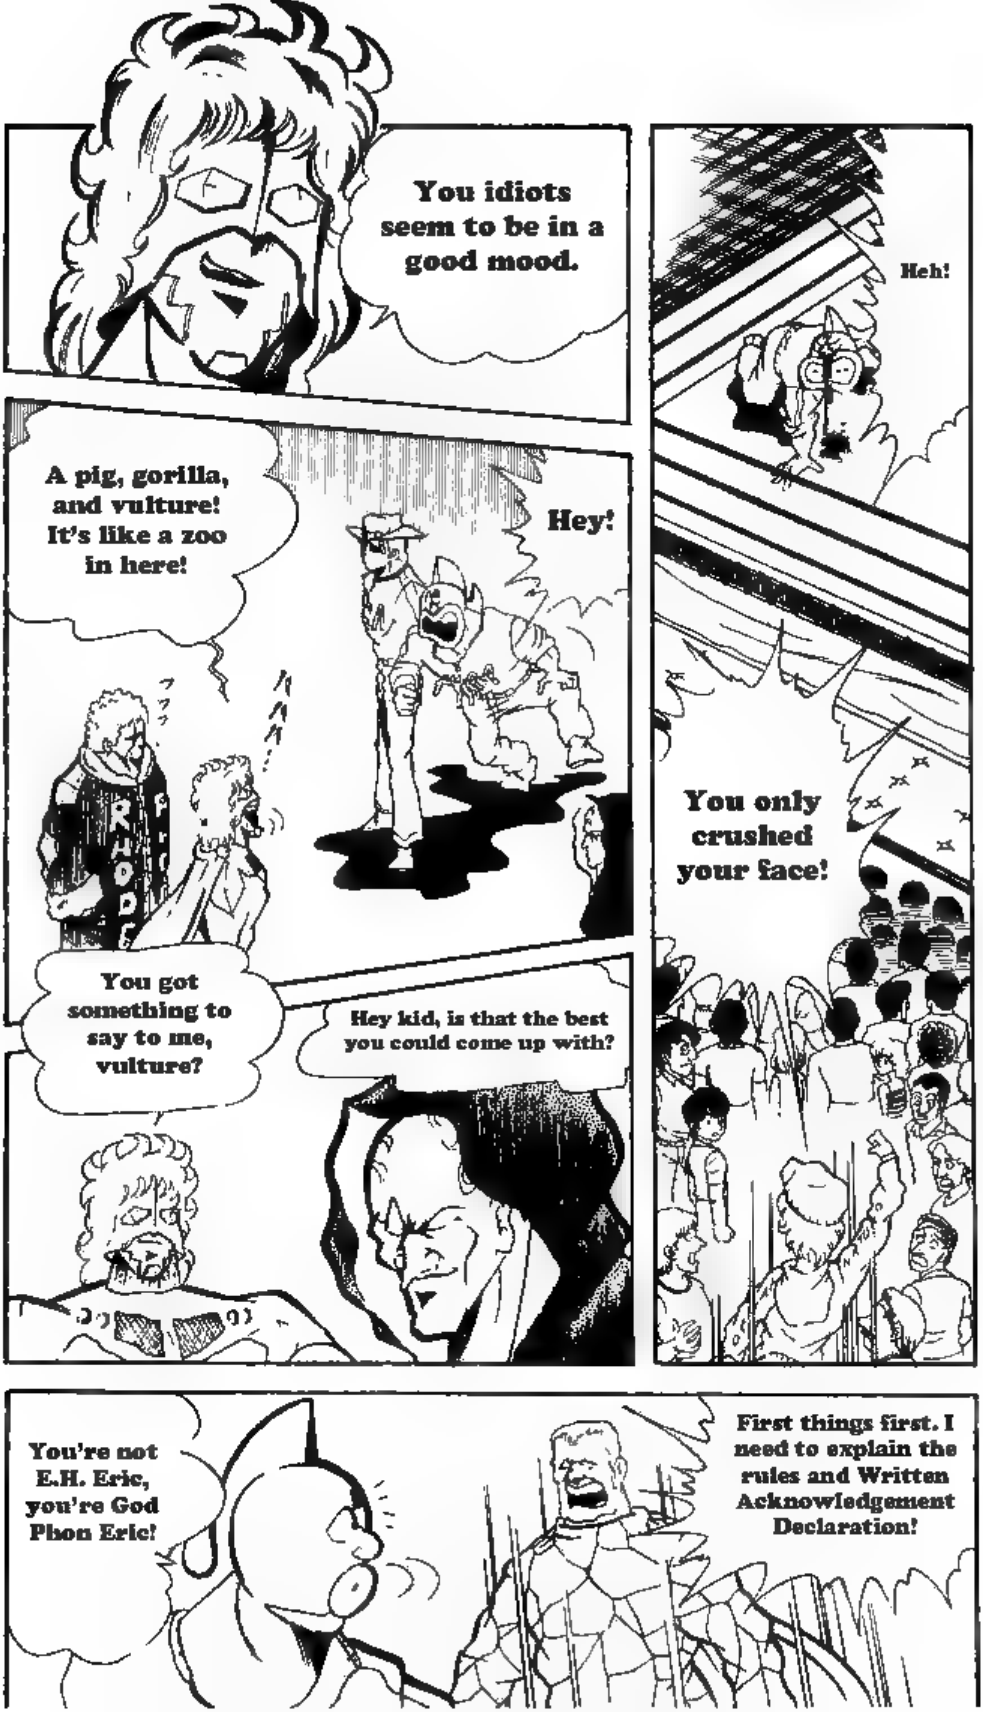


I'll crush the two of you!





For all of you...



You idiots seem to be in a good mood.
A pig, gorilla, and vulture! It's like a zoo in here!
Hey!
You got something to say to me, vulture?
Hey kid, is that the best you could come up with?
Heh!
You only crushed your face!
You're not E.H. Eric, you're God Phon Eric!
First things first. I need to explain the rules and Written Acknowledgement Declaration!

The winning organization will control the American chojin world, while the others must affiliate with them.

2 Points for a win, 1 point for a tie, and no points for a loss. The team with the most points wins.

You can use this chart, too!

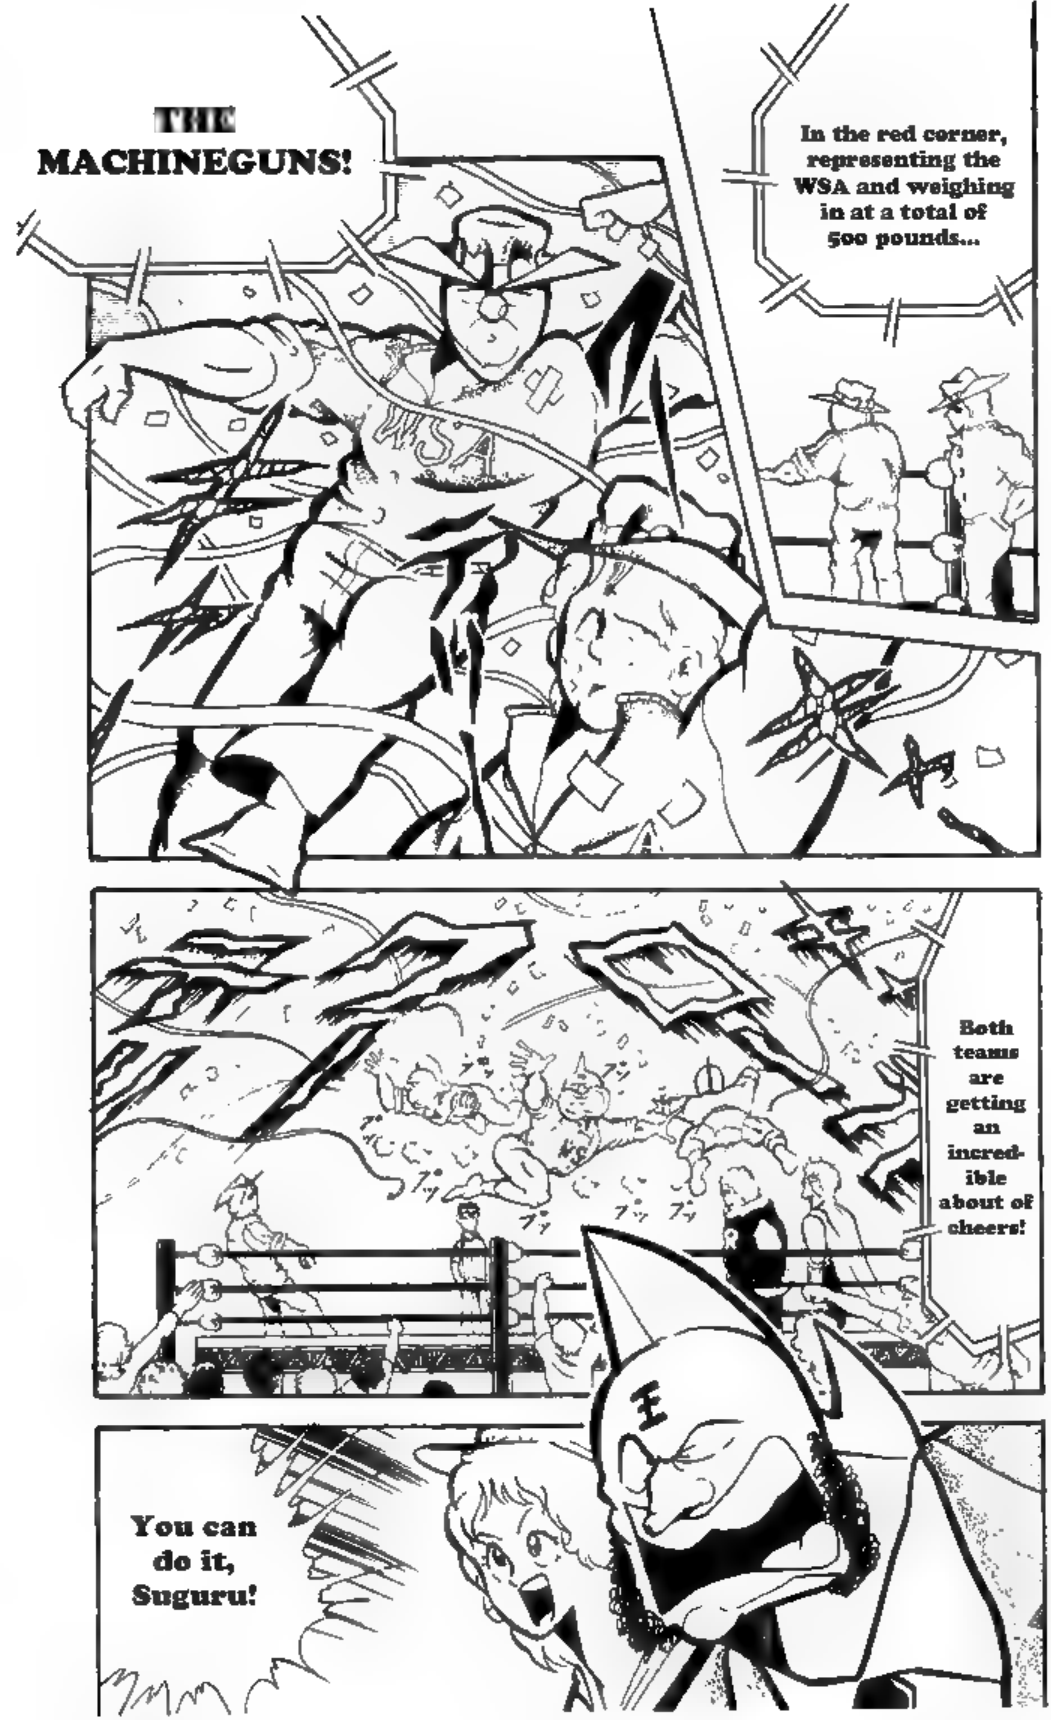
Waa!
Hey, I'm on your side!
It looks like a brawl has broken out during the opening ceremony!

The Number One Rule of Tag Matches

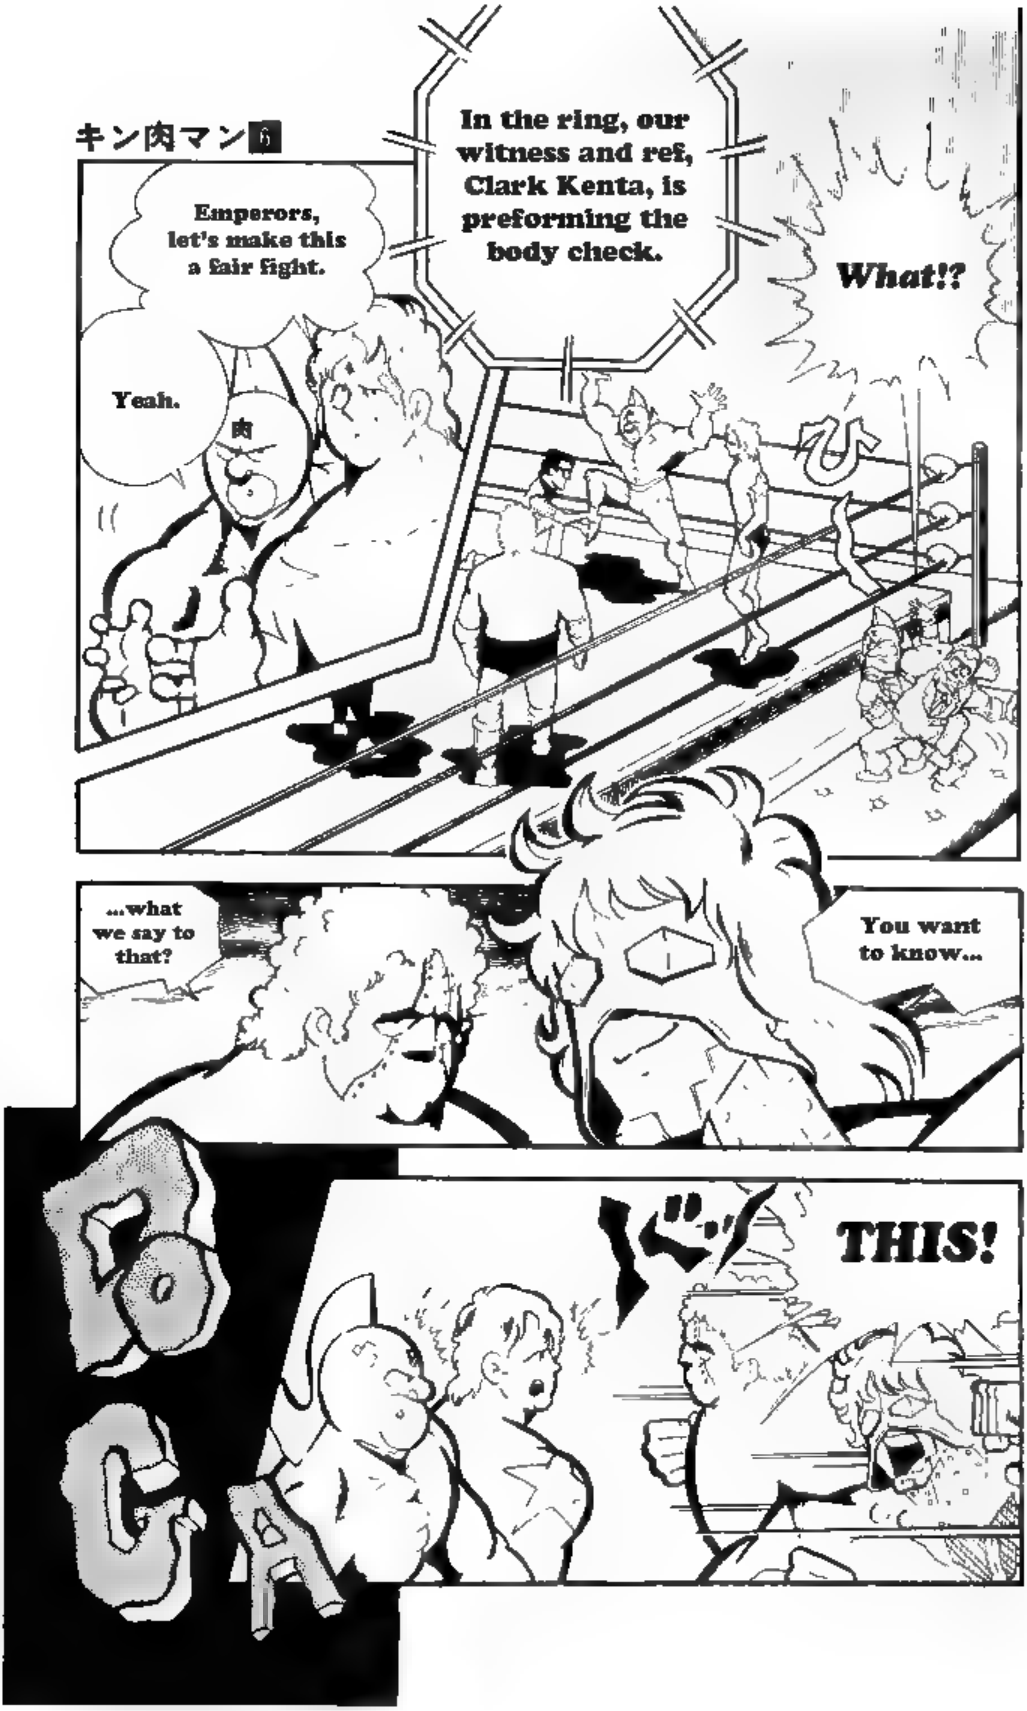
A Team Kinniku scanlation

Now that the magnificent opening ceremony is over, we can get to the first match of this tournament: Kinnikuman and Terryman vs. Beauty Rhodes and John Steamboat!
You call that "magnificent"? I'm still hurting from that brawl earlier.
Beauty Rhodes and John Steamboat...
In the blue corner, representing the WSC and weighing in at a total of 565 pounds...
THE EMPERORS!



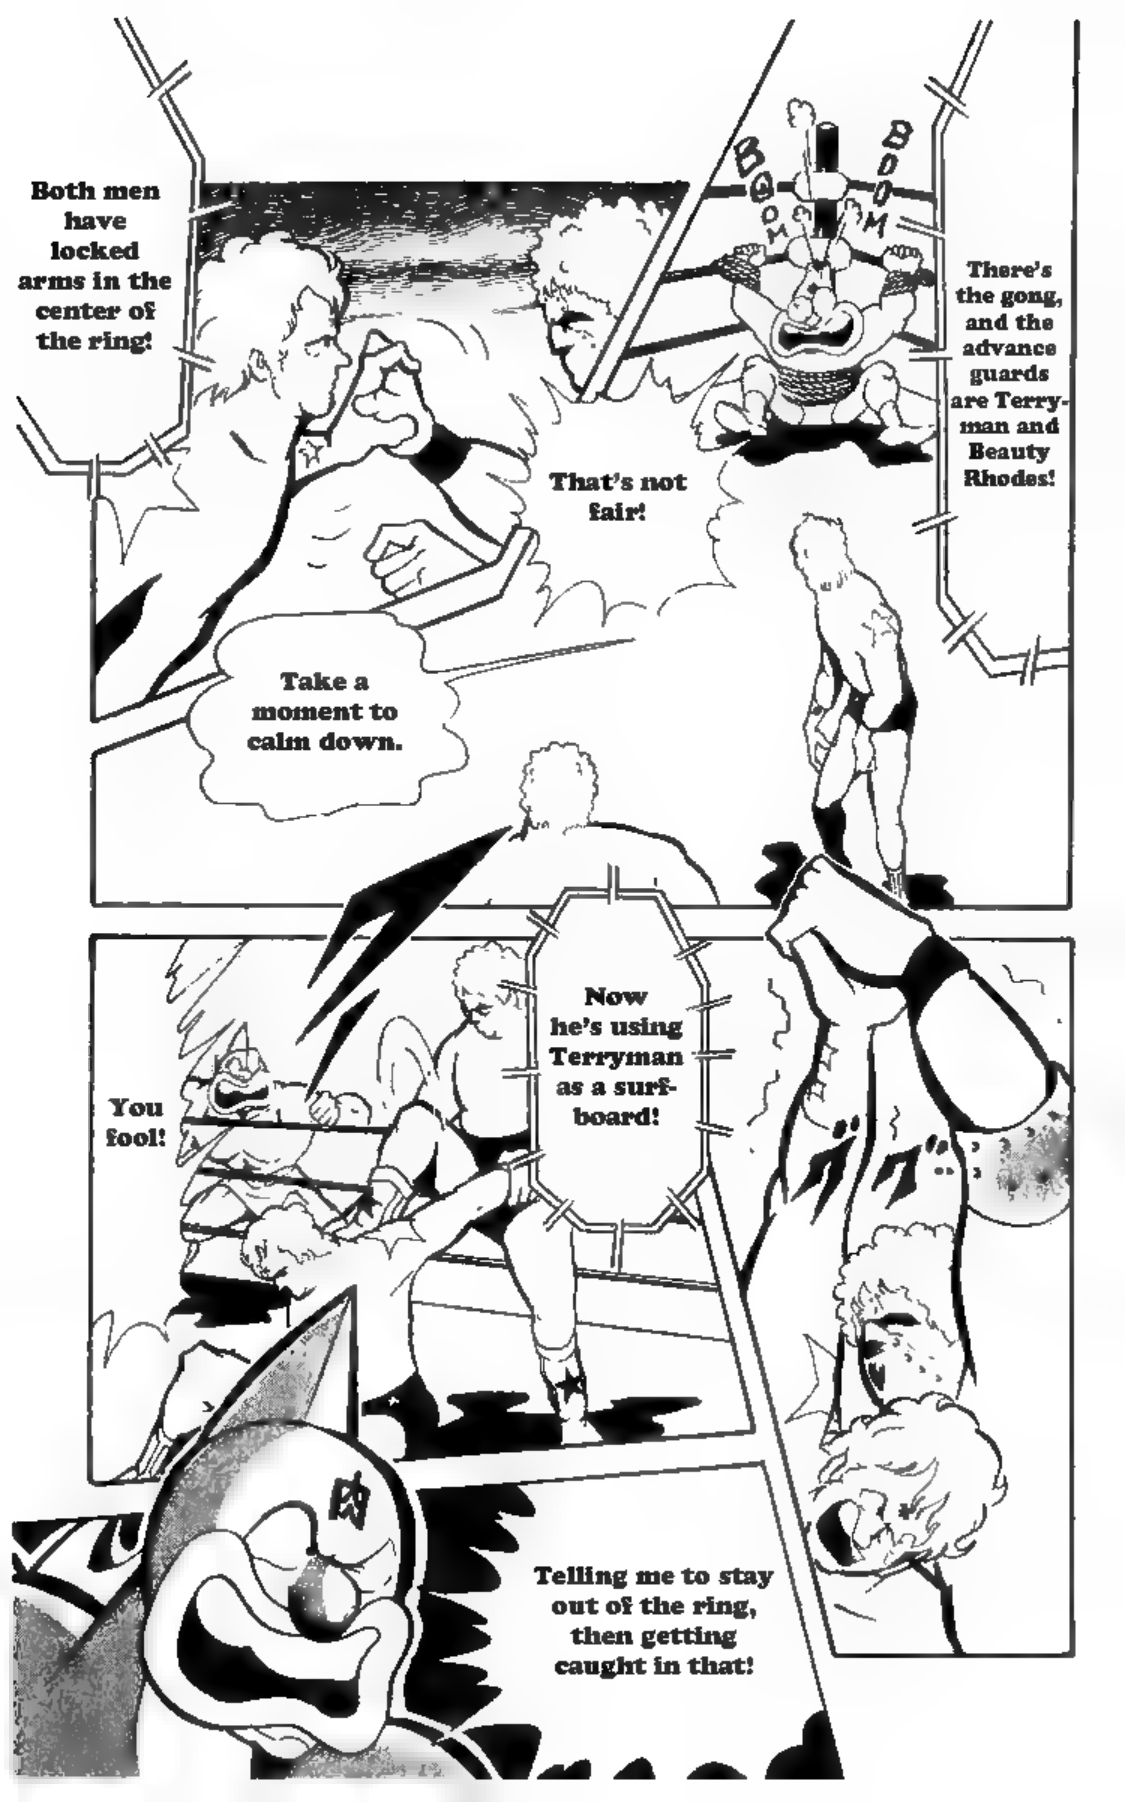
THE MACHINEGUNS!
In the red corner, representing the WSA and weighing in at a total of 500 pounds...
WSA
Both teams are getting an incredible about of cheers!
You can do it, Suguru!

Come on, Suguru! Let's see you win by pooping your pants like you did during the Chojin Olympics!
That's only half true.
Terry! Terry!
Rhodes! Rhodes!
It looks like this cheering match is dead even!
Kinnikuman only has those guys over there.
You're the best!
Although the Emperors both have a good number of fans, the Machineguns' fans are mostly cheering for Terryman.



In the ring, our witness and ref, Clark Kenta, is preforming the body check.
What!?
Emperors, let's make this a fair fight.
Yeah.
肉
...what we say to that?
You want to know...
THIS!

Kinnikuman!
Are you alright?
I'll kill him! Let me be the advance guard!
You can't!
It looks like Kinnikuman's been thrown deep into the mat!
You've lost your composure. I'll be the advance guard.
He's right, prince. Your temper is working against you.
What do you mean!? I never lose my temper!
BOOOOM



Both men have locked arms in the center of the ring!
BOOM
BOOM
There's the gong, and the advance guards are Terryman and Beauty Rhodes!
That's not fair!
Take a moment to calm down.
You fool!
Now he's using Terryman as a surfboard!
Telling me to stay out of the ring, then getting caught in that!

Terryman counters with a reverse kick!
Now a side suplex!
Alright, we'll win for sure!
Terryman, you can't do it alone! Tag me in!
Rhodes can't take any-more and is tagging in Steam-boat!
Quiet down, I hear you.

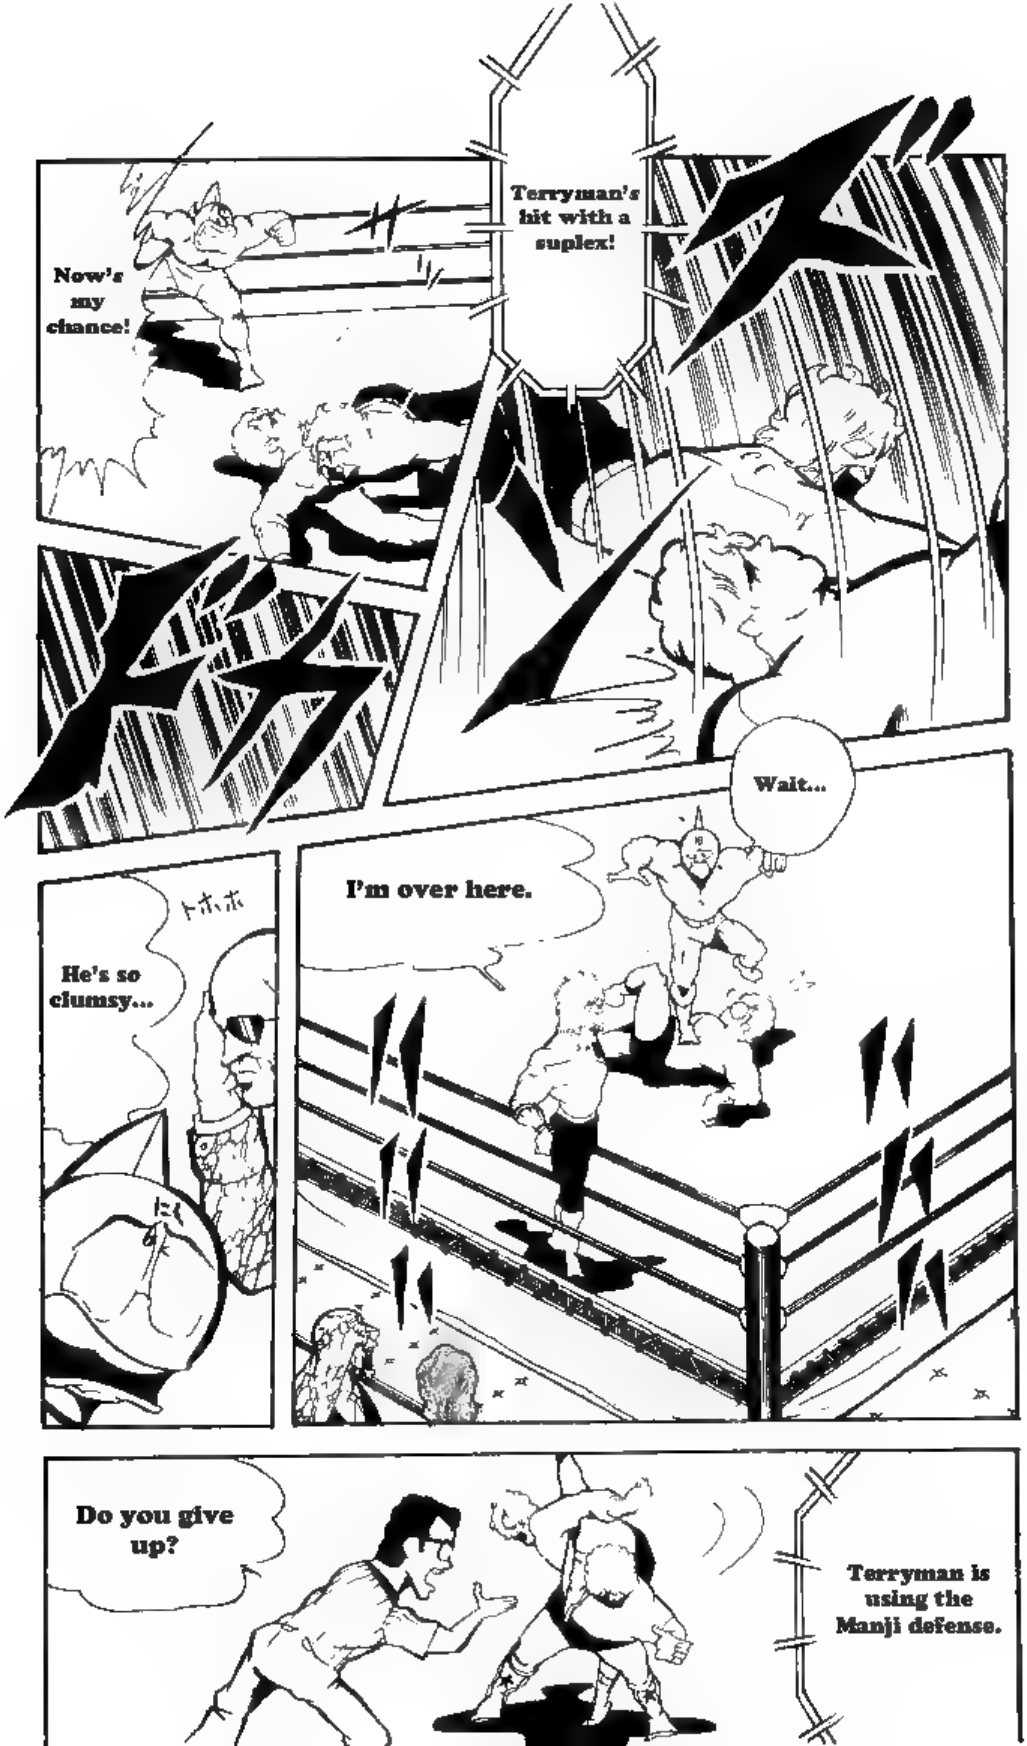
This should end it!
Kinnikuman lifts him with no trouble!
He did it! That's a shoulder buster!
That was dirty, fatman!
It looks like Kinnikuman's got a fall!

Working together is the number one rule of tag matches!
It's not foul play if it's within the referee's 5-count.
I suggest you remember that!
There it is, Steamboat's killer karate!
Kinnikuman!

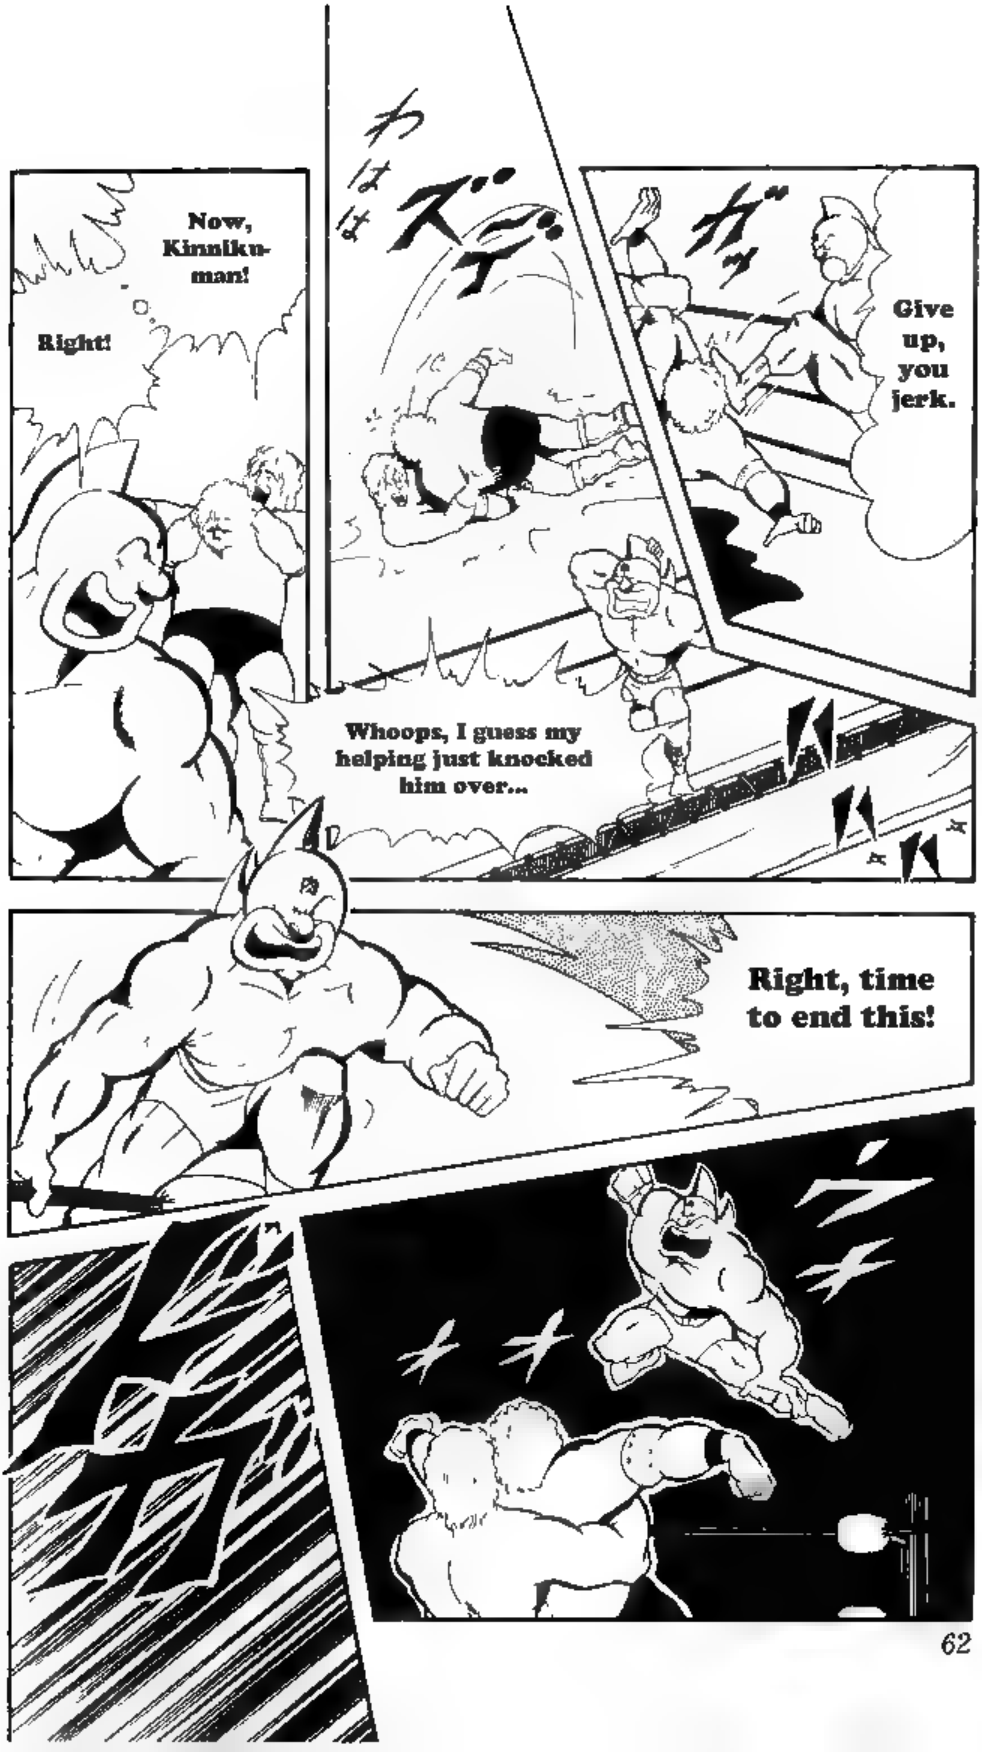
He's so dreamy!
Go Emperors!
Let's go, Rhodes!

There's a flying body attack!
...and he got out at the 1 count!
Now I'll show you how we work together!

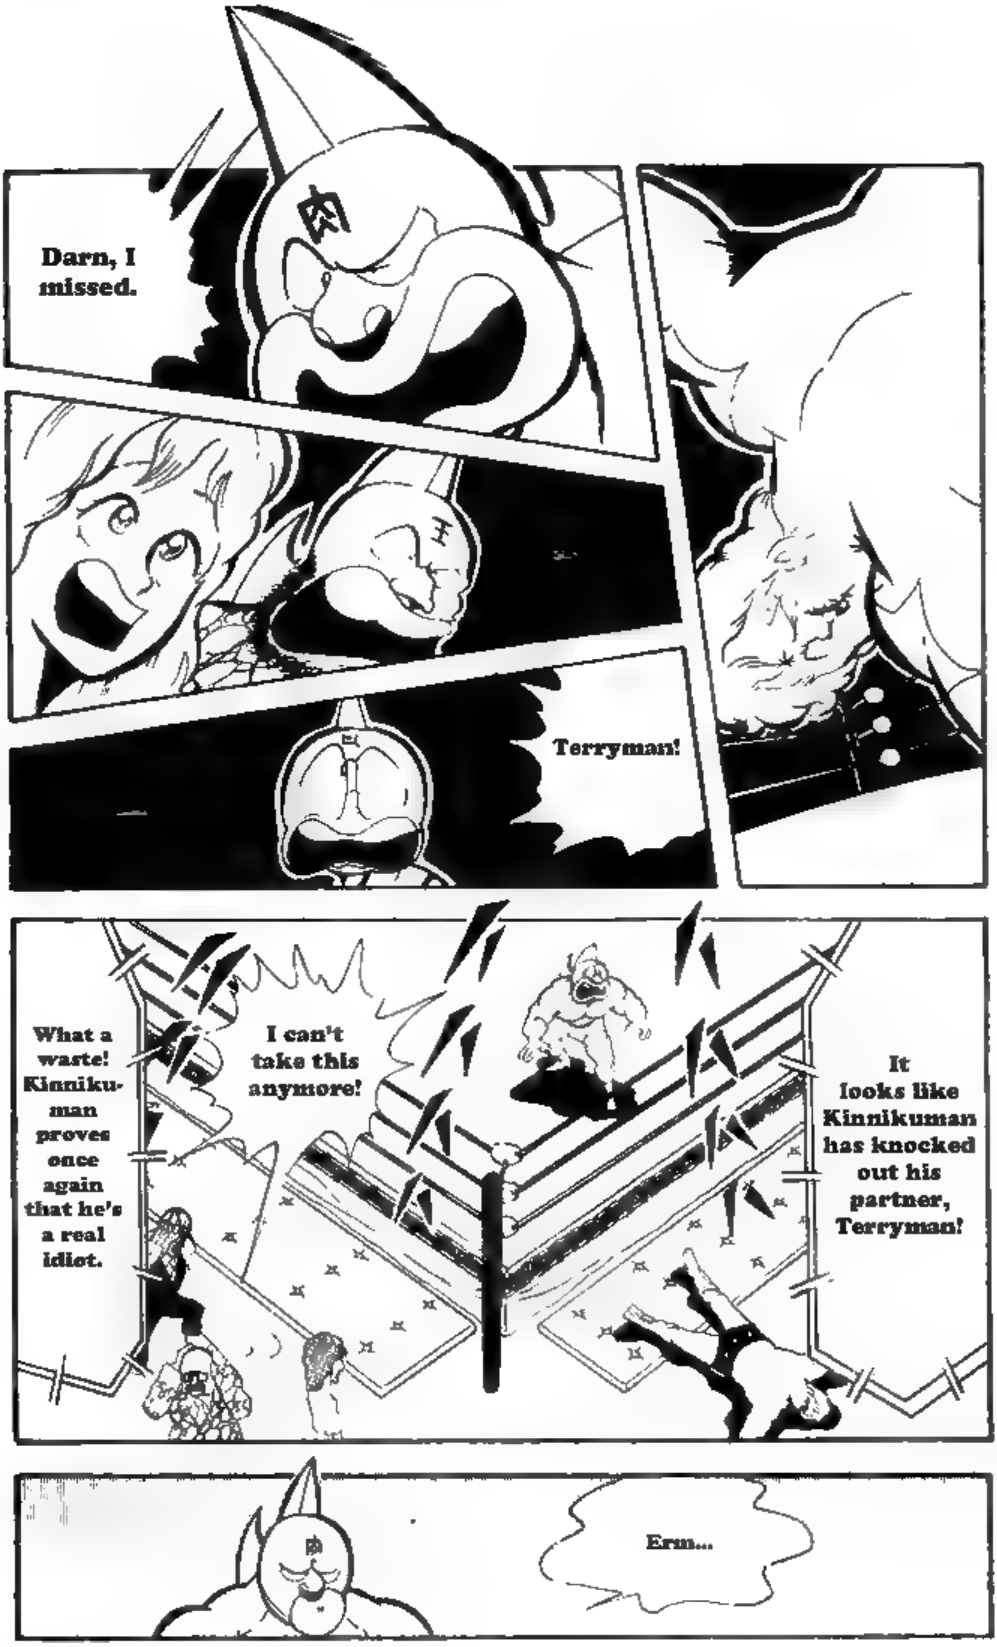
Terryman and Kinnikuman aren't working together as one...
You're just making me do all of the hard work.
Terry, go in. I need your help.



Now's my chance!
Terryman's hit with a suplex!
Wait...
I'm over here.
He's so clumsy...
トホホ
Do you give up?
Terryman is using the Manji defense.



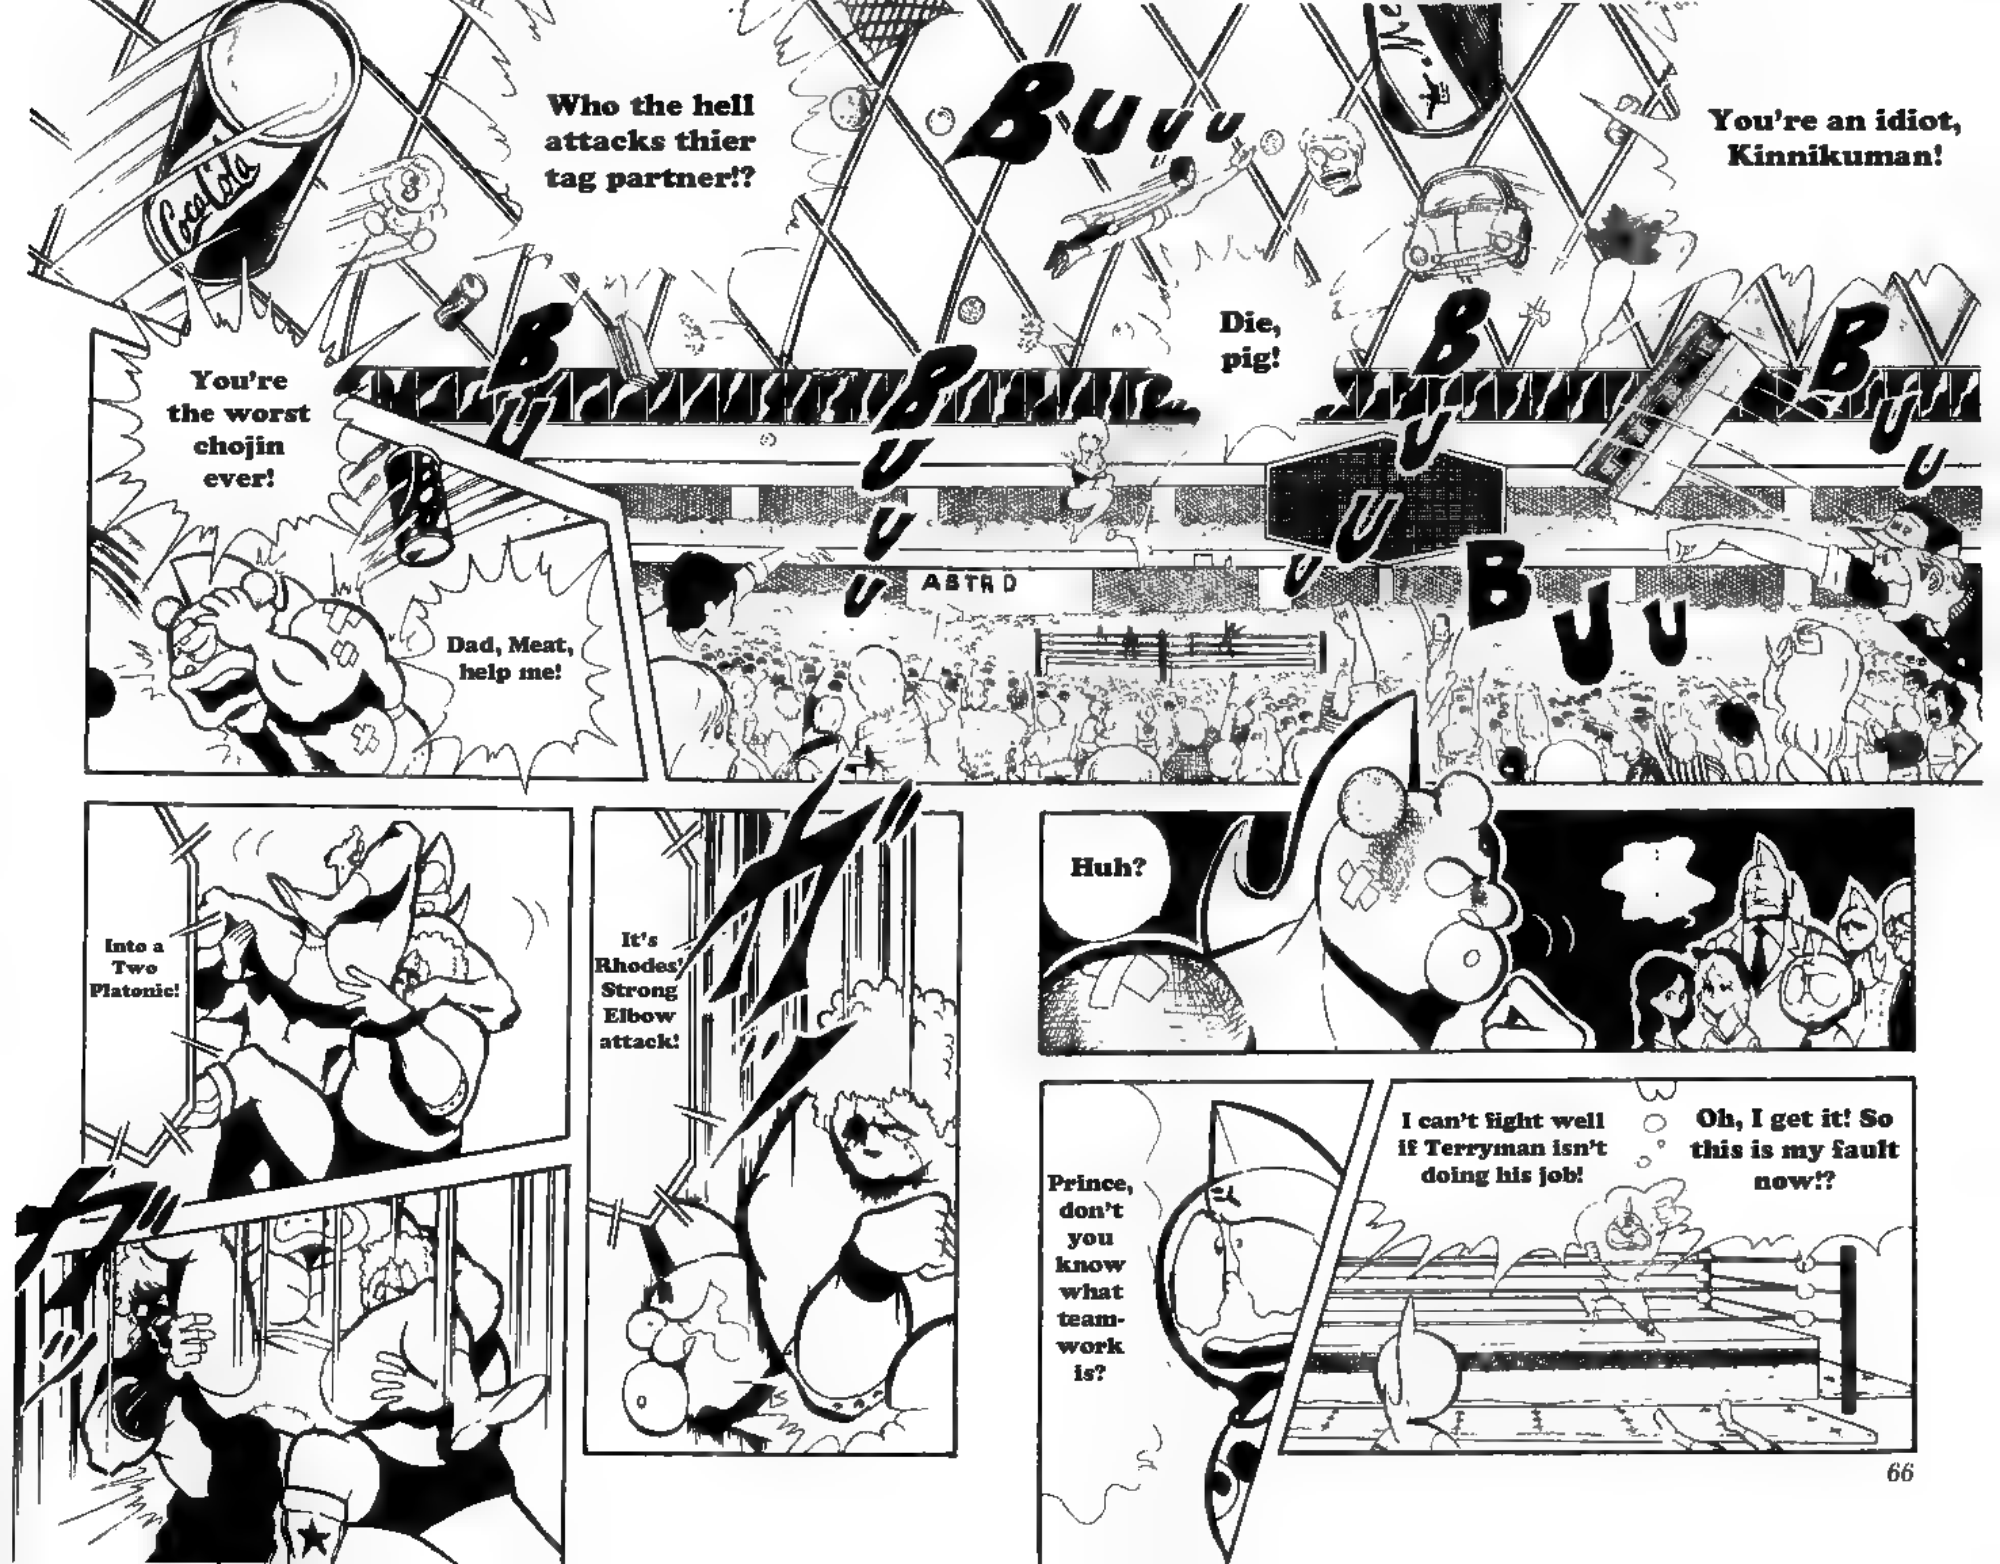
Now, Kinnikuman!
Right!
Give up, you jerk.
Whoops, I guess my helping just knocked him over...
Right, time to end this!



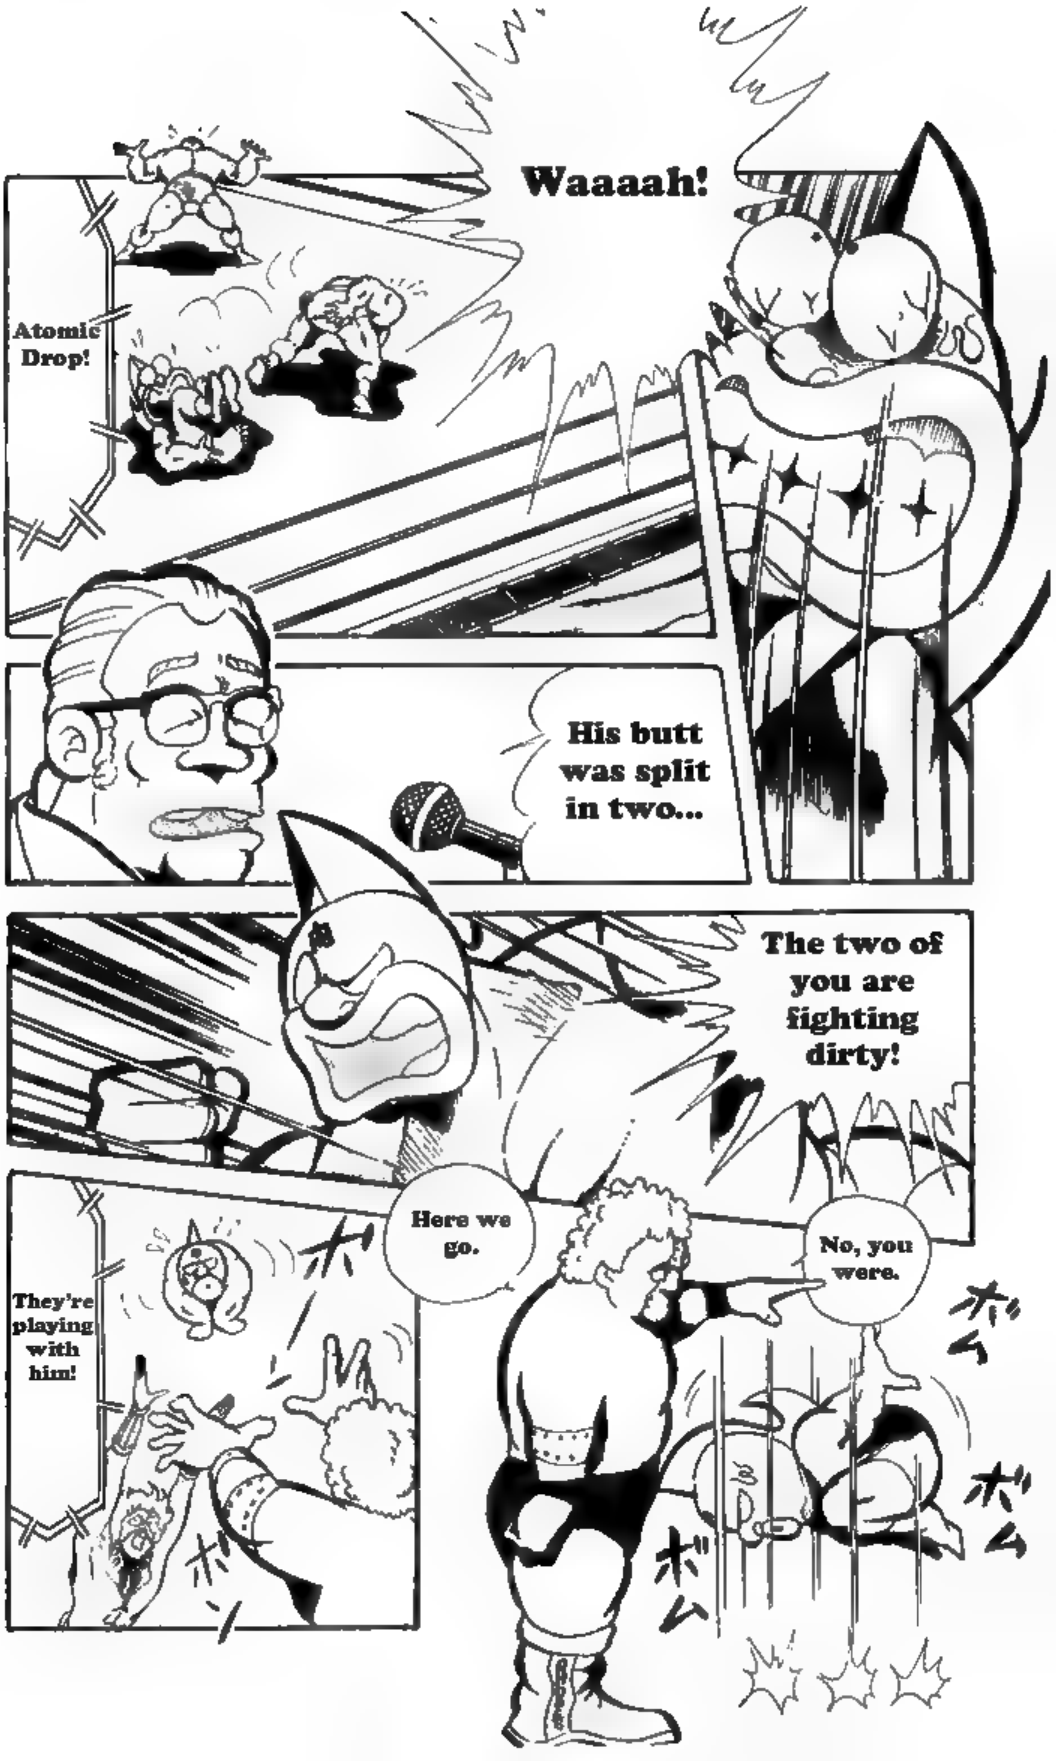
Darn, I missed.
Terryman!
What a waste! Kinnikuman proves once again that he's a real idiot.
I can't take this anymore!
It looks like Kinnikuman has knocked out his partner, Terryman!
Erm...

There it is!
The Deadly Technique!

A Team Kinniku Release



Who the hell attacks thier tag partner!?
You're an idiot, Kinnikuman!
Die, pig!
You're the worst chojin ever!
Dad, Meat, help me!
Into a Two Platonic!
It's Rhodes! Strong Elbow attack!
Huh?
Prince, don't you know what team-work is?
I can't fight well if Terryman isn't doing his job!
Oh, I get it! So this is my fault now!?



Waaaah!
Atomic Drop!
His butt was split in two...
The two of you are fighting dirty!
Here we go.
No, you were.
They're playing with him!
ボム
ボム
ボム

Here!
Honey, catch Suguru!
Why are you sending him back!?
RHODES!
That was an amazing display of teamwork from the Emperors!
Finish this, Emperors!
Do you hear me?!
Nice shot!

Here's their dangerous finisher, the Deadly Drive!
DIE!
They can't...
Waa!

It looks like Terryman has saved Kinnikuman by using his own body!
What!?
Terryman!
Do you see now, Kinnikuman?
Aah!
Terry... You...
Impudent fool...
Huh?

A tag team doesn't mean two individual fights. Terryman saved you of his own free will at the cost of his body.
It's not E. H. Eric, it's God Phon Eric!
That's what real teamwork is!
...but when you think about it, we've been a tag team for a long time.
Terry...
Since we threw together this team, you've been puzzled by the concept of a tag team.
It's not your fault, Kinnikuman.

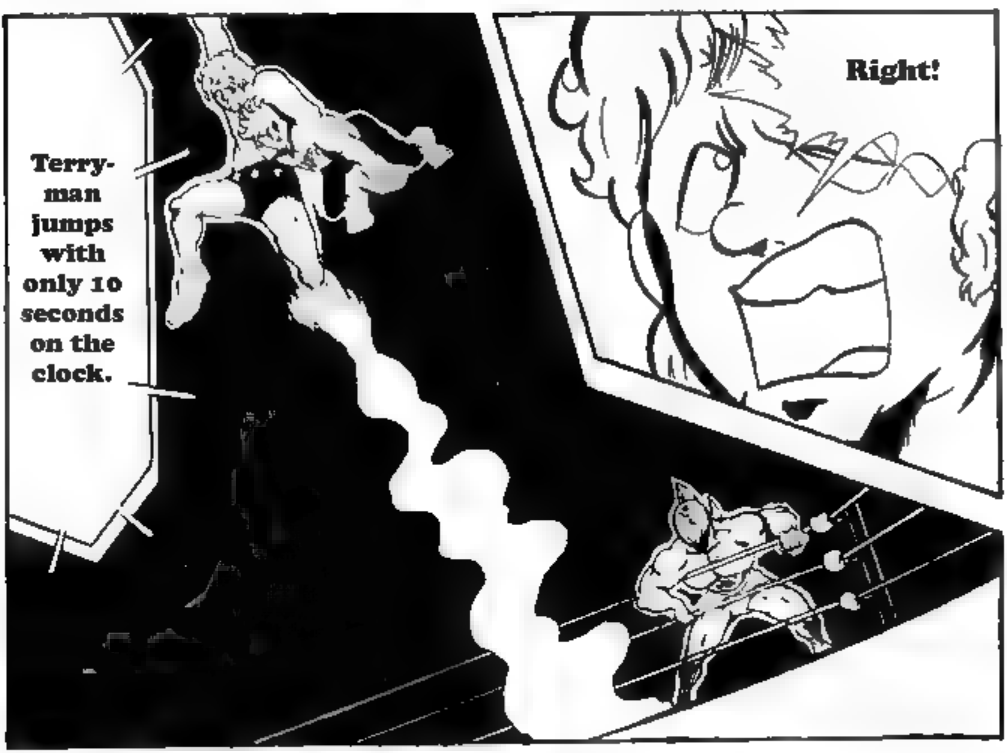
Thanks, Eric.
You seem to understand well...
Oh, sorry...
You're supposed to be neutral! Why are you helping them!?
...and you! Why are you just standing there!? Finish them!
...wha?
The Machine-guns attack with a Drop Kick while their opponents are pre-occupied!

From that point on, The Machine-guns were quite different. They caused much troble for the Emperors.
...but The Emperors didn't back down. The two teams fought back and fourth, until finally 50 minutes had passed.

Keep it up, guys!
Haa...
Haa...
Haa...
Haa...
Nine minutes and 55 seconds, now...
We're down to the final ten minutes of the match.
Time left is eight minutes!
Terry-man has come in!
Do it, Terry-man!

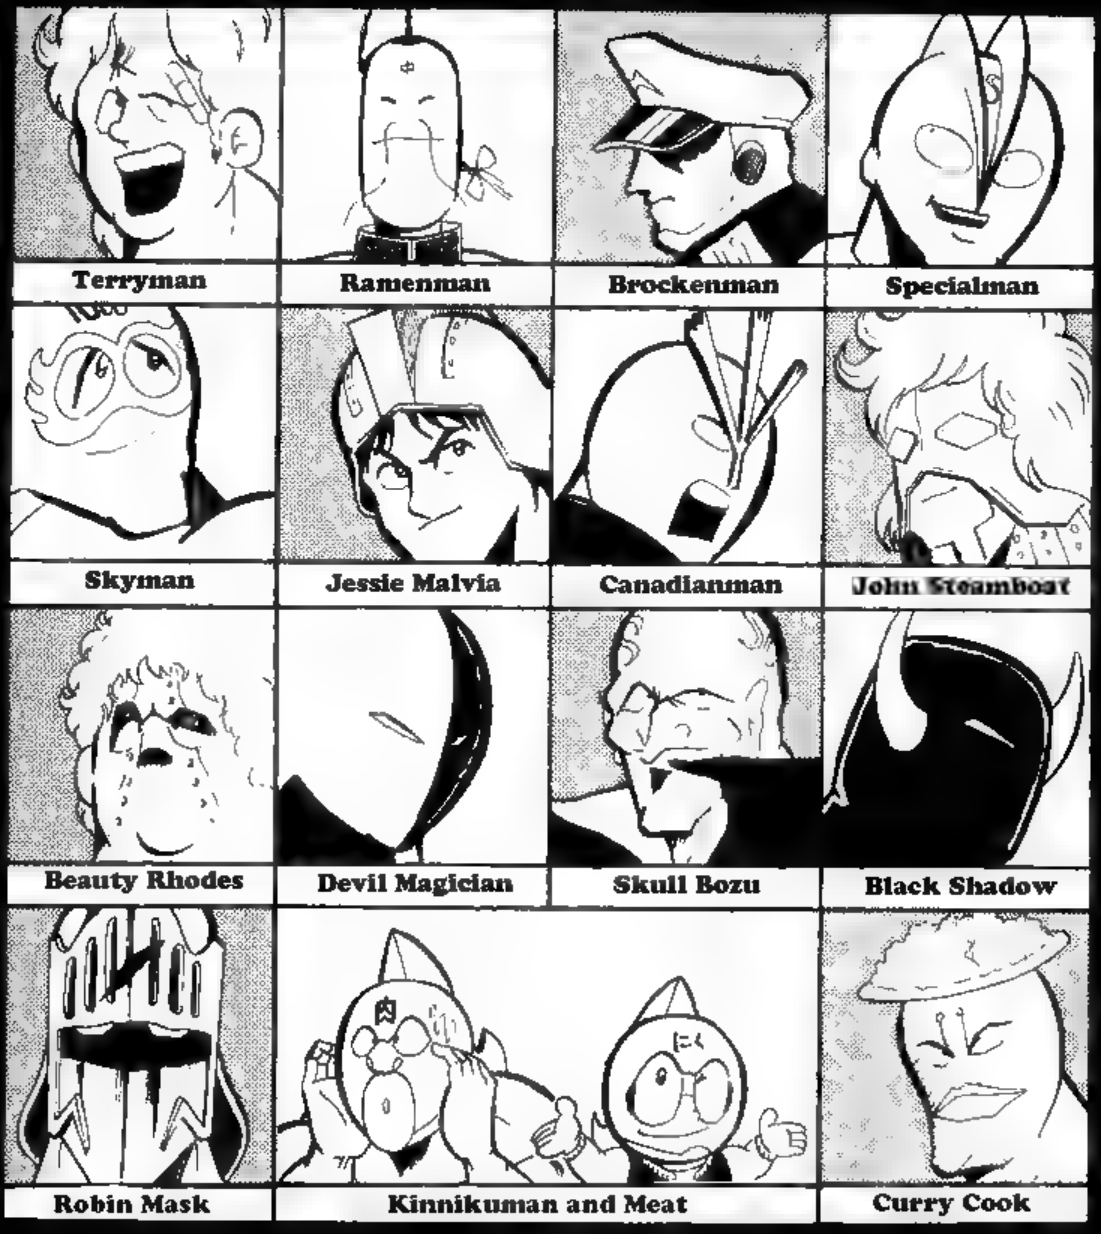
Use Calf Branding!!
Only seven minutes remain!
What are you waiting for!?
The crowd has begun to chant his name!
You're afraid...
I don't know if I can do that move without messing up my replacement leg.
TERRY! TERRY!
TERRY! TERRY!

13 seconds remain.
12!
TERRY! TERRY!
This is the final 60 seconds of the match...
11!
Terry!

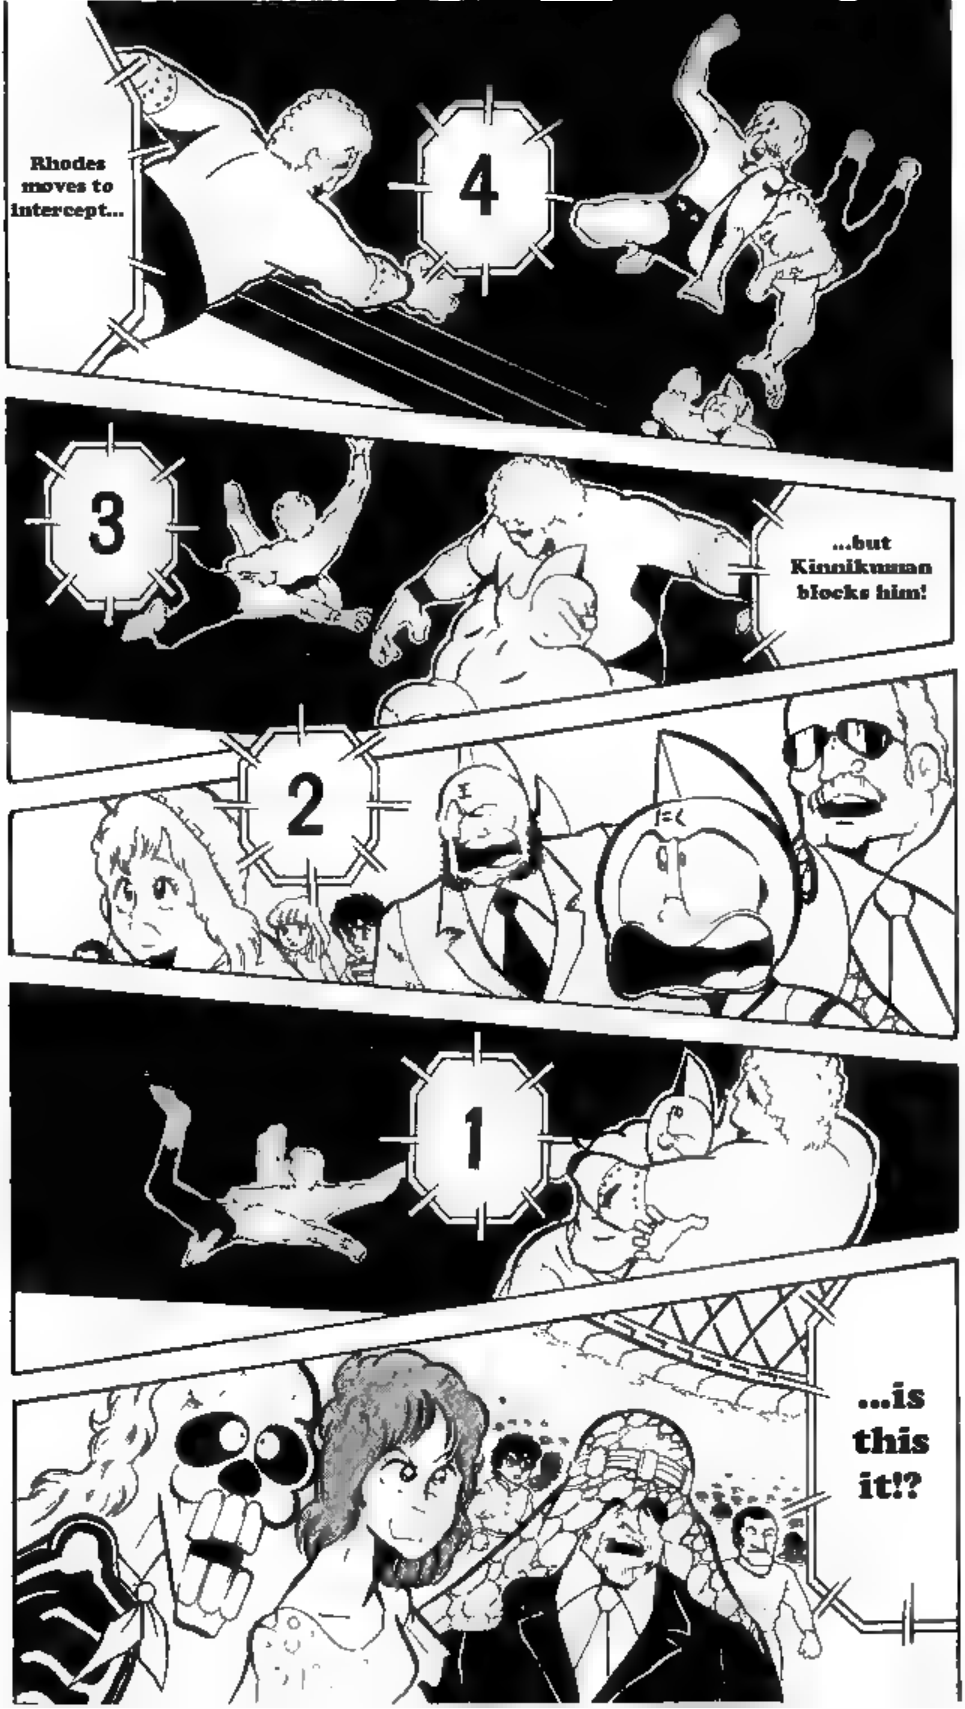


Terry-man jumps with only 10 seconds on the clock.
Right!

The Evil Fight



A Team Kinniku Release



Rhodes moves to intercept...

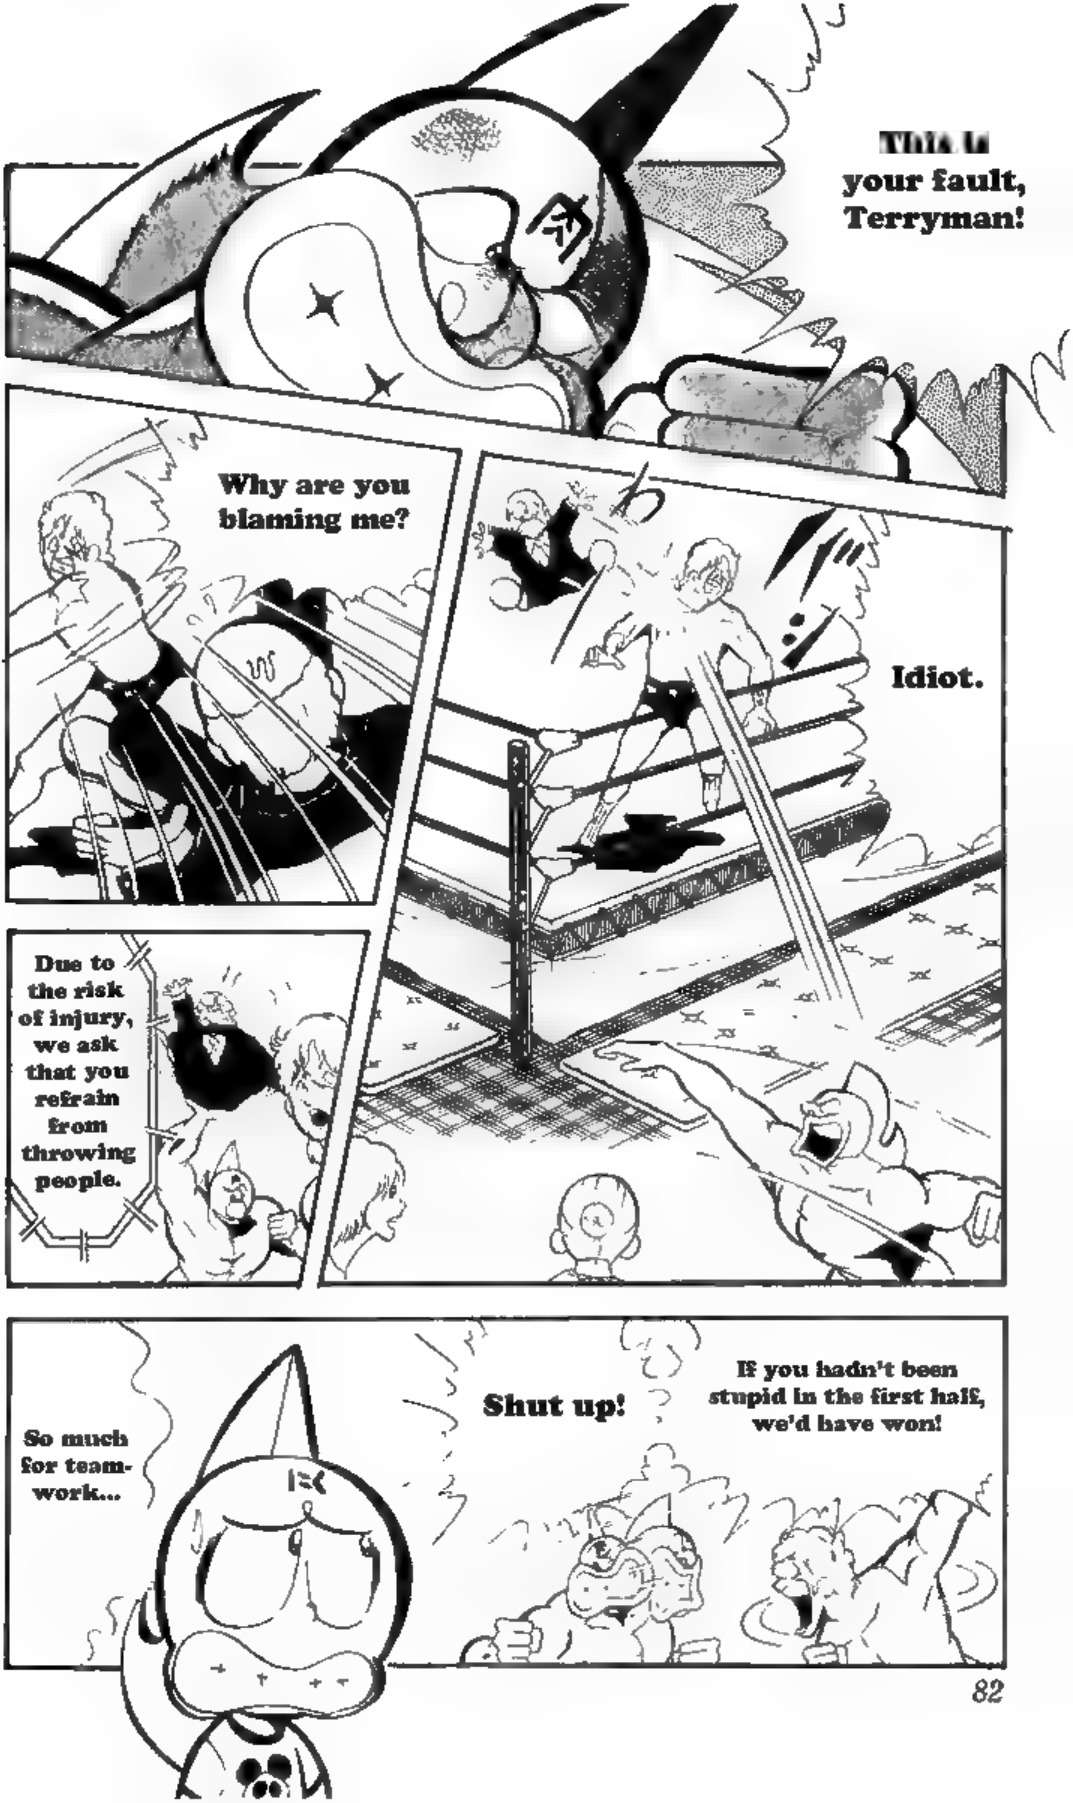
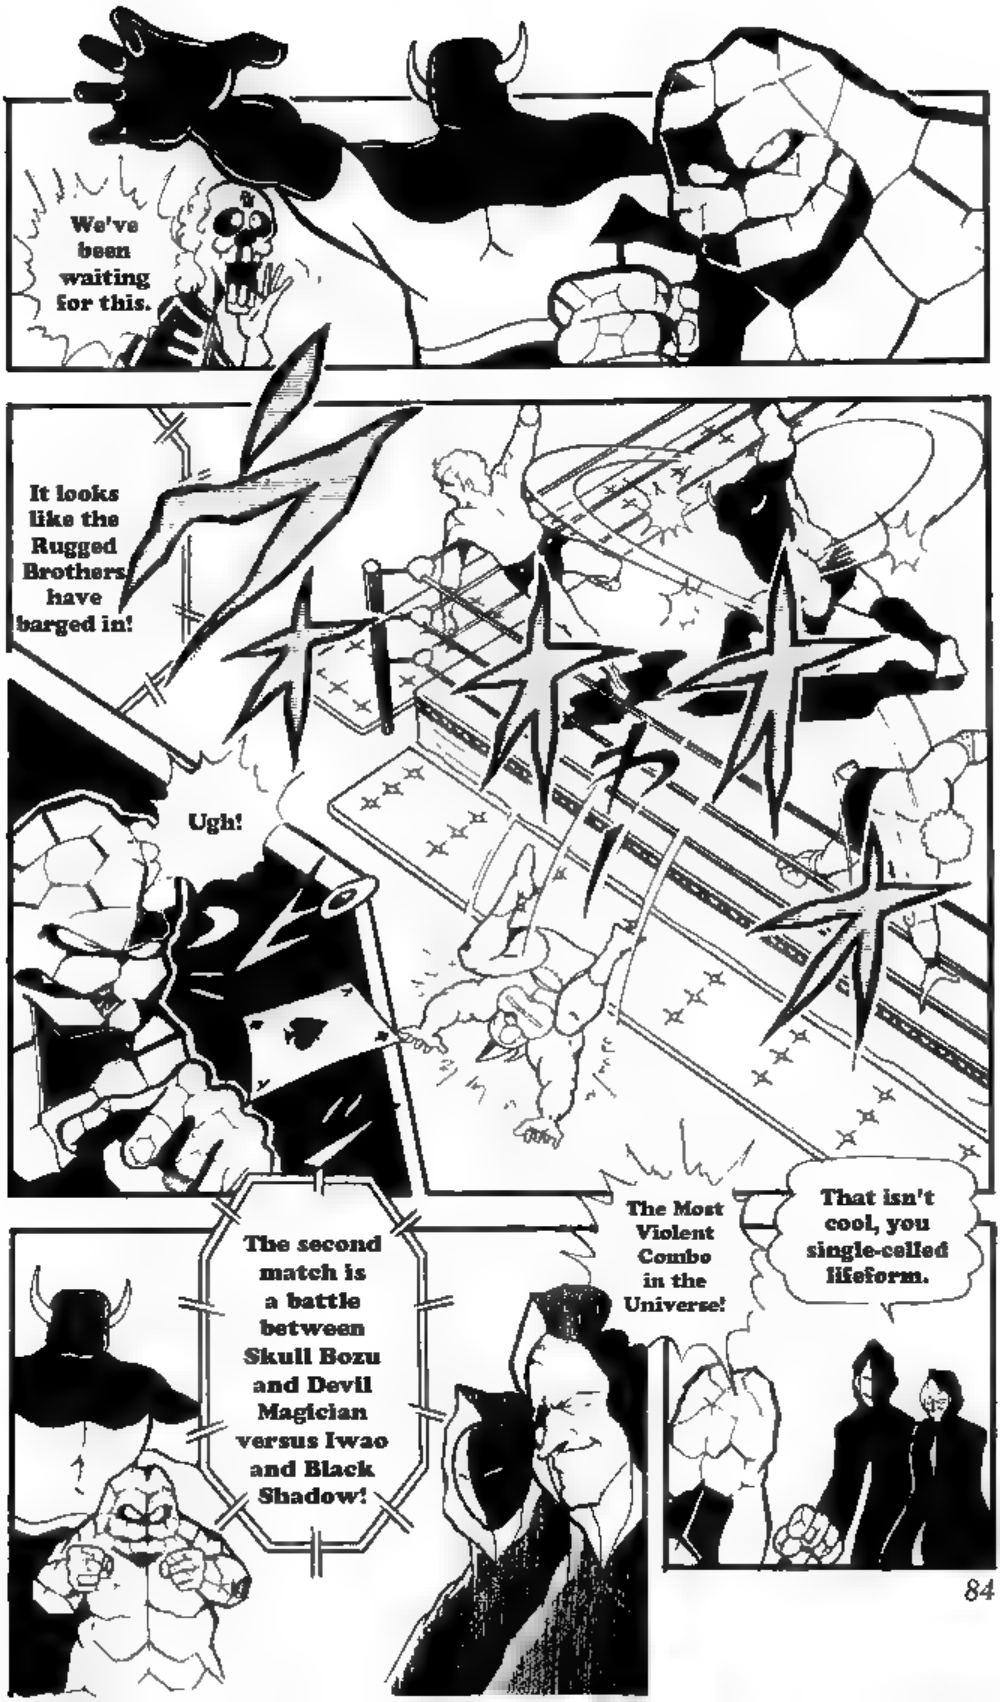
wao ack				

The score for a draw is only one point of each team.

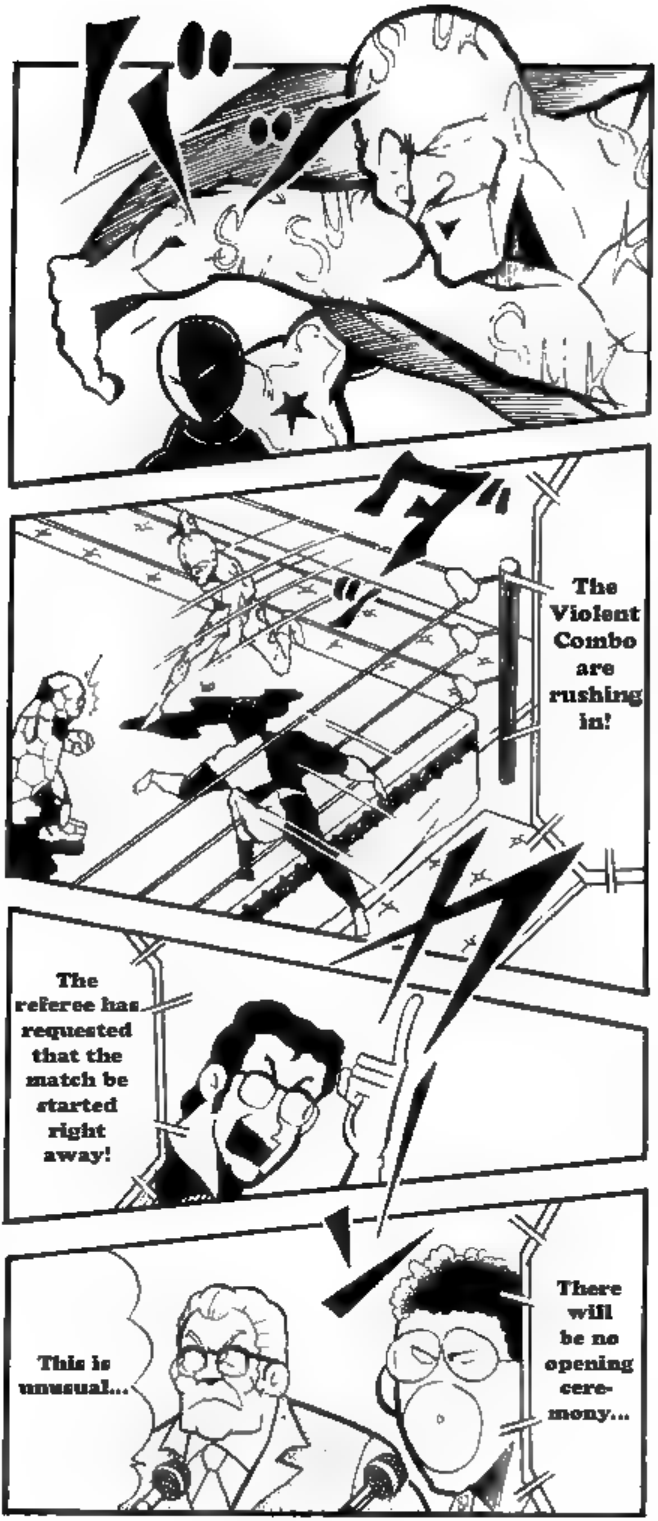


This is your fault, Terryman!
Why are you blaming me?
Idiot.
Due to the risk of injury, we ask that you refrain from throwing people.
Shut up!
If you hadn't been stupid in the first half, we'd have won!
So much for team-work...

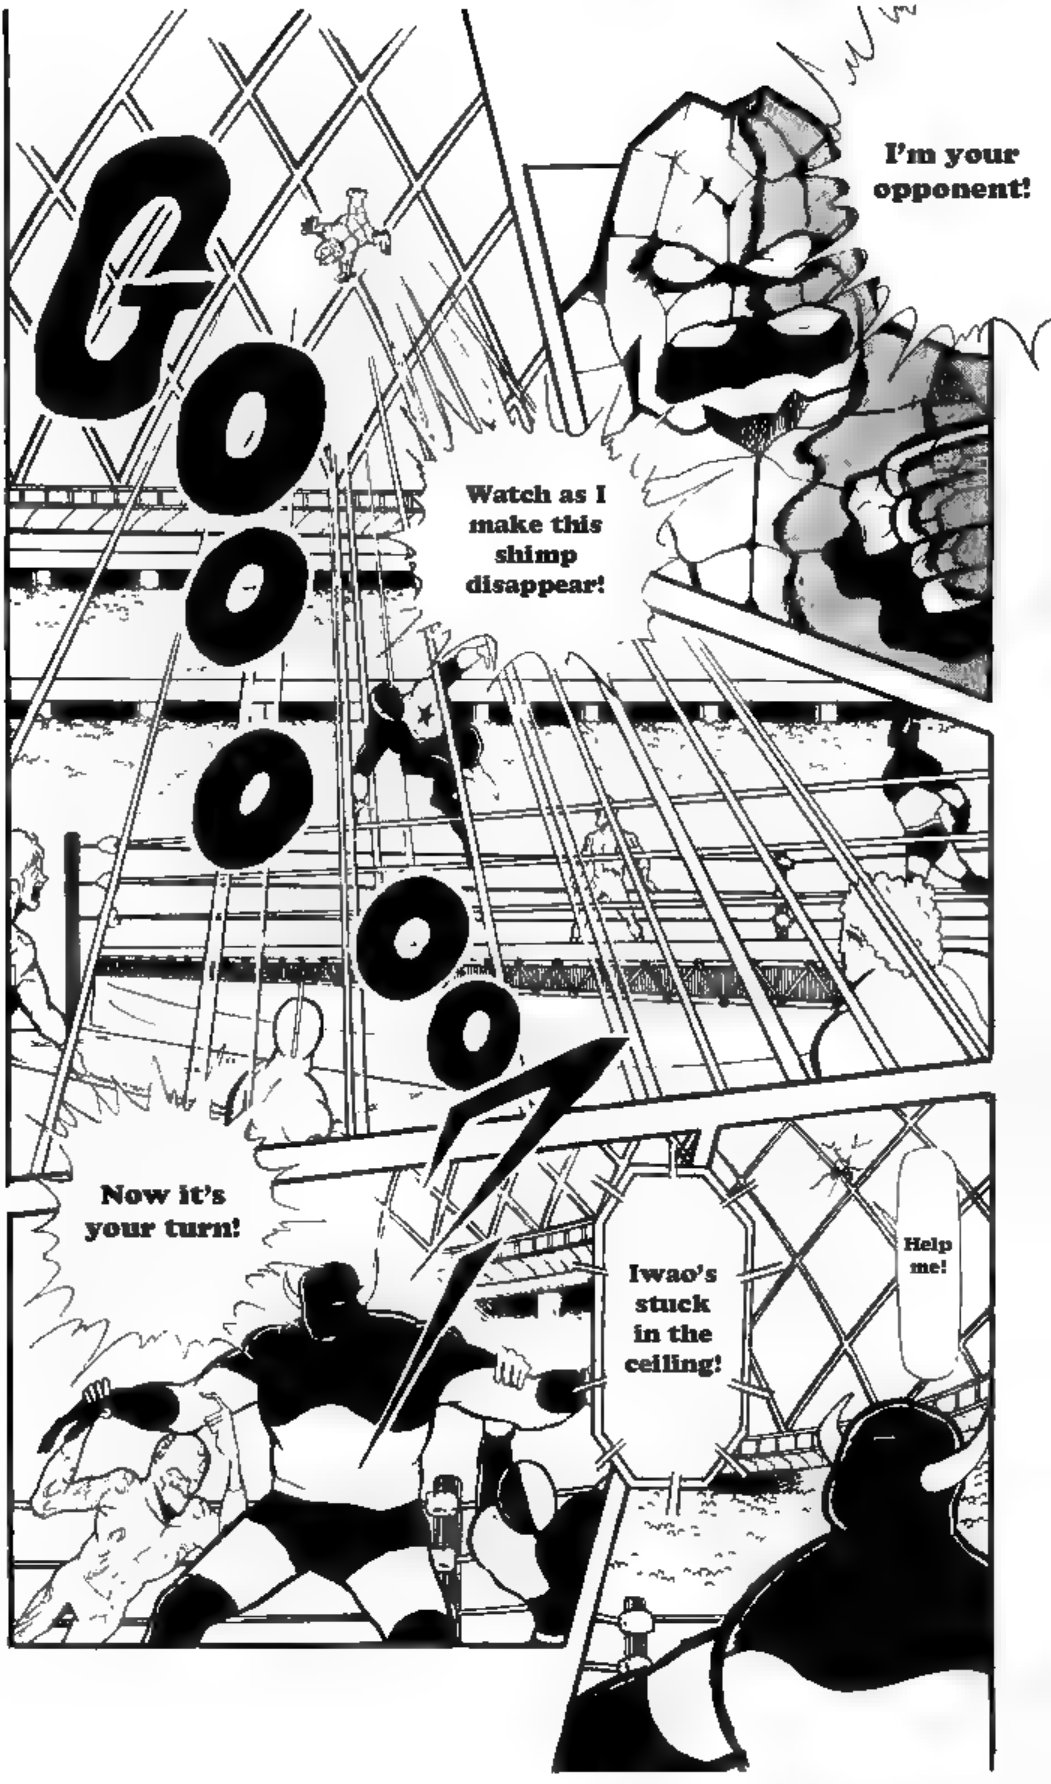
I'm not falling for that again!
You guys were pretty good out there.
They're not trying to beat us up?
Thanks, kindly.
ALRIGHT, PLAYTIME'S OVER!
Thank you.
Hehehehe... It looks like they're not too upset over tying with the Machineguns.



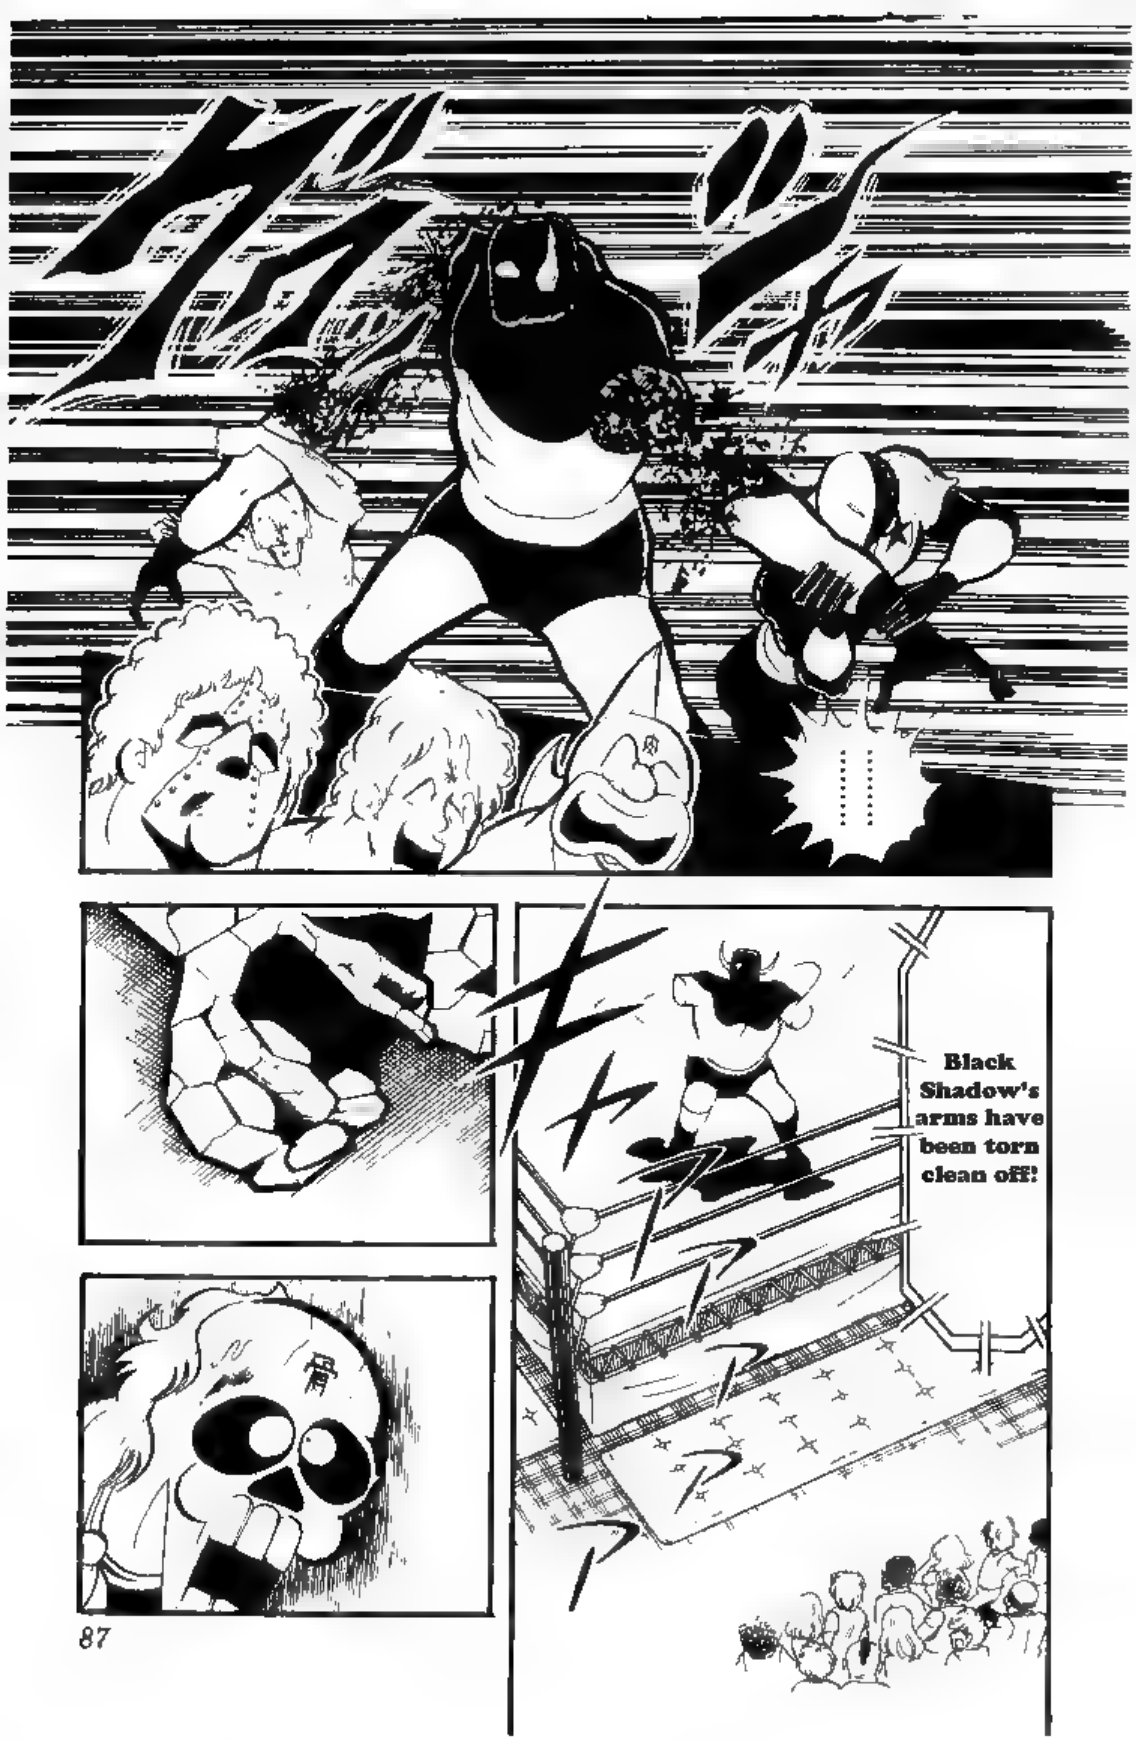
We've been waiting for this.
It looks like the Rugged Brothers have barged in!
Ugh!
The second match is a battle between Skull Bozu and Devil Magician versus Iwao and Black Shadow!
The Most Violent Combo in the Universe!
That isn't cool, you single-celled lifeform.



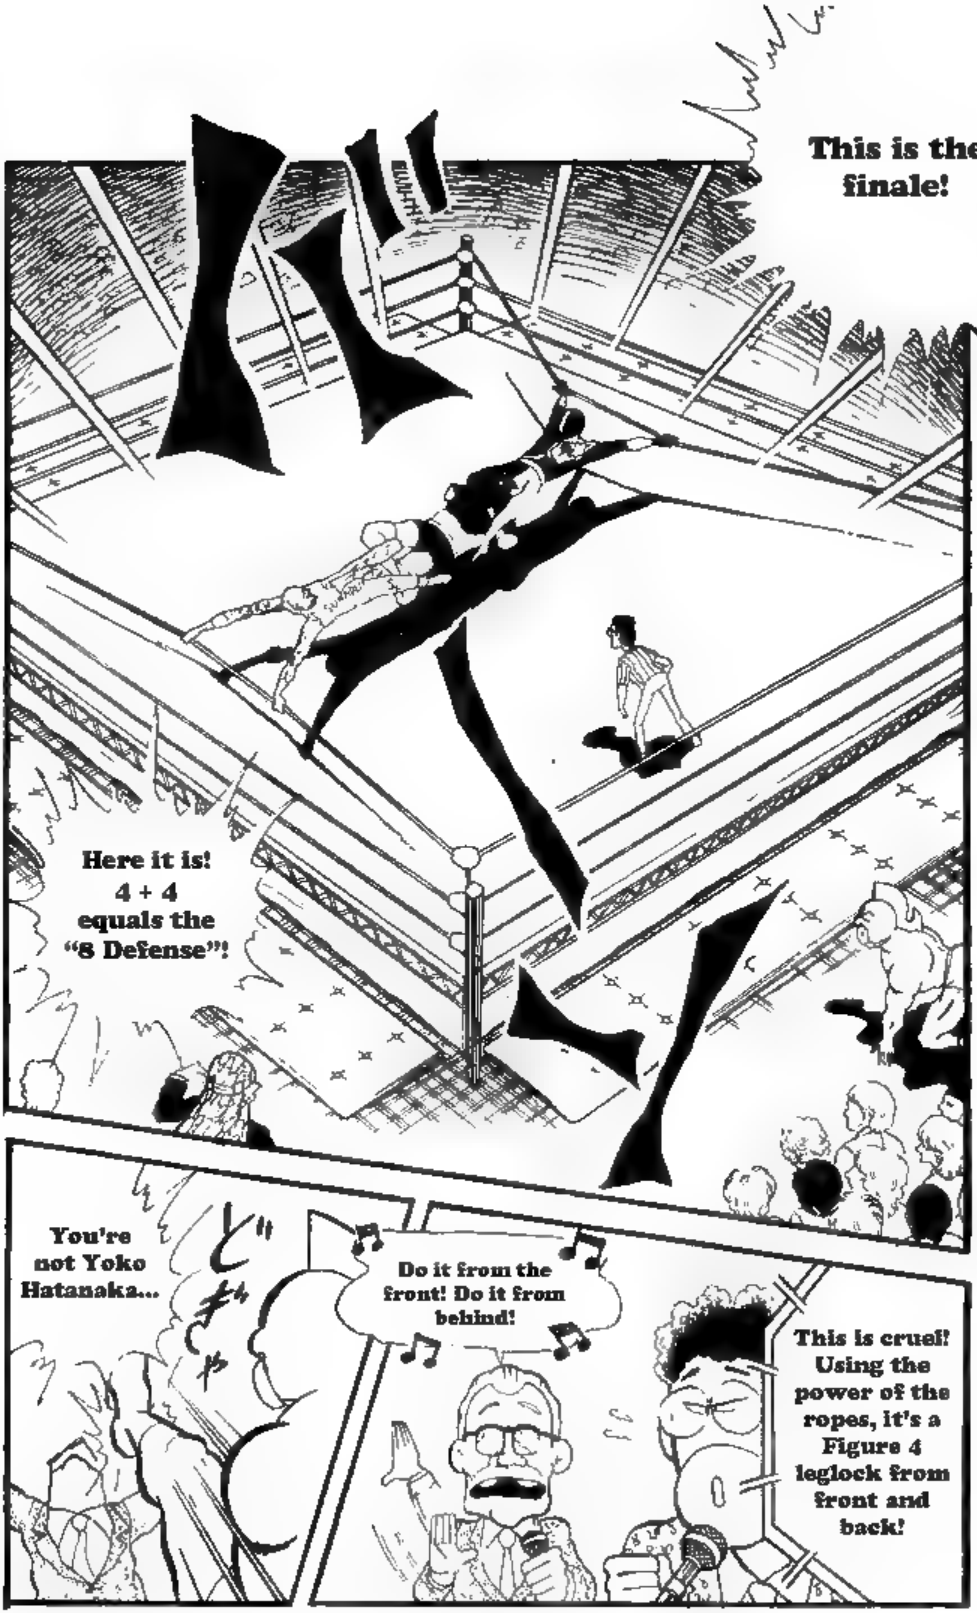
The Violent Combo are rushing in!
The referee has requested that the match be started right away!
This is unusual...
There will be no opening ceremony...



I'm your opponent!
Watch as I make this shimp disappear!
GOOOOO
Now it's your turn!
Iwao's stuck in the ceiling!
Help me!



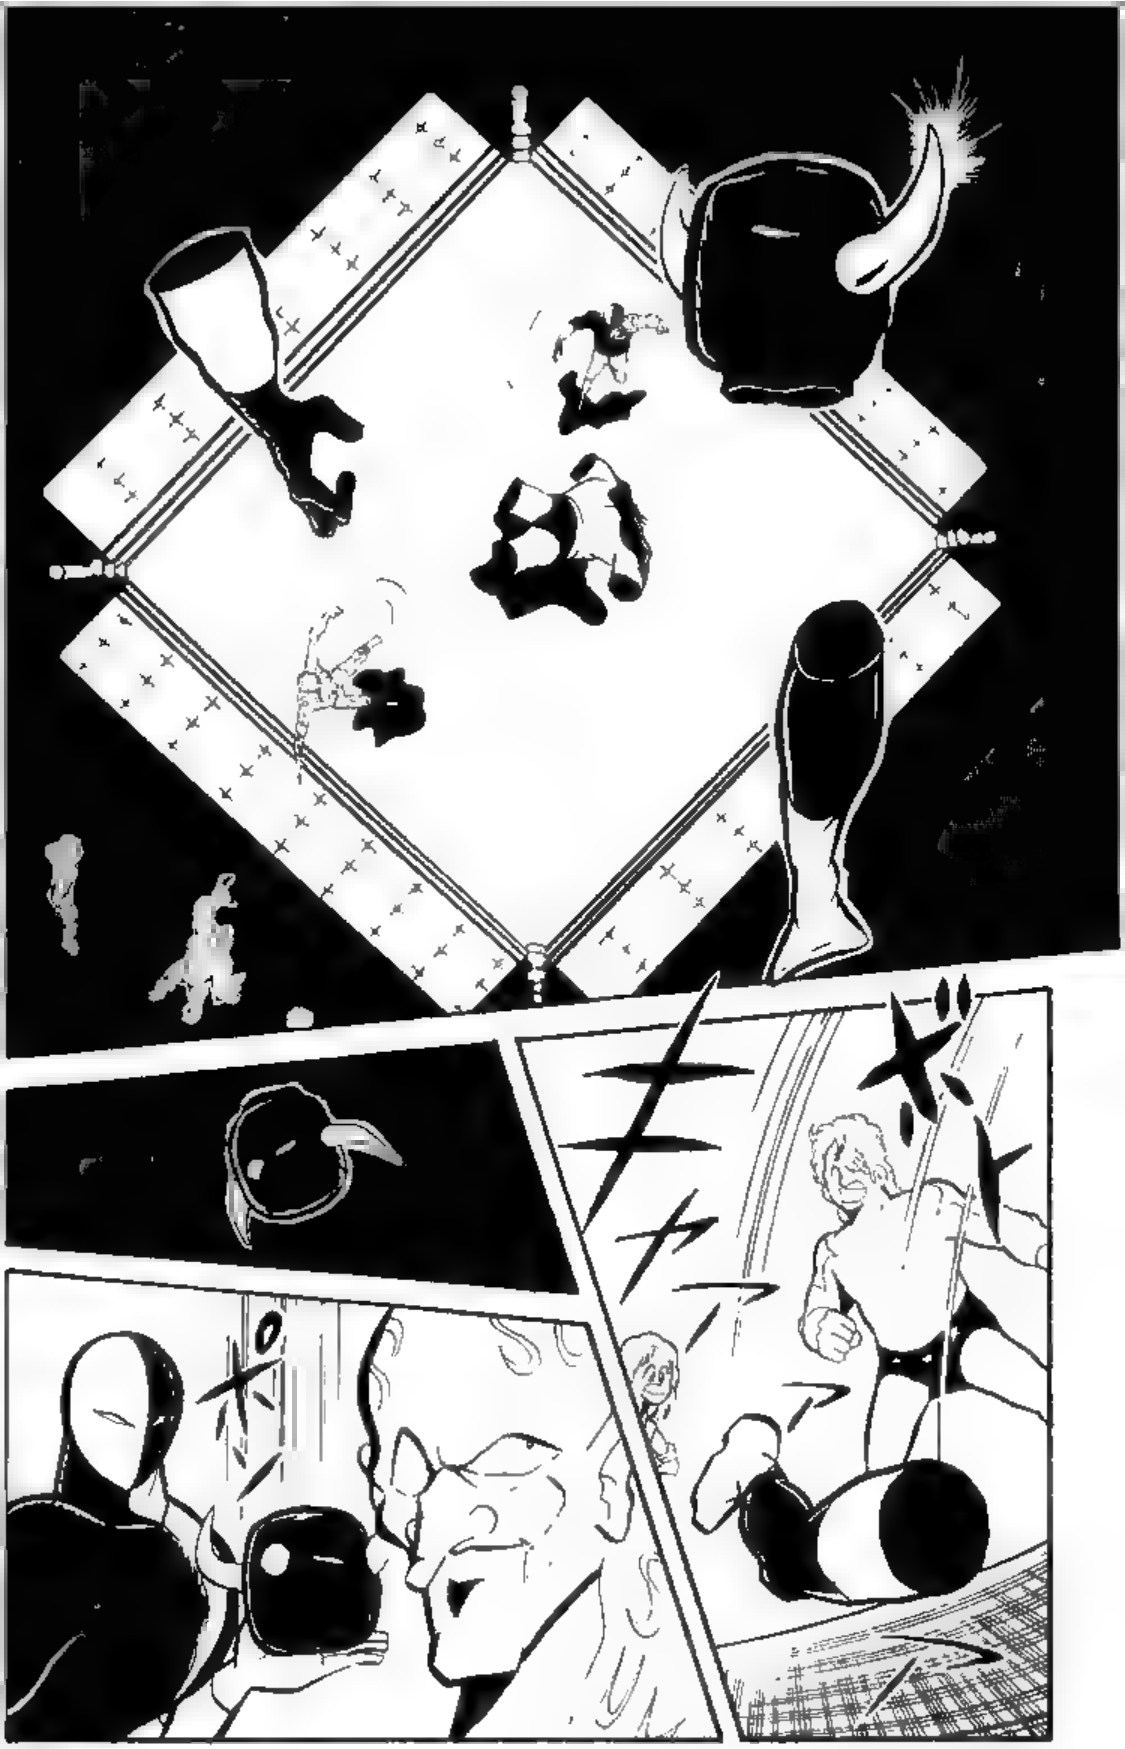
Black Shadow's arms have been torn clean off!

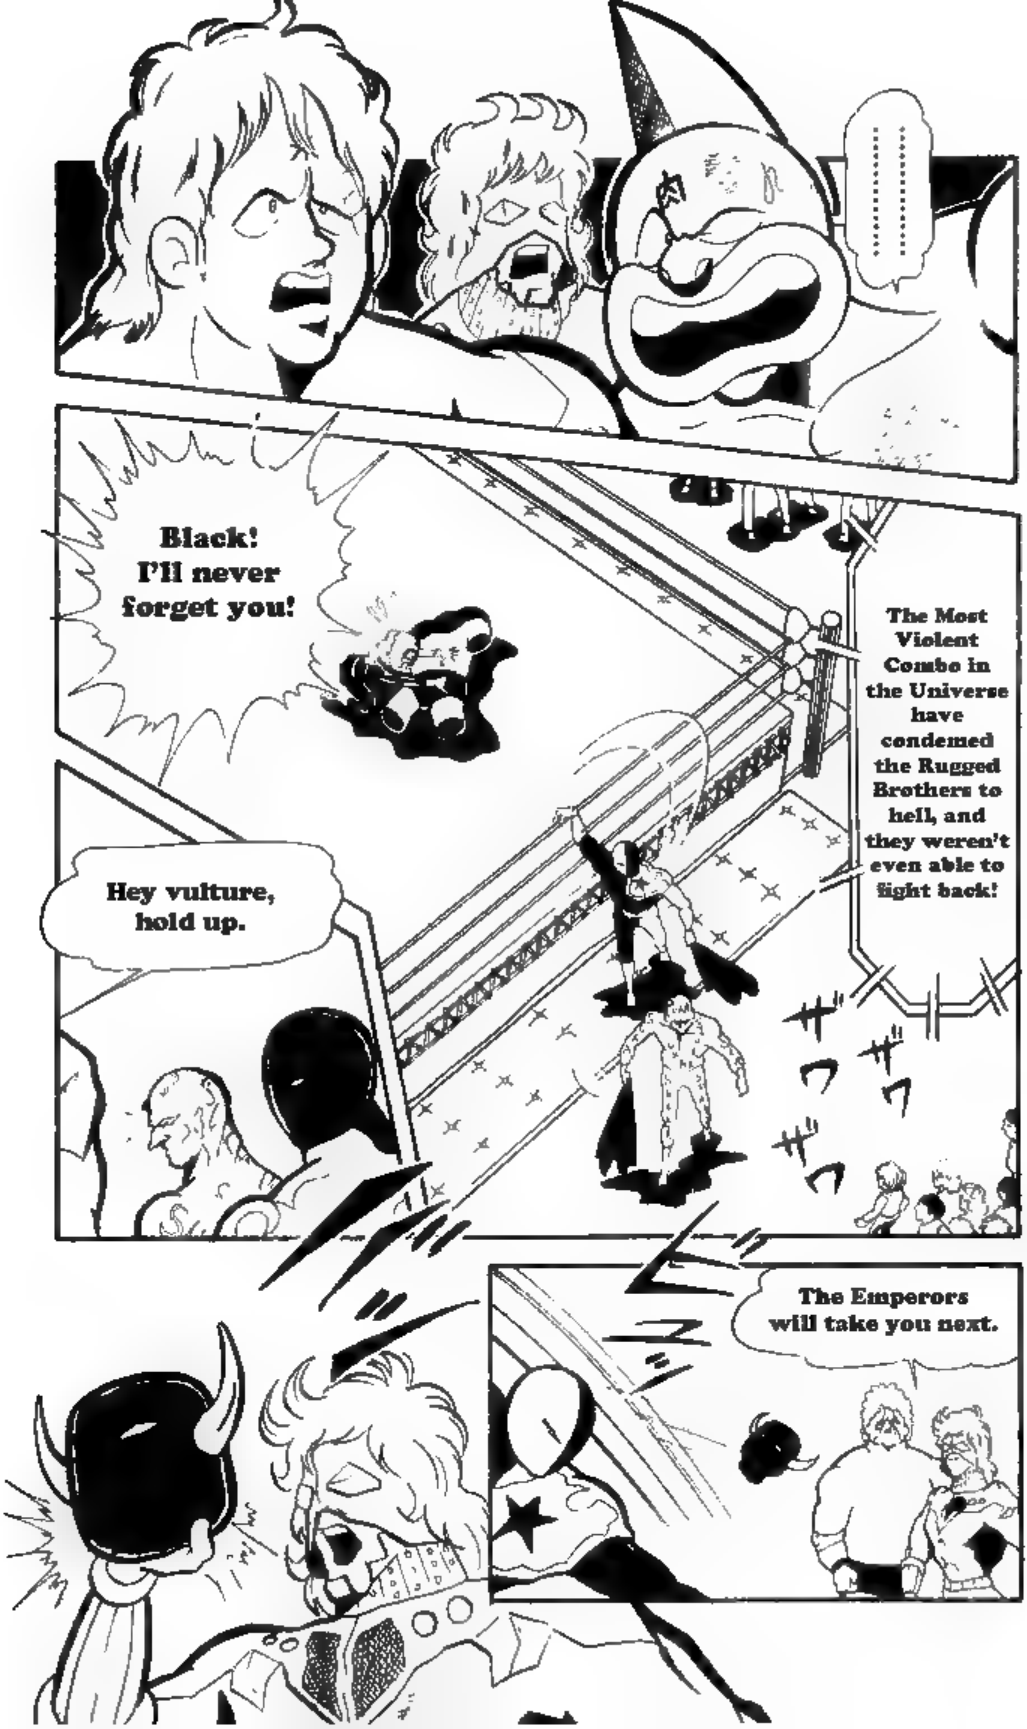


This is the finale!
Here it is! 4 + 4 equals the "8 Defense"!
You're not Yoko Hatanaka...
Do it from the front! Do it from behind!
This is cruel! Using the power of the ropes, it's a Figure 4 leglock from front and back!

Note: a Japanese singer from the 70s.

He better give up before it's too late!
Huh?
I didn't give him a mouth!
Ref, stop the match! Black Shadow gives up!
I'm sorry, I can't end the match until the players says he gives up.
あ!
AHH





.....
Black! I'll never forget you!
The Most Violent Combo in the Universe have condemed the Rugged Brothers to hell, and they weren't even able to fight back!
Hey vulture, hold up.
The Emperors will take you next.

He's a real dreamboat!
Hey, you can't deal with us THAT easily.
You'll kill the Violent Combo!

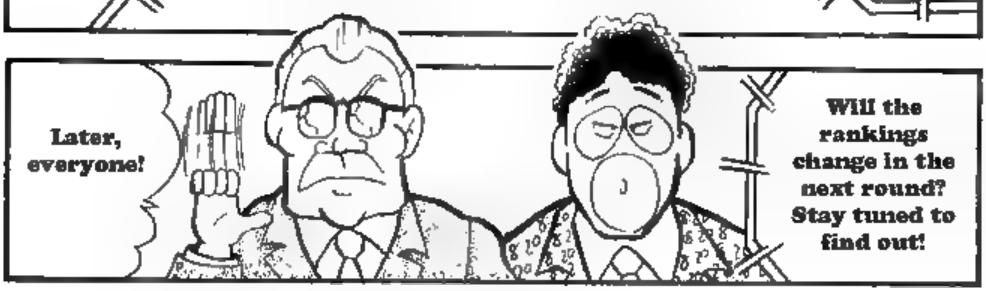
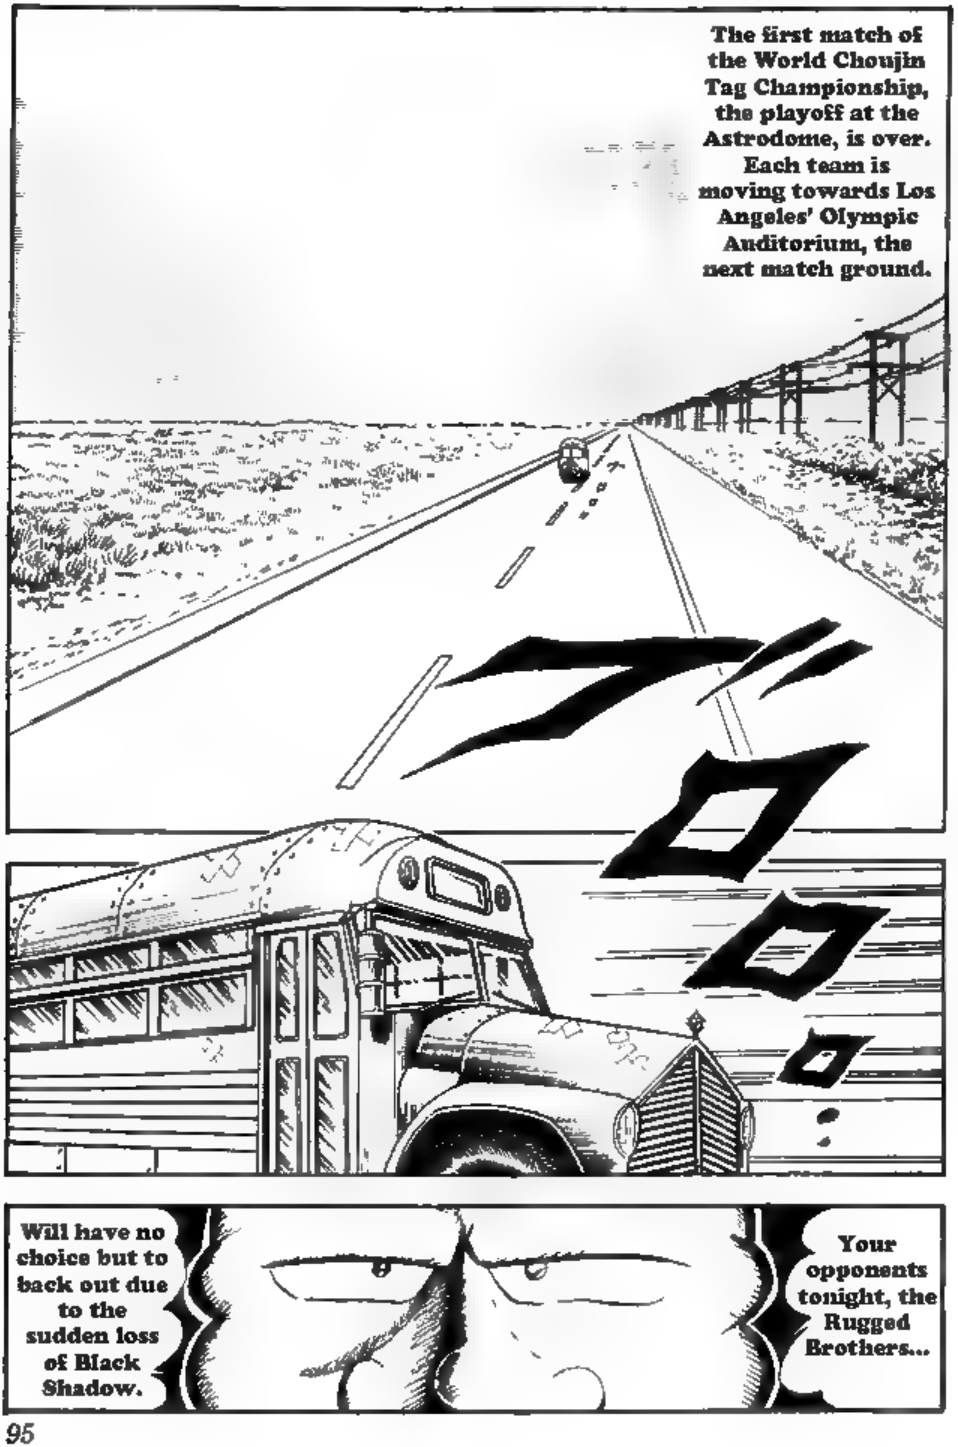
Ranking in first is the Violent Combo, followed by The Machine-guns and Emperors tied for second.

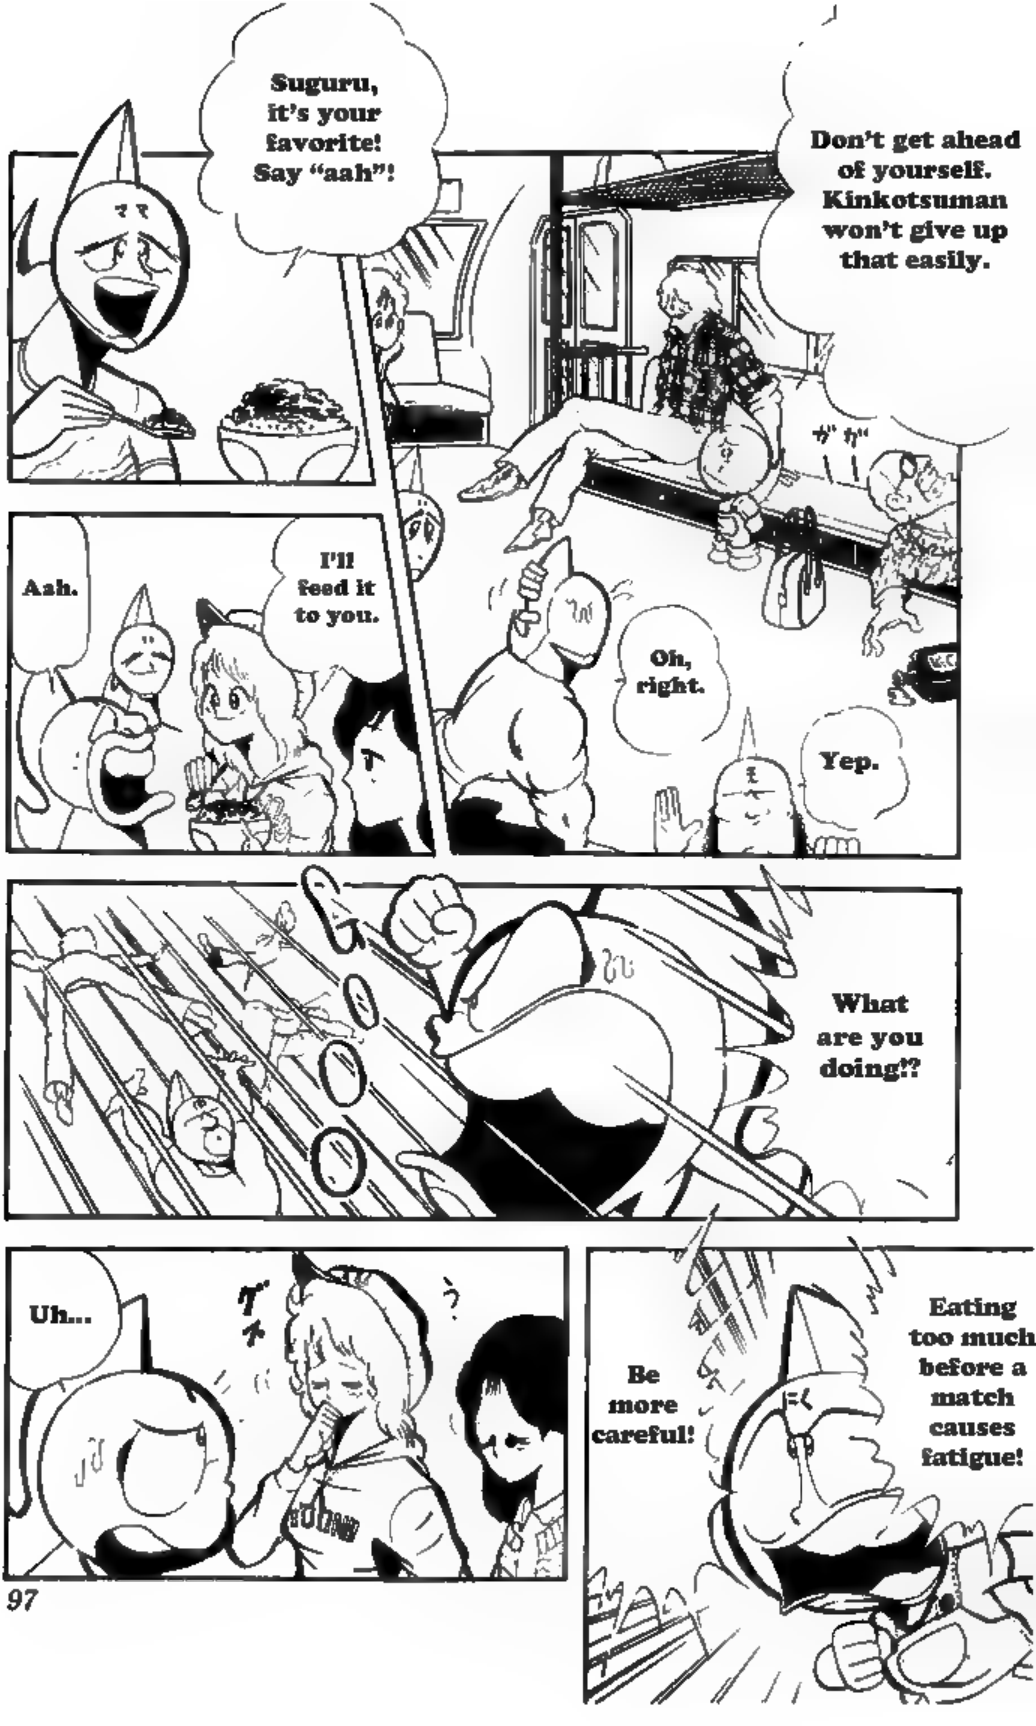


Partner Change



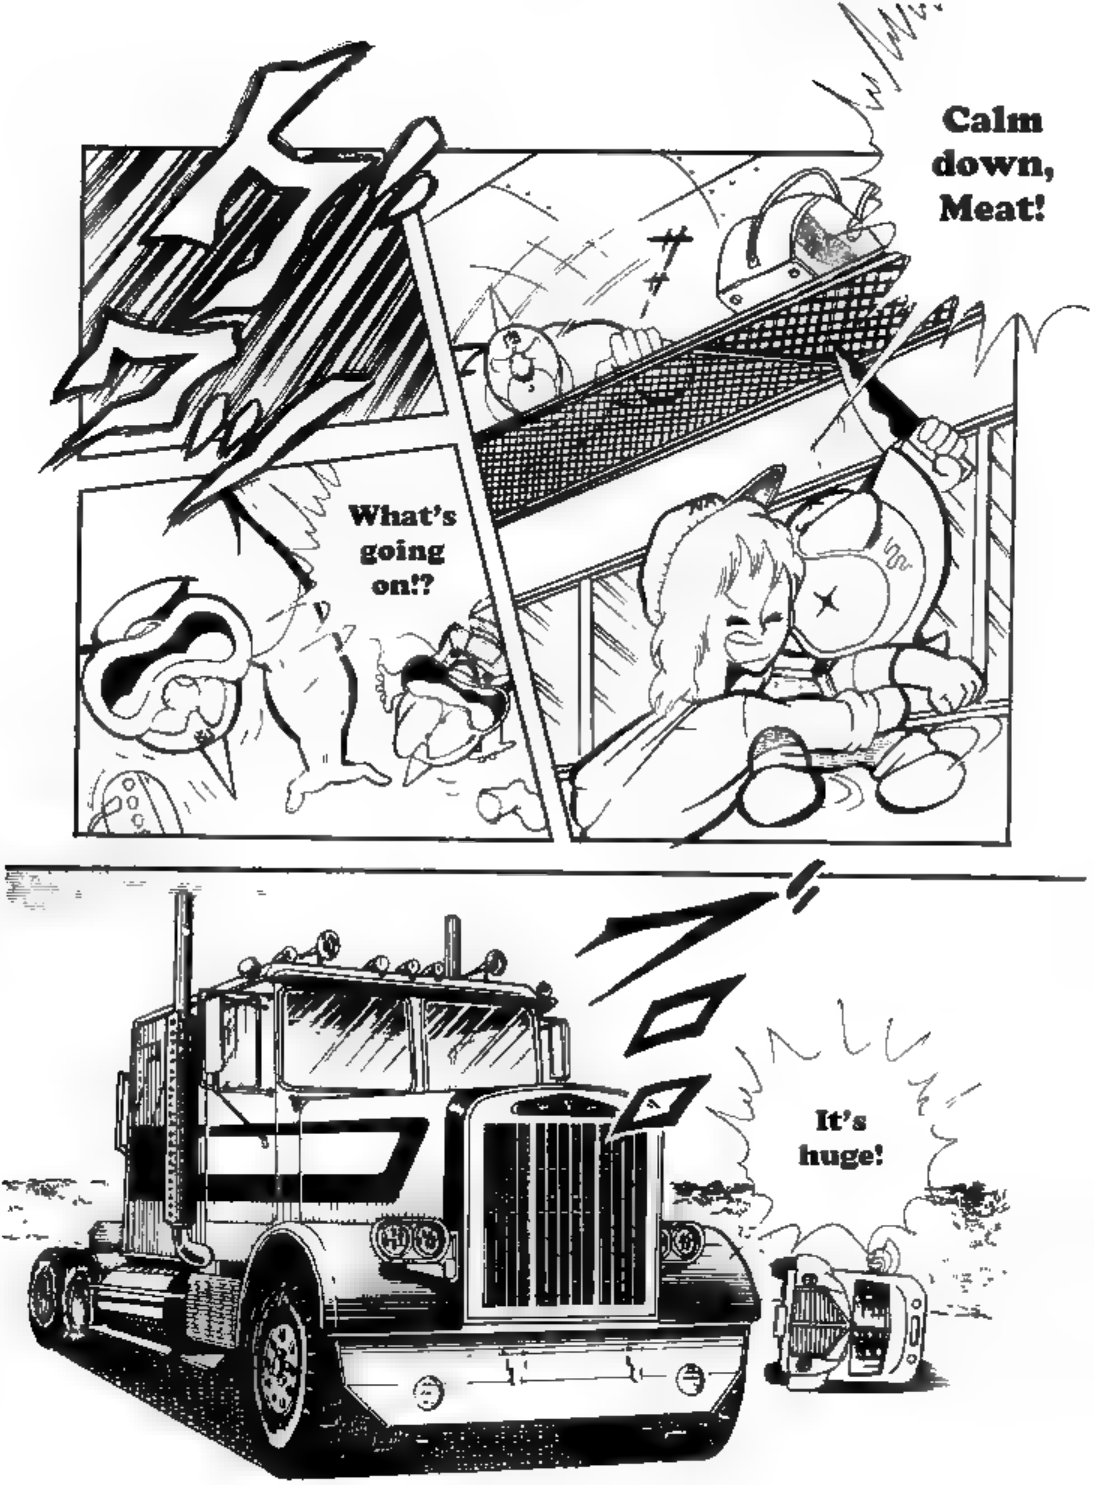
The first match of the World Choujin Tag Championship, the playoff at the Astrodome, is over. Each team is moving towards Los Angeles' Olympic Auditorium, the next match ground.
ブロロロ
Will have no choice but to back out due to the sudden loss of Black Shadow.
Your opponents tonight, the Rugged Brothers...

Therefore, The Machineguns will win by default!
Wahahah!
Wooo!
Don't get out of control!

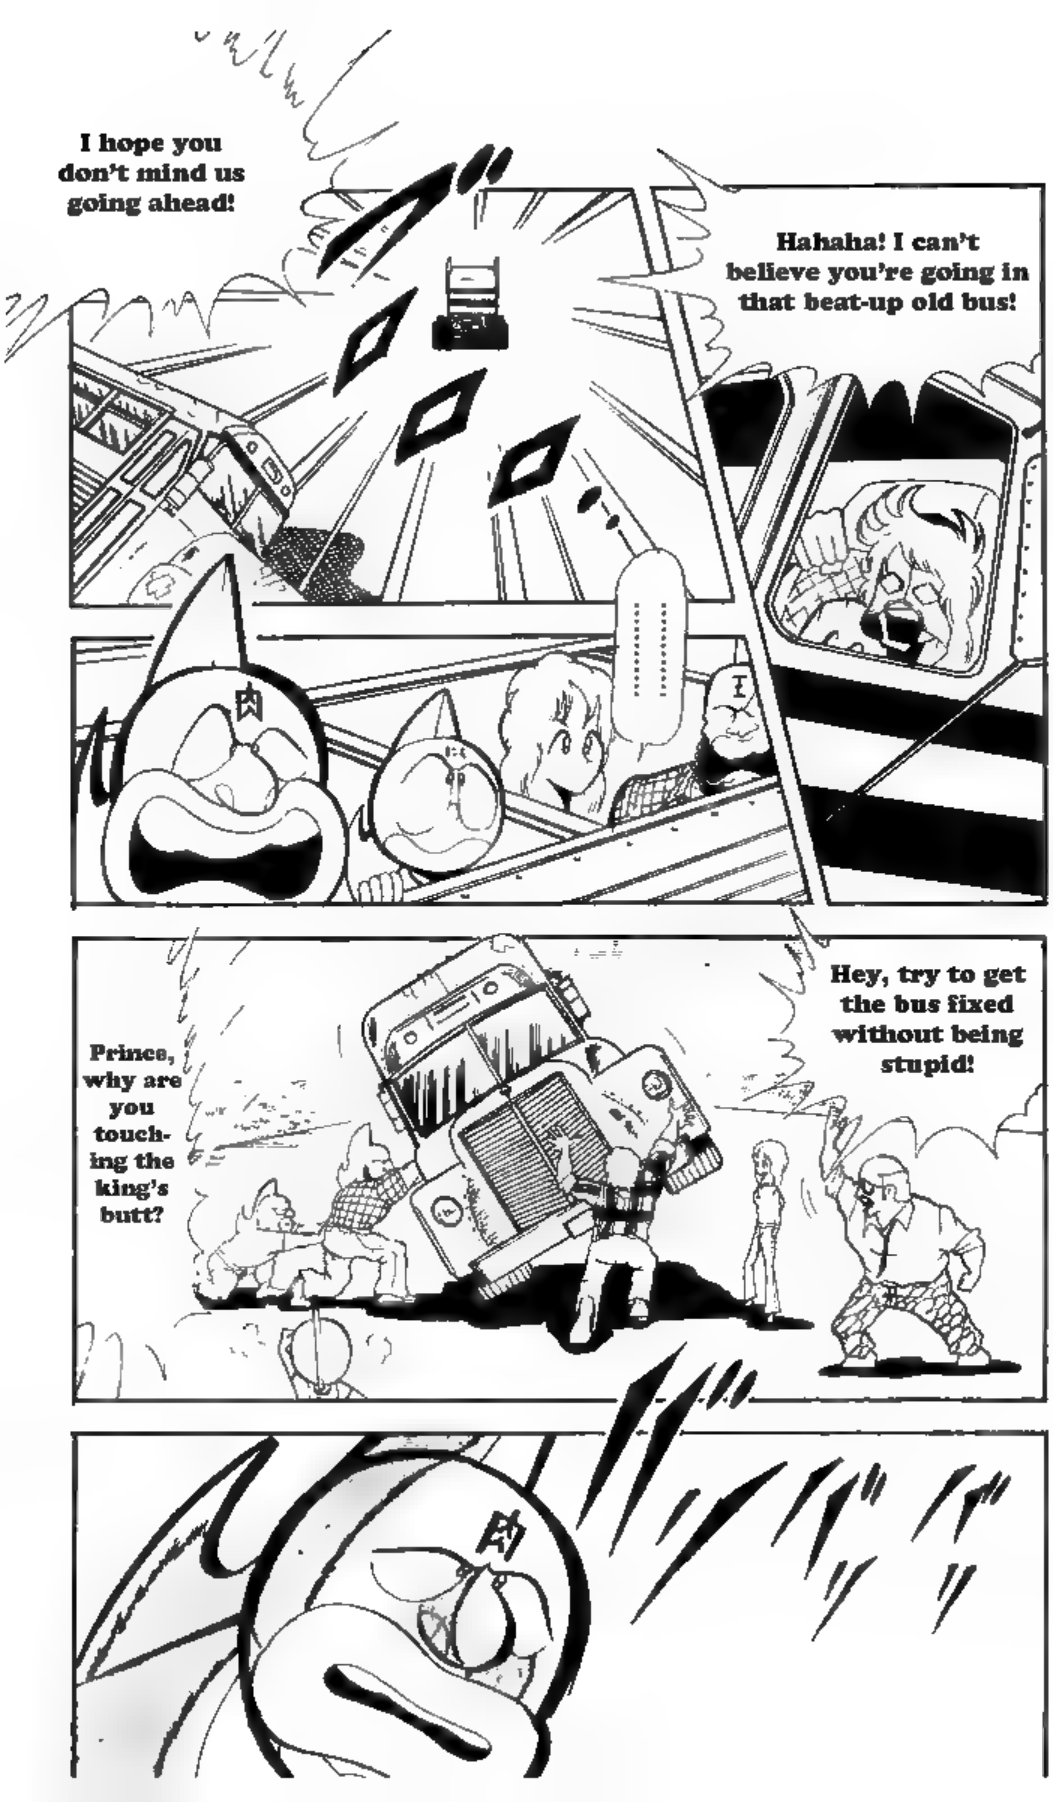


Suguru, it's your favorite! Say "aah"!
Don't get ahead of yourself. Kinkotsuman won't give up that easily.
Aah.
I'll feed it to you.
Oh, right.
Yep.
GOOO
What are you doing!?
Uh...
Be more careful!
Eating too much before a match causes fatigue!

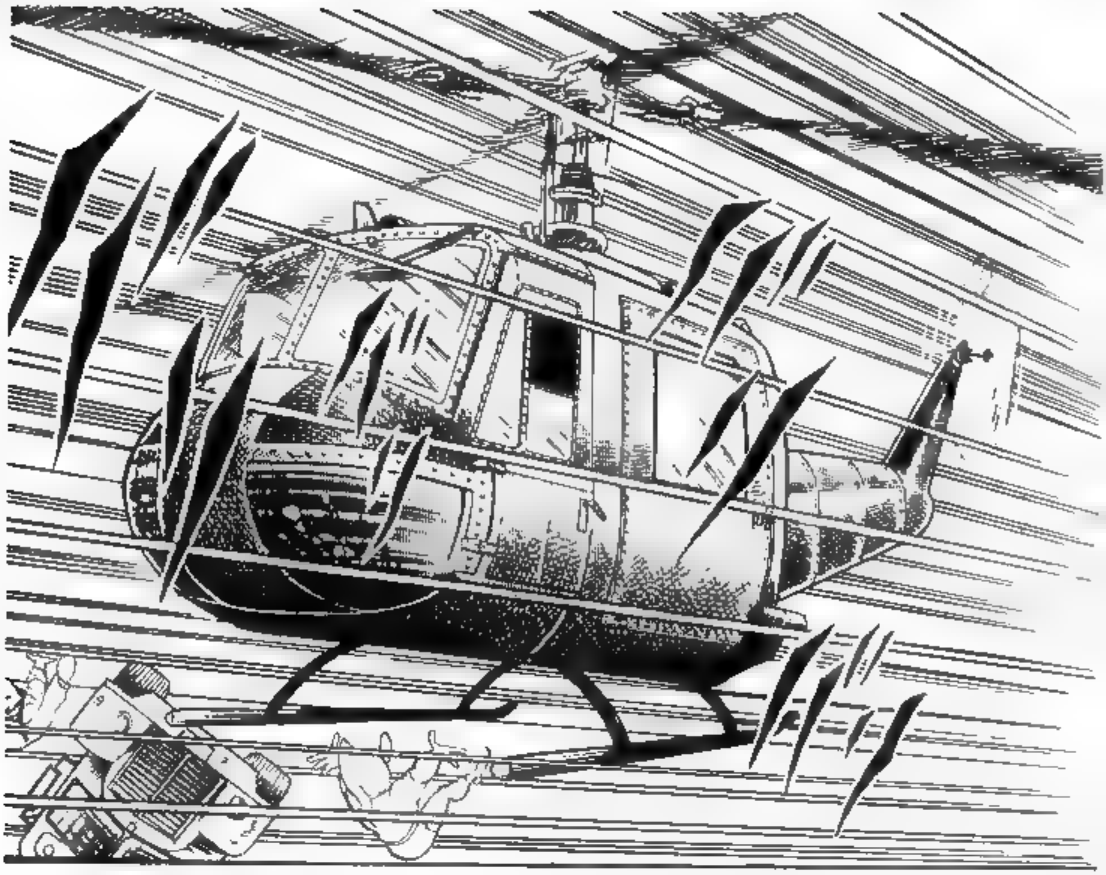
Here, come cry on my chest.
This is the first time since the manga started that you've snapped at them like that.
Stop it!
My glasses cracked. I think it's a sign of things to come...
What kind of feeling?
Still, I have this bad feeling...
Trust me. I felt the same way this morning with I couldn't use the bathroom.
It's nothing.

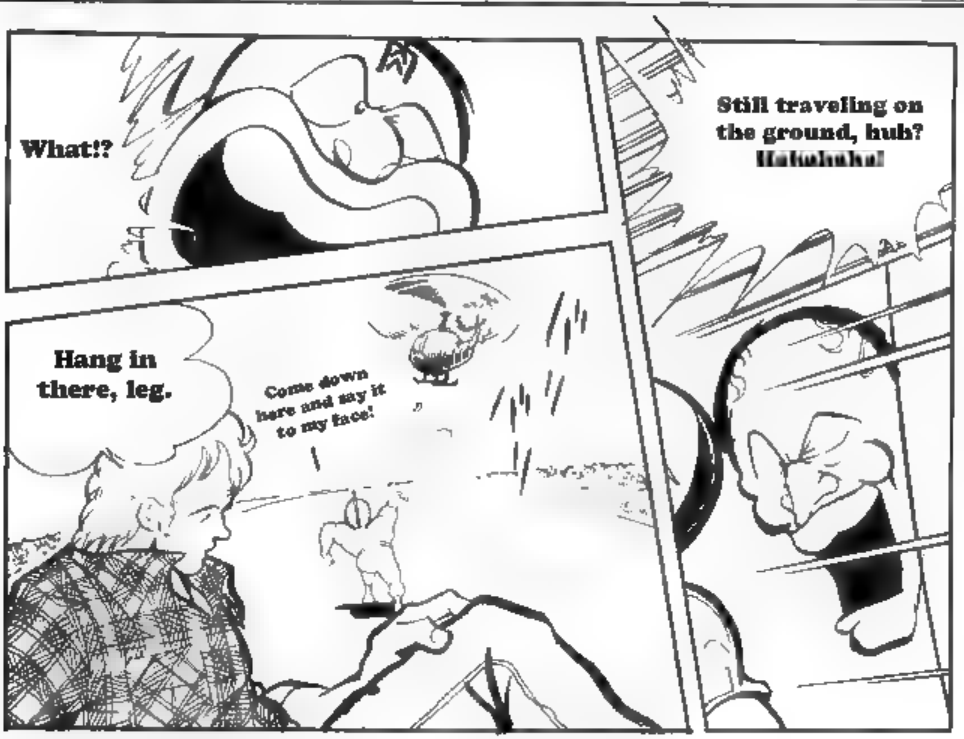


Calm down, Meat!
What's going on!?
It's huge!



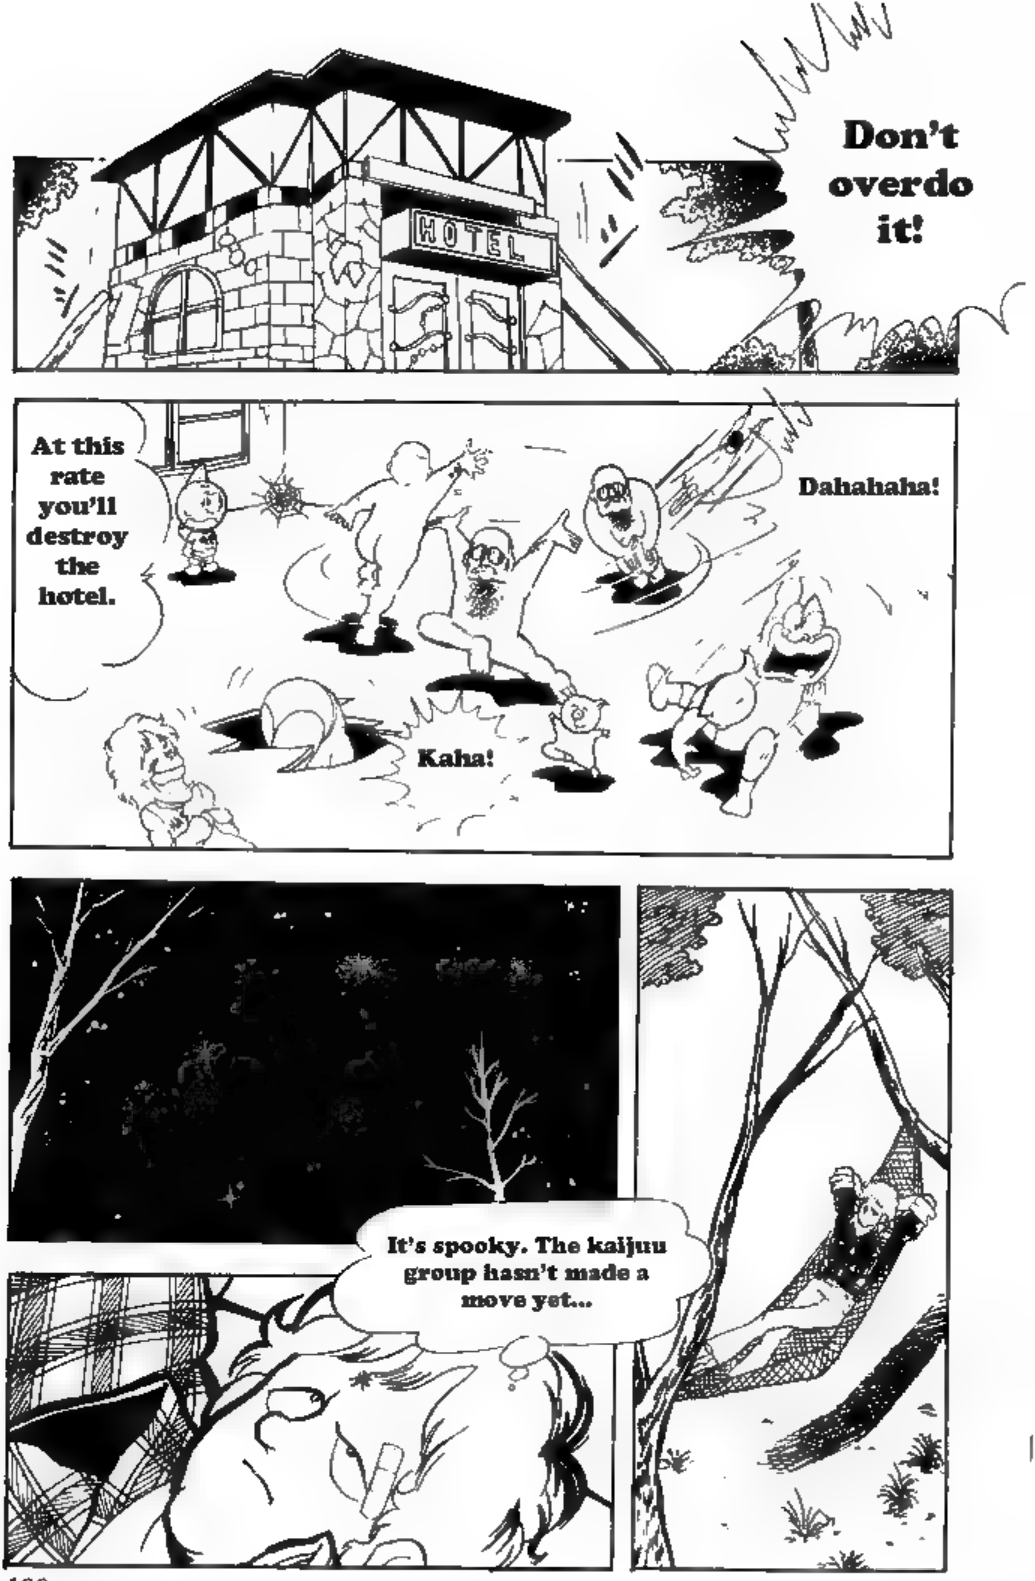
I hope you don't mind us going ahead!
Hahaha! I can't believe you're going in that beat-up old bus!
Prince, why are you touching the king's butt?
Hey, try to get the bus fixed without being stupid!



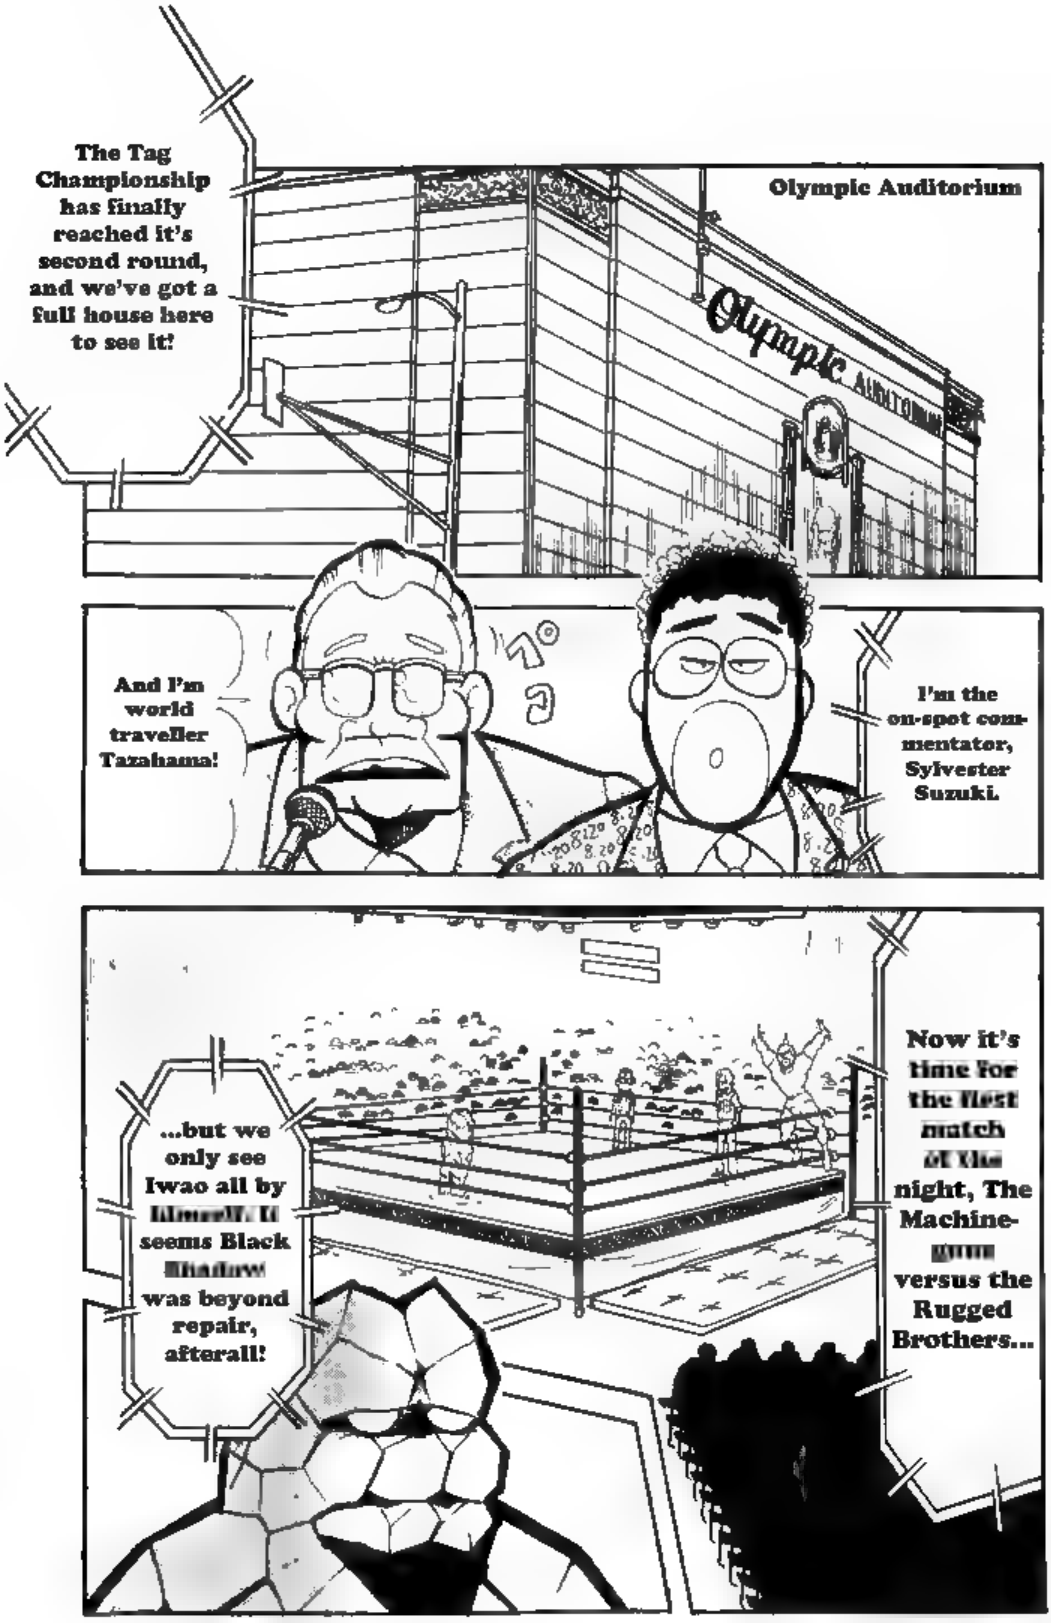


What!?
Still traveling on the ground, huh? Hahahaha!
Hang in there, leg.
Come down here and say it to my face!

The Violent Combo are the main threats in this competetion. If they win this match, we'll lose our shot at control over America.
Yes, Ma'am.
Rhodes and Steamboat, I still haven't forgiven you for screwing up the last match.
Los Angeles Boneventure Hotel (WSC lodging)
Hey Skull, how about getting some sleep before the match tommorow...
Century Plaza (WSF lodging)
Another 10,000 Hindu squats!
The Emperors are the team that I want to defeat most. If you want to sleep, do it yourself.

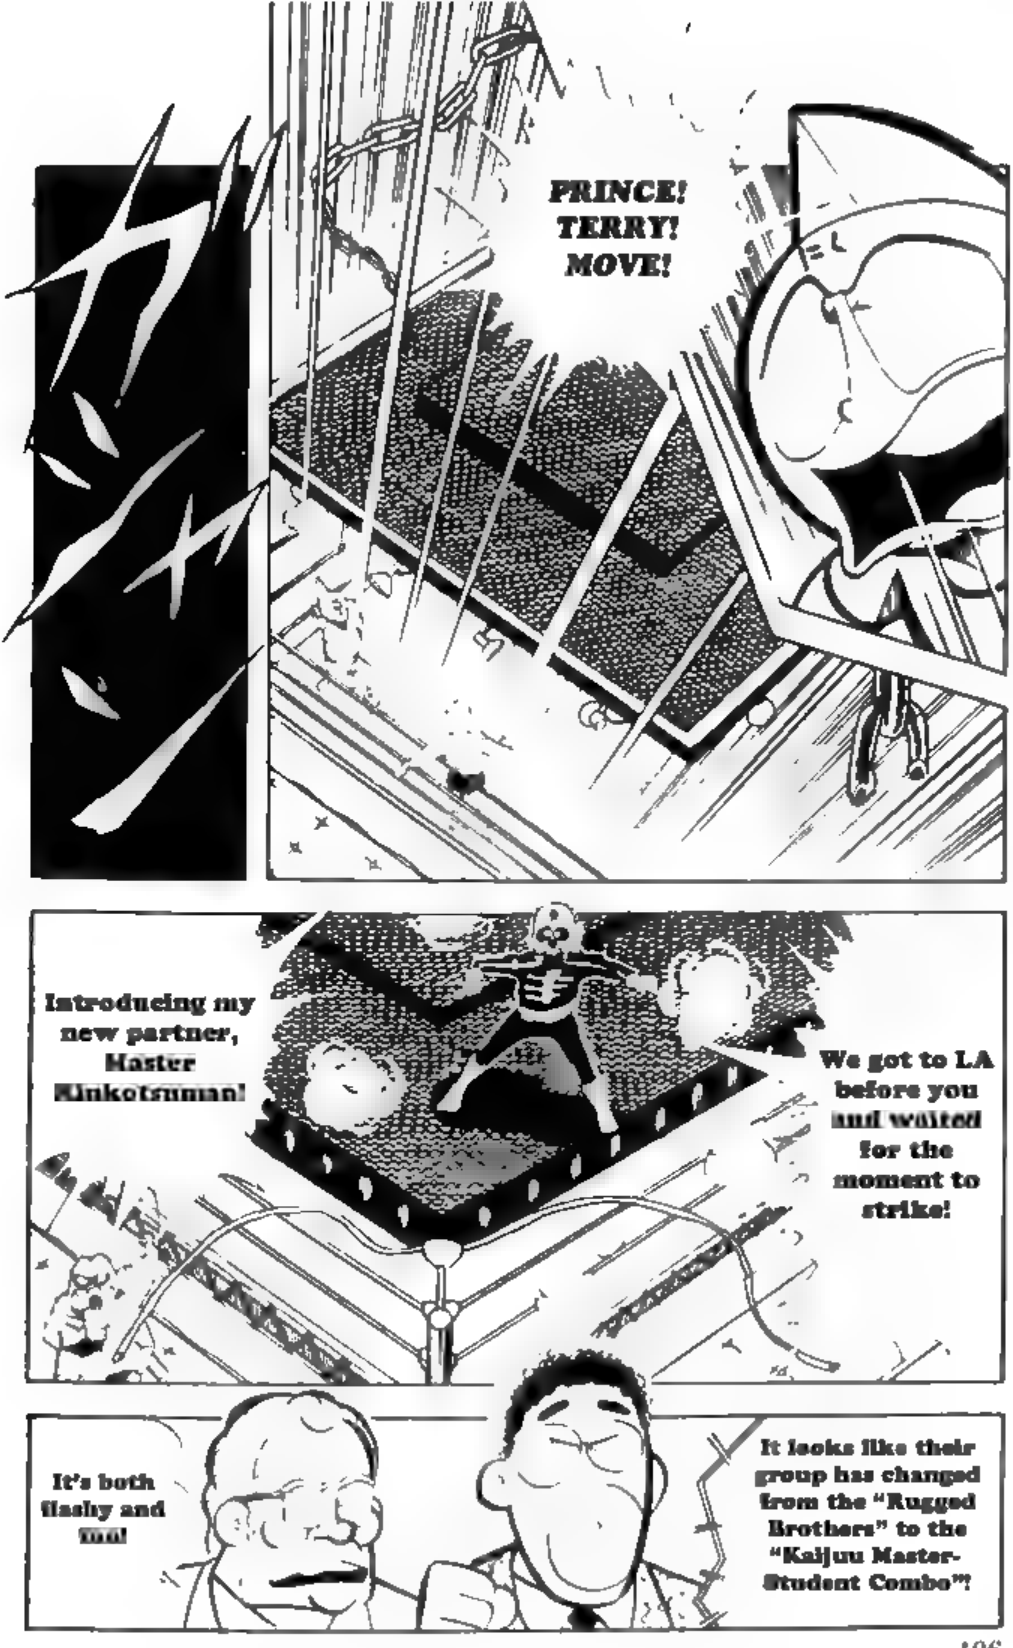


HOTEL
Don't overdo it!
At this rate you'll destroy the hotel.
Dahahaha!
Kaha!
It's spooky. The kaijuu group hasn't made a move yet...



The Tag Championship has finally reached it's second round, and we've got a full house here to see it!
Olympic Auditorium
Olympic Auditorium
And I'm world traveller Tazahama!
I'm the on-spot commentator, Sylvester Suzuki.
...but we only see Iwao all by himself. It seems Black Shadow was beyond repair, afterall!
Now it's time for the first match of the night, The Machine-gun versus the Rugged Brothers...

わはは
Victory by default!
Ha! It takes two people to be a tag team!
You say that, but you're clearly standing here alone. You don't seem to be trying to break the rules, and they say you need a partner.
I know, stupid.
WHAT!?
My partner will be here shortly.



PRINCE!
TERRY!
MOVE!
Introducing my new partner, Master Minkotsuman!
We got to LA before you and waited for the moment to strike!
It's both flashy and tacky!
It looks like their group has changed from the "Rugged Brothers" to the "Kaijuu Master-Student Combo"!

Their chairman is over there.

Uhyo-hoho! We've won!
This match isn't over, yet!
Those two sure don't seem to care.

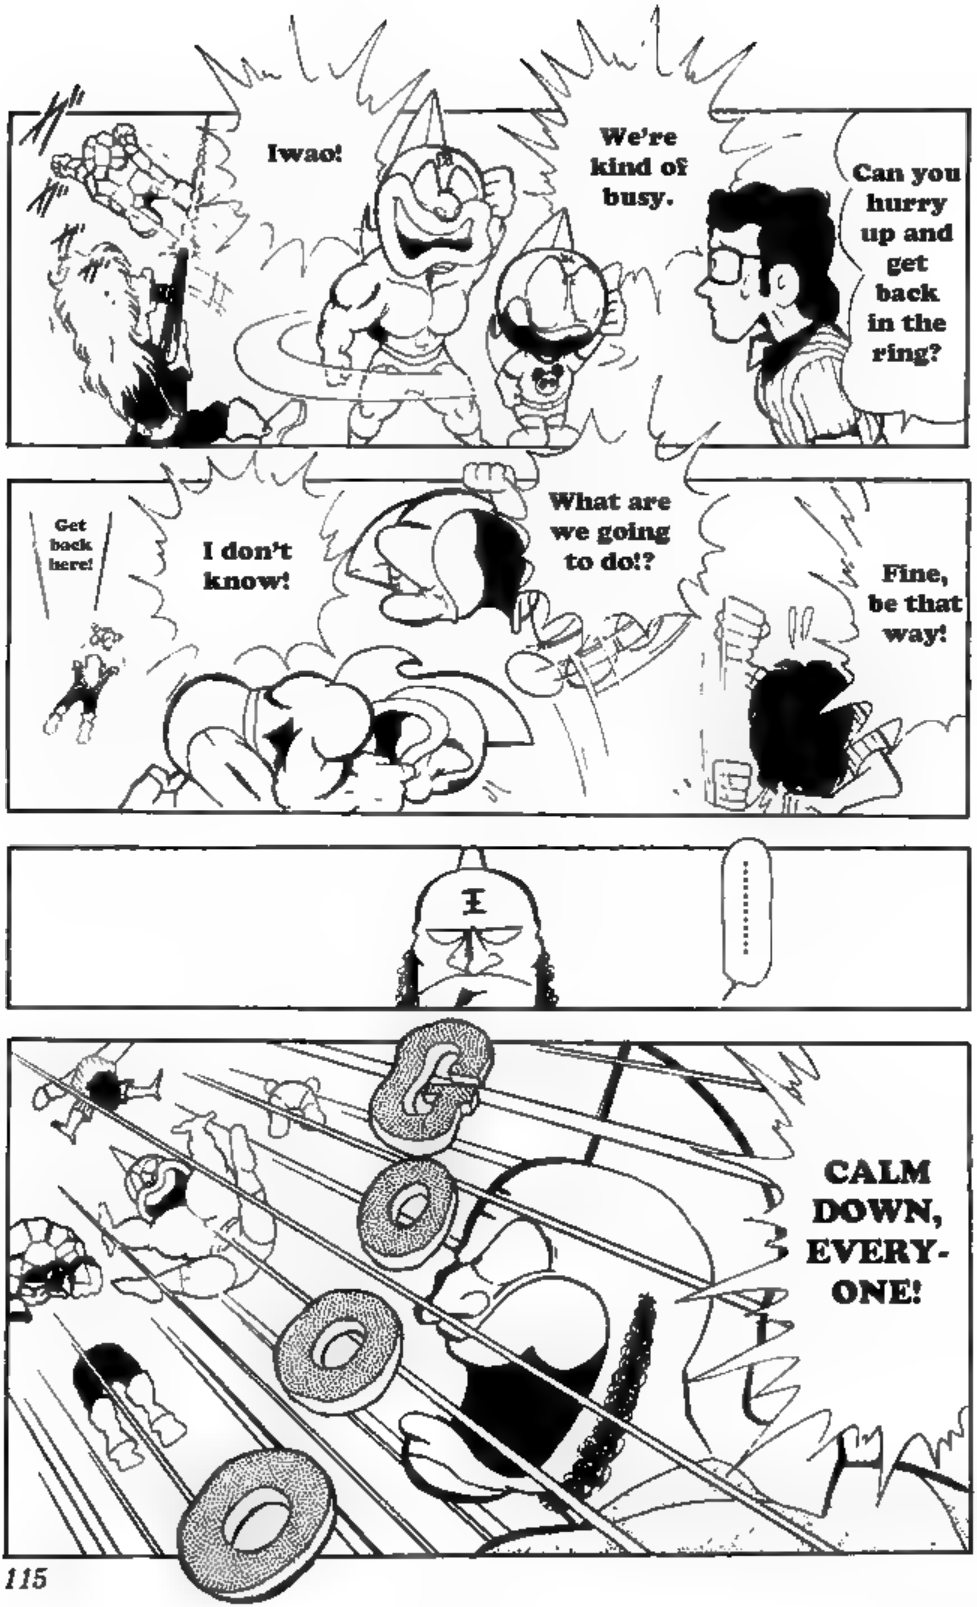
Something's wrong with his leg?
I told you to stop.
That must mean...
There.
I had no choice!
Prince, you shouldn't have knocked out Terry-man.
Stop yelling at me!
Now you have no partner!



Iwao!
We're kind of busy.
Can you hurry up and get back in the ring?
Get back here!
I don't know!
What are we going to do!?
Fine, be that way!

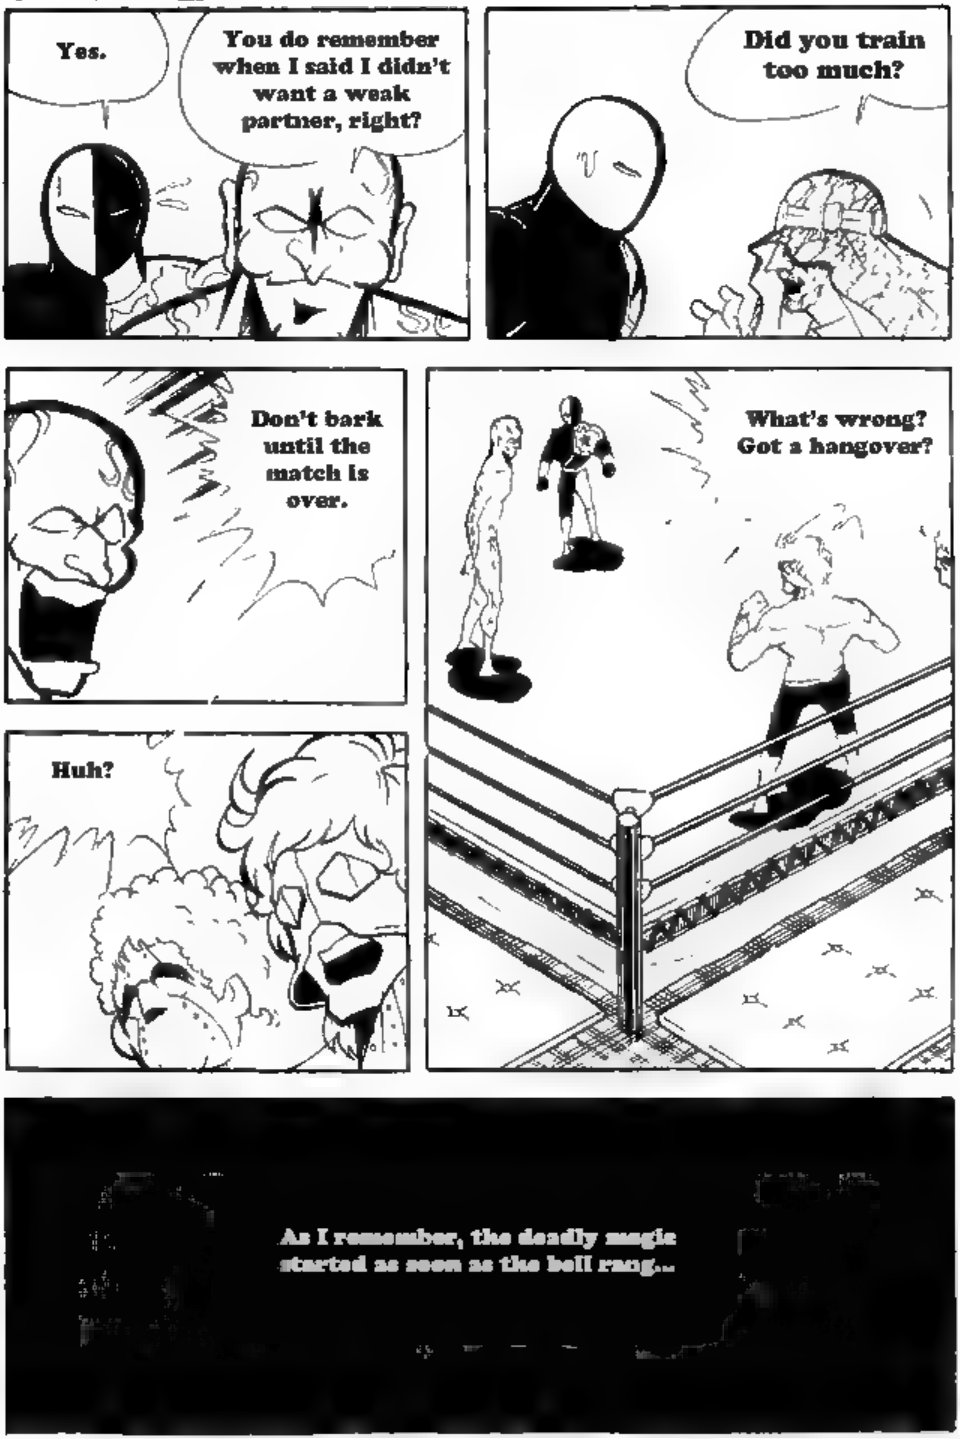
Yuck, isn't this Beethoven's Funeral March?
They're like inmates walking down death row!
How many?

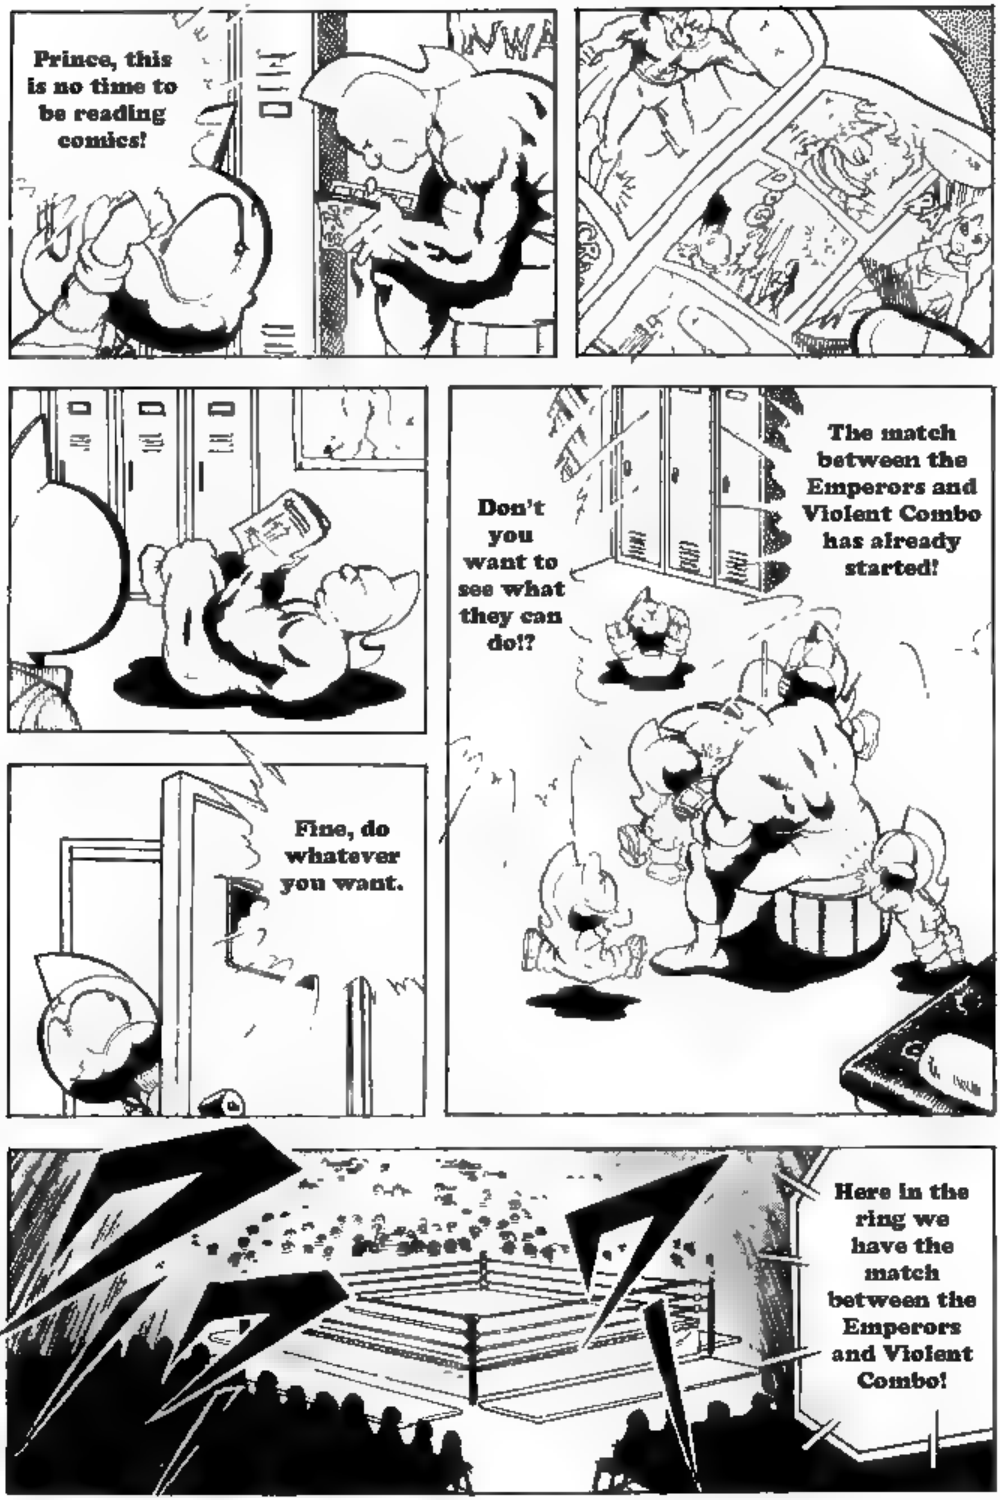
Hm?
Now, from the red corner, it's the Emperors!
RHODES
You can do it, Rhodes!
Alright, Steamboat!
Yay!
What's wrong, Magician?



Yes.
You do remember when I said I didn't want a weak partner, right?
Did you train too much?
Don't bark until the match is over.
What's wrong? Got a hangover?
Huh?
As I remember, the deadly magic started as soon as the bell rang...

The Bloody Retire

A Team Kinniku Release



Prince, this is no time to be reading comics!
Don't you want to see what they can do!?
The match between the Emperors and Violent Combo has already started!

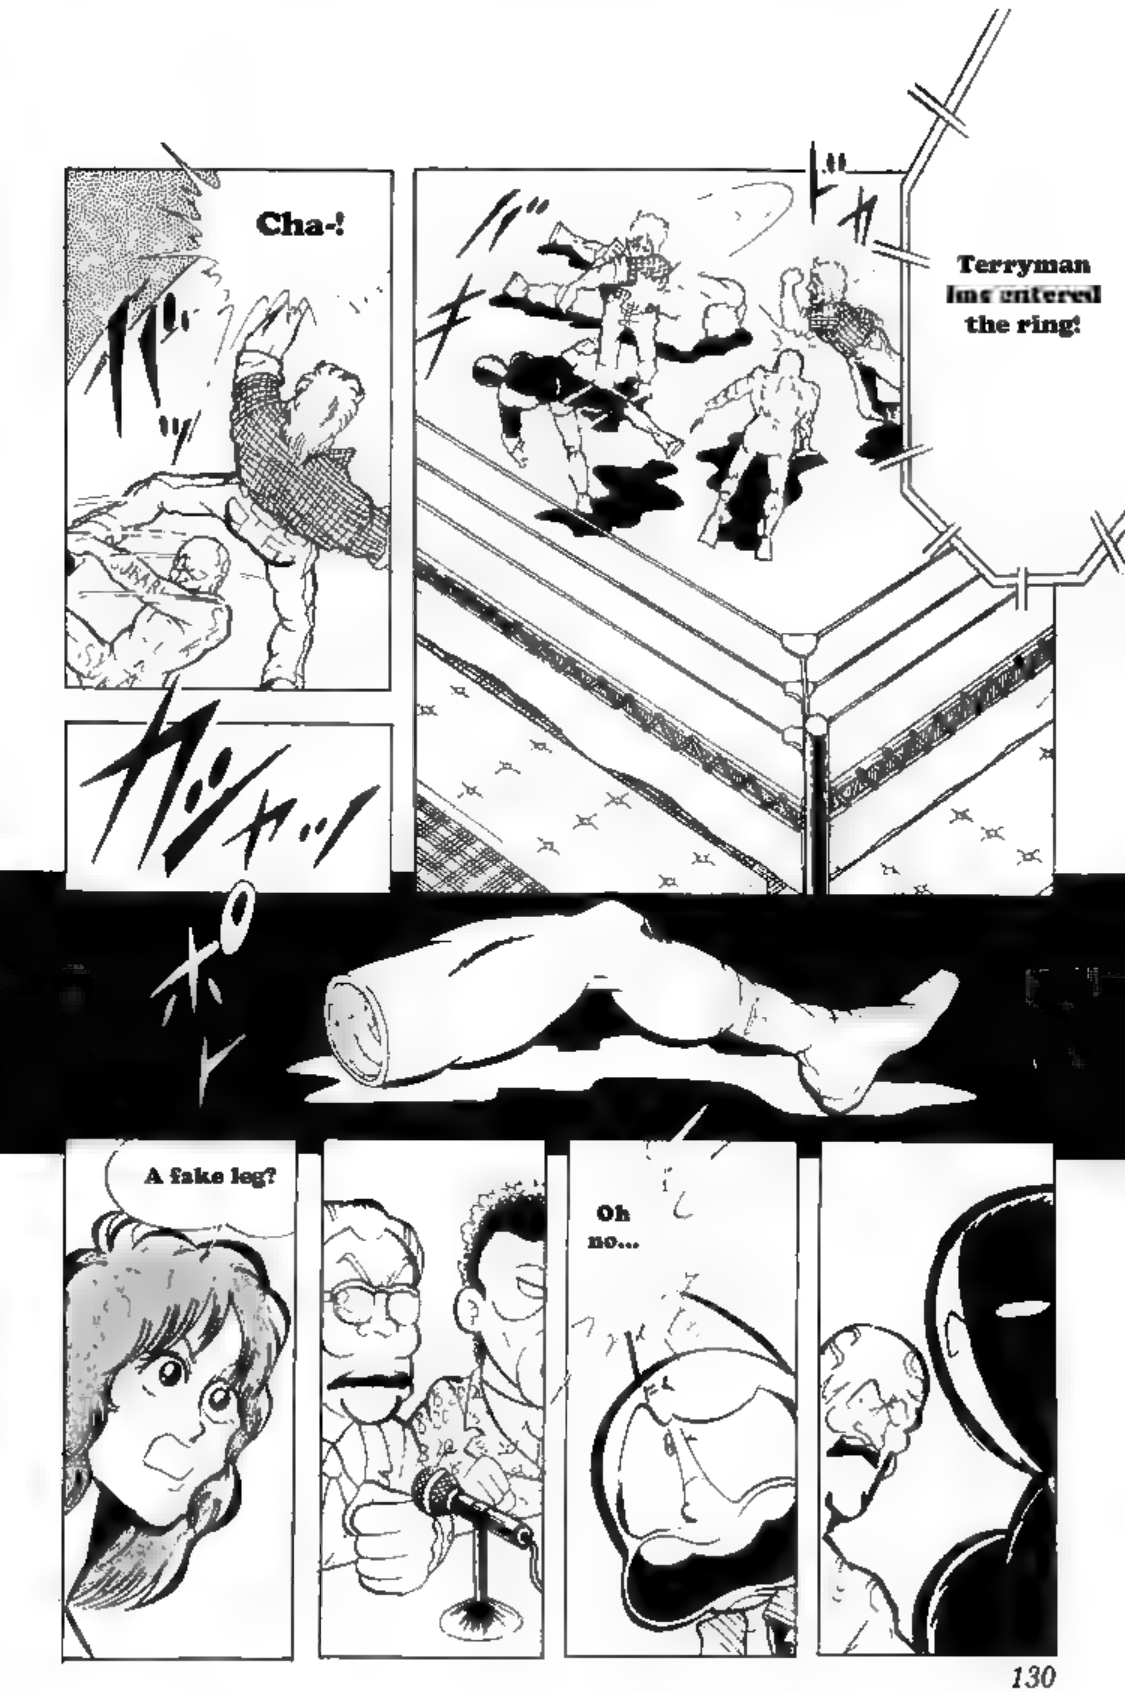
Hahaha! You've done well!
The Emperors give up, while the Violent Combo keep attacking.
They need to be punished!
STOP!



Cha-!
Terryman has entered the ring!
A fake leg?
Oh no...

Terry!
What happened to punishing us?
Terryman's leg has been torn off!
Leave him alone!

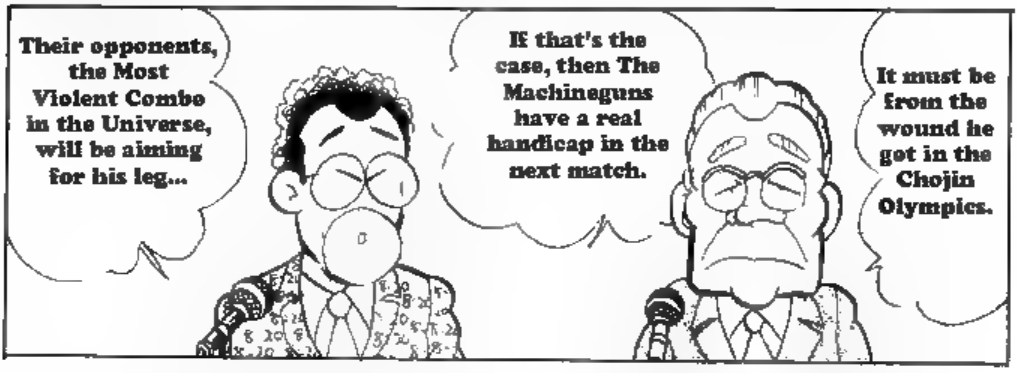
Skull... Boku and De... Devil Magician...
Uuh...
Meat! Terry!
Those creeps!



Their opponents, the Most Violent Combo in the Universe, will be aiming for his leg...
If that's the case, then The Machineguns have a real handicap in the next match.
It must be from the wound he got in the Chojin Olympics.

Following them with 3 points are The Machineguns!

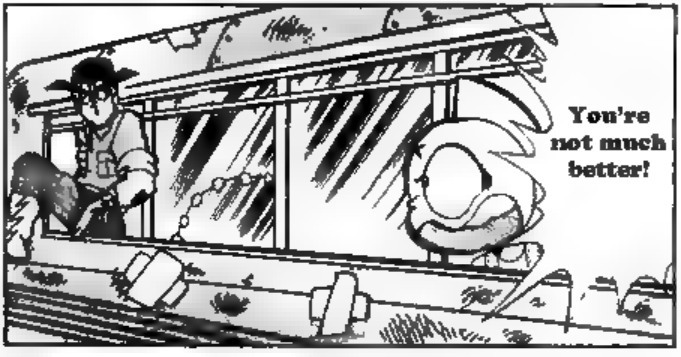
Devil!
Ah!
It's The Machine-guns!
Great.
We've finally made it to the stadium.
Okay everyone, we're here!

It would be easier if you got off one at a time!
Hey, get off me!

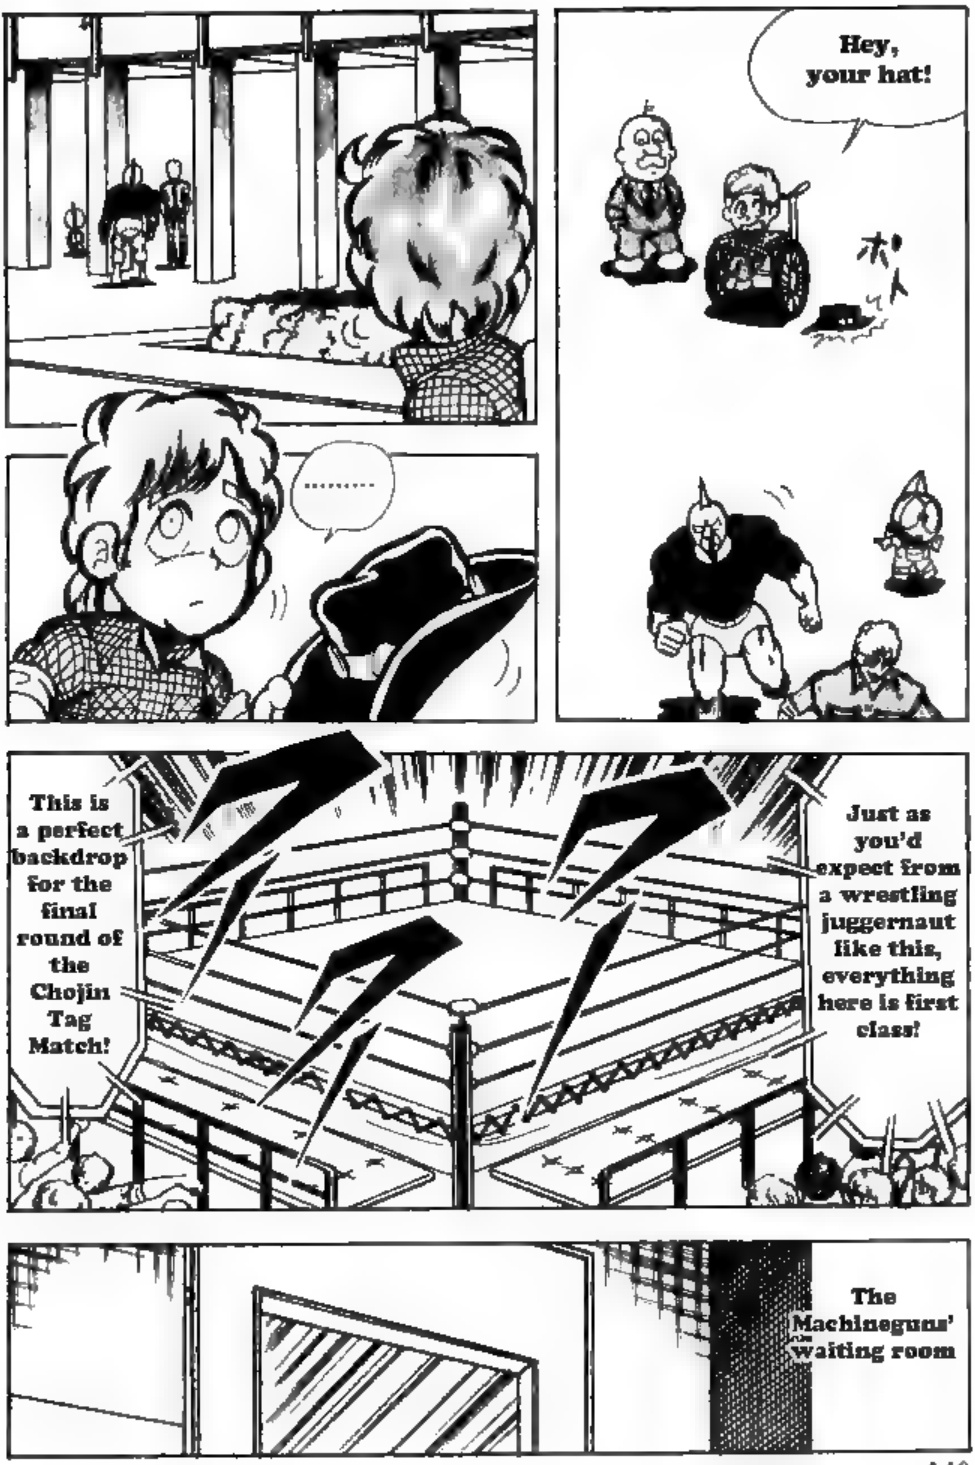
Terry-man!



You're not much better!

Let's go, Kinnikuman.
Not even one?

Give it up. Everyone has already decided that we have no chance of winning.
Hey, where are our fans?



Hey, your hat!

This is a perfect backdrop for the final round of the Chojin Tag Match!
Just as you'd expect from a wrestling juggernaut like this, everything here is first class!
The Machineguns' waiting room

They're awful.
The condition of the Emperors after facing the Violent Combo has taken a turn for the worst.

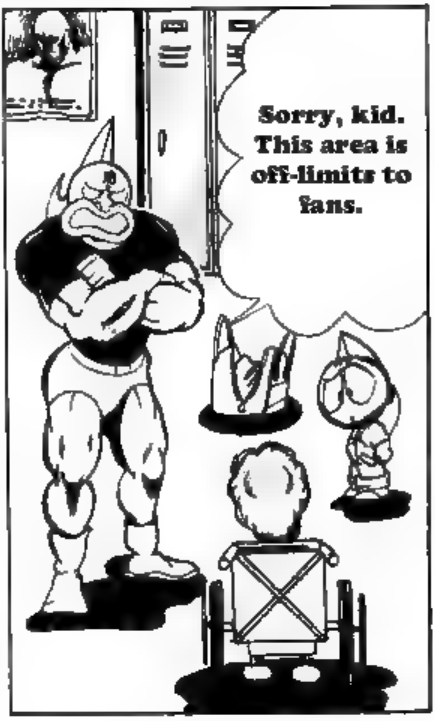
This is hopeless! My leg can't handle this!
Terryman!
I have nothing to do with that!
What will happen to the World Supermen Association!?
PRINCE!
...have the right idea.

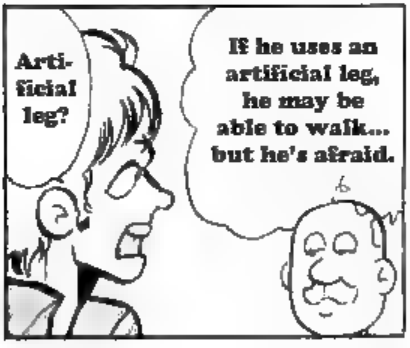
ガチャ

He's a special case.
I'm sorry.

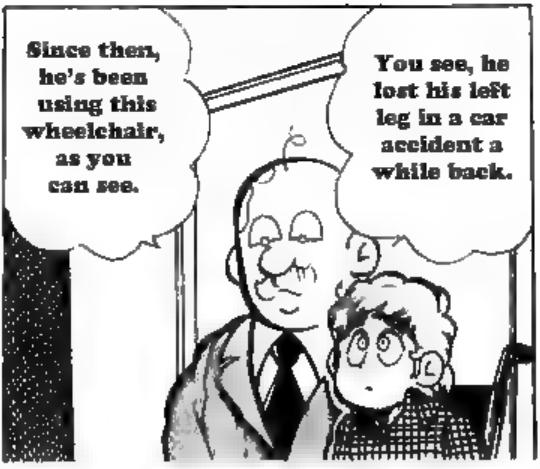


Sorry, kid. This area is off-limits to fans.

He wanted to come and speak to Terryman before the match.



Artificial leg?
If he uses an artificial leg, he may be able to walk... but he's afraid.



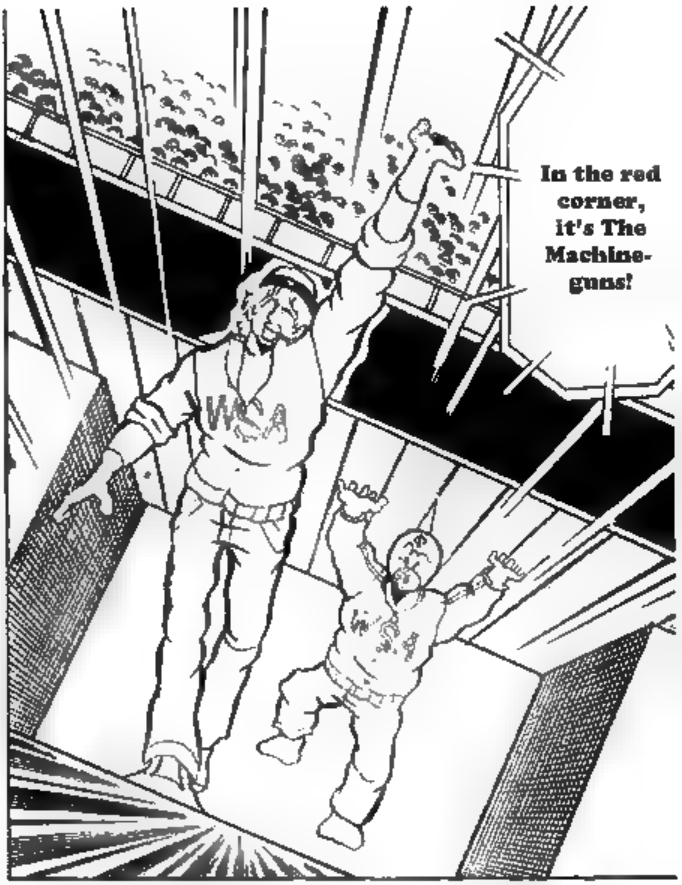
Since then, he's been using this wheelchair, as you can see.
You see, he lost his left leg in a car accident a while back.

...he started learning how to walk with it.
However, after he saw your match in LA...
He was afraid since he'd been relying on the wheelchair for so long.
肉
Just like me...
You can do it, even if you only have one leg!
Terry-man!

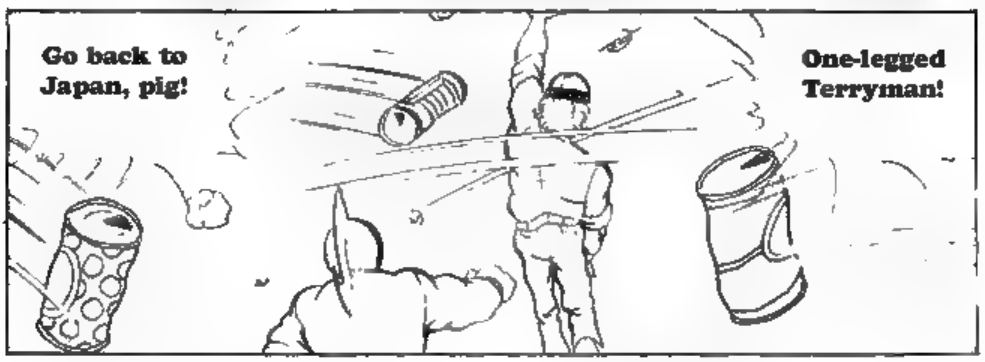
I wasn't afraid!
Really?
That's great, kid!
Of course, I won't be afraid, either!
Really? Wow, that's a first.
Come on, remember when I was packing my bags? I was really preparing for the match!
Kinniku-man, prepare for the match!

Hang in there, leg...
You dropped this...
Consider it my way of saying thanks.
Thank you!
It's yours now, boy.
Right! Let's do it!

The Violent Combo is waiting in the ring.



In the red corner, it's The Machine-guns!



Go back to Japan, pig!

PRINCE! TERRY-MAN!
Let's finish this!
The Machine-guns have been hit by his trump card!
What are you doing?
If you're going to fight violently, do it without weapons.

If you don't believe me, buy volumes 3 + 4!
That's advertising!
Of course.
Ramenman, as a violent chojin himself, has some rather harsh things to say.
Although he's a violent chojin, he never brings dangerous weapons into the ring.
What are you doing!?
My eyes are never wrong!
What!?
Let me see your left shoulder.

Good work, Ramen-man!
An excellent call by the violent chojin expert, Ramenman!
Uwa!
It looks like the big one wants to go last.
There's the gong, and it looks like Skull Bozu is up first!
He'll be fine, Robby.
Terry!

It's Skull Bozu's Deadly Hedgehog move!

Terryman's out of the ring, and now his focus has shifted to the knocked-out Kinnikuman!

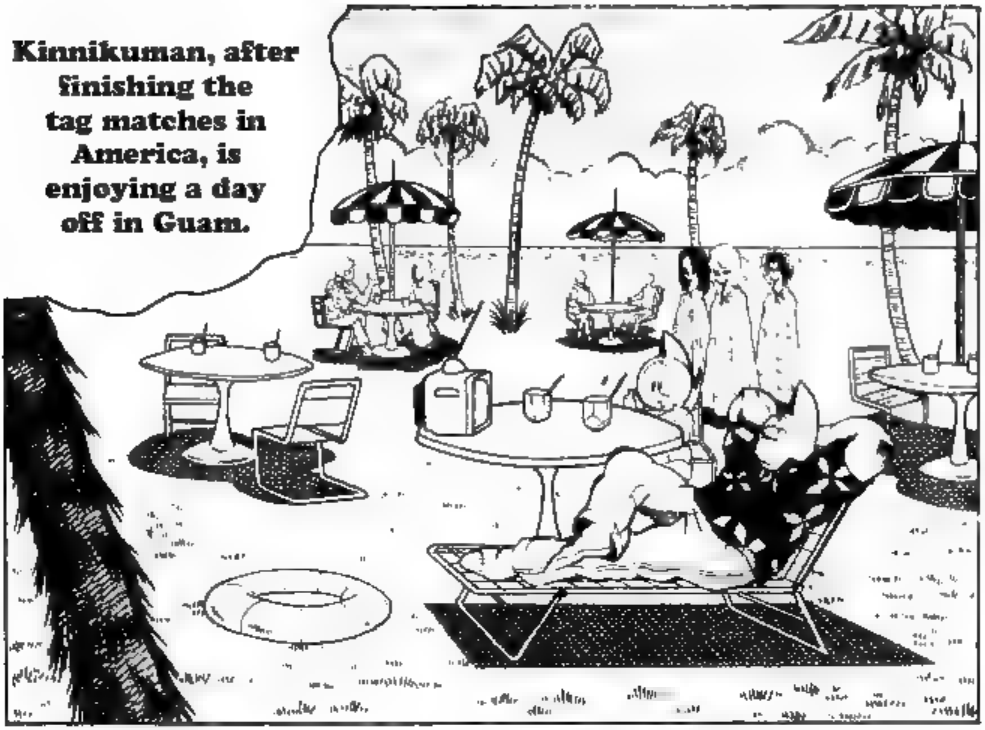
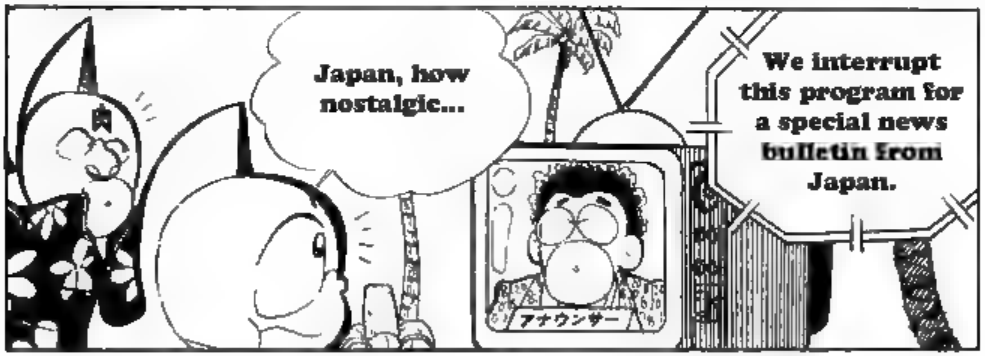
A Team Kinniku Release

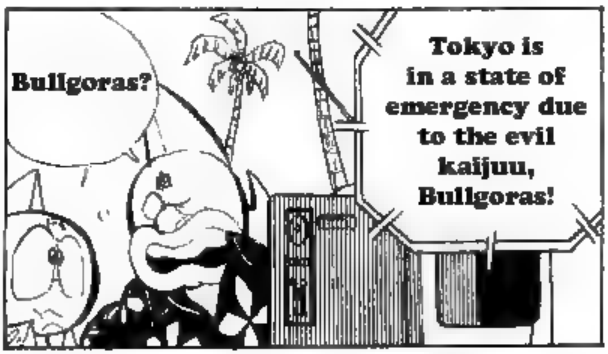


Kinnikuman, after finishing the tag matches in America, is enjoying a day off in Guam.



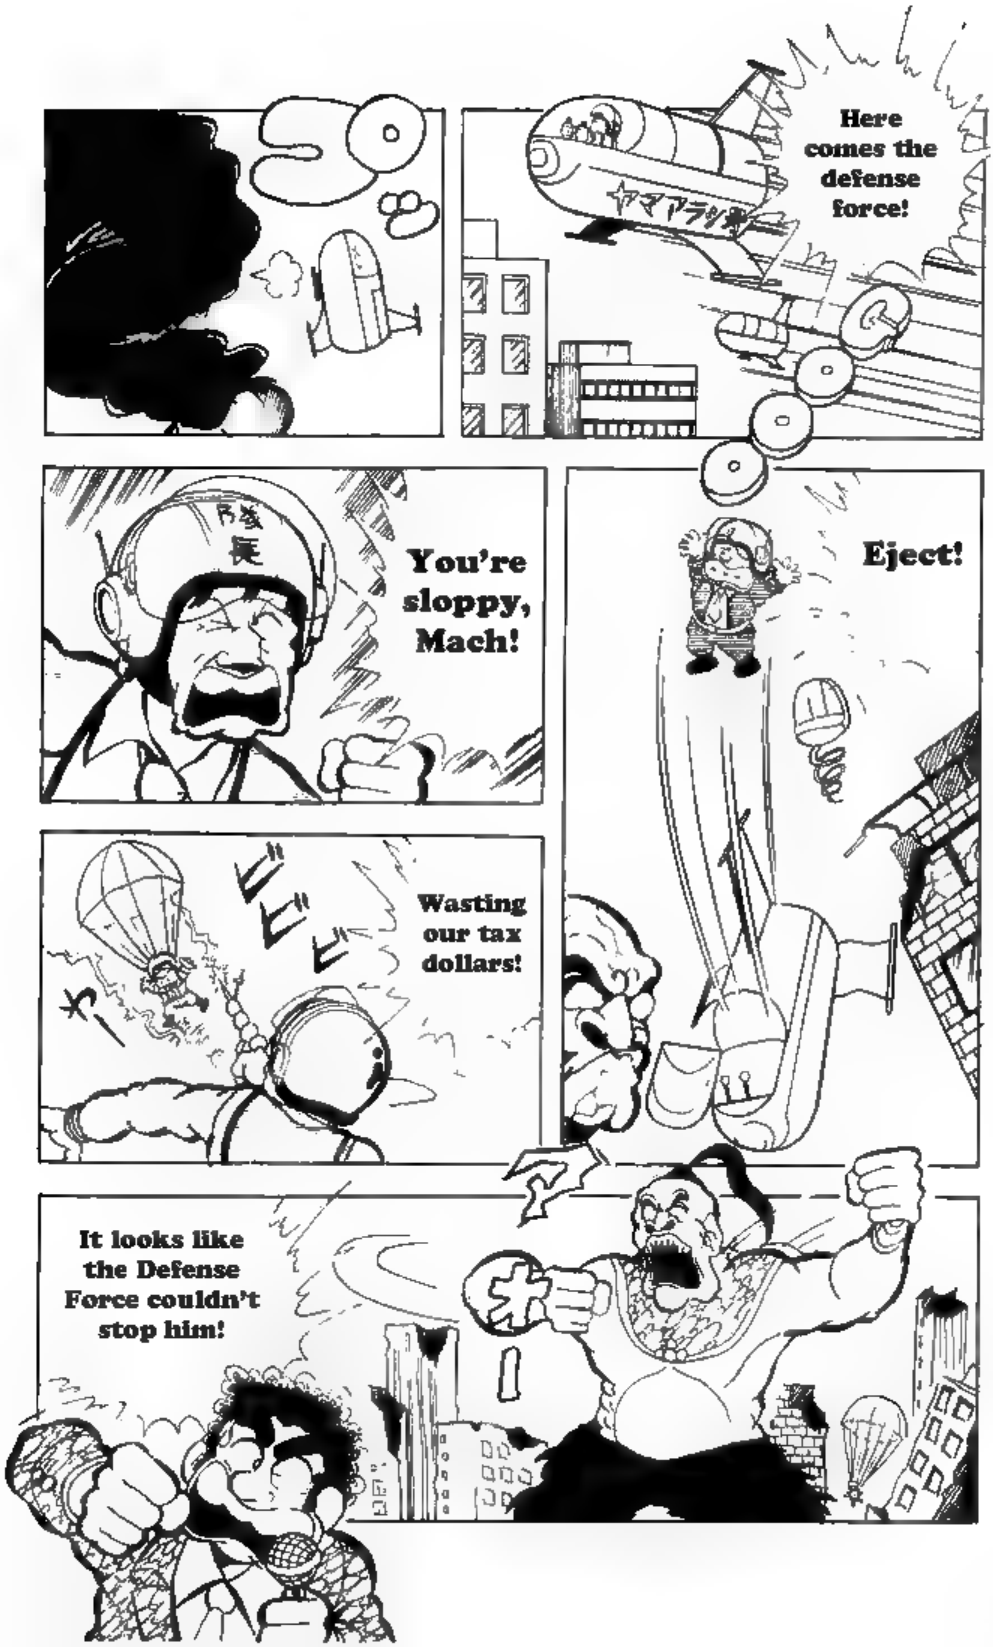
Japan, how nostalgic...
We interrupt this program for a special news bulletin from Japan.
アナウンサー

Here's some footage taken from the scene.



Bullgoras?
Tokyo is in a state of emergency due to the evil kaijuu, Bullgoras!

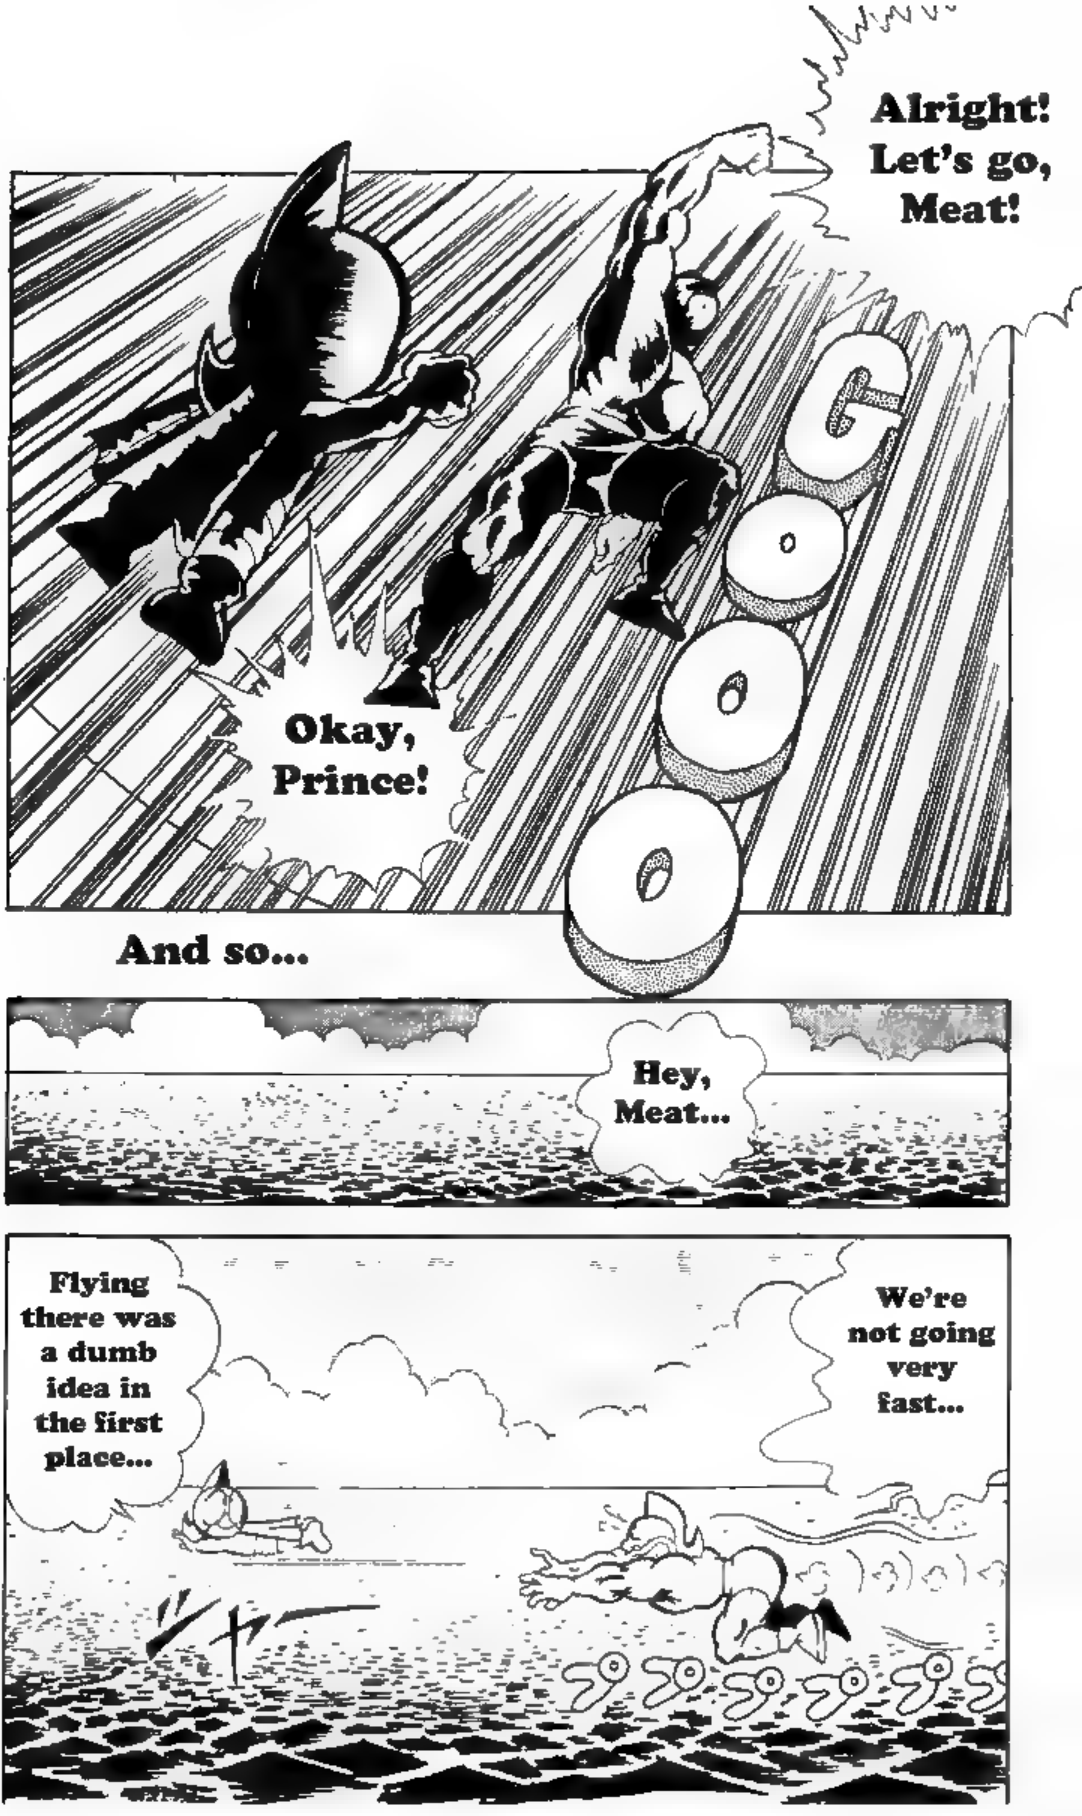
It appears to be preying on children again!
My child!



Here comes the defense force!
You're sloppy, Mach!
Eject!
Wasting our tax dollars!
It looks like the Defense Force couldn't stop him!

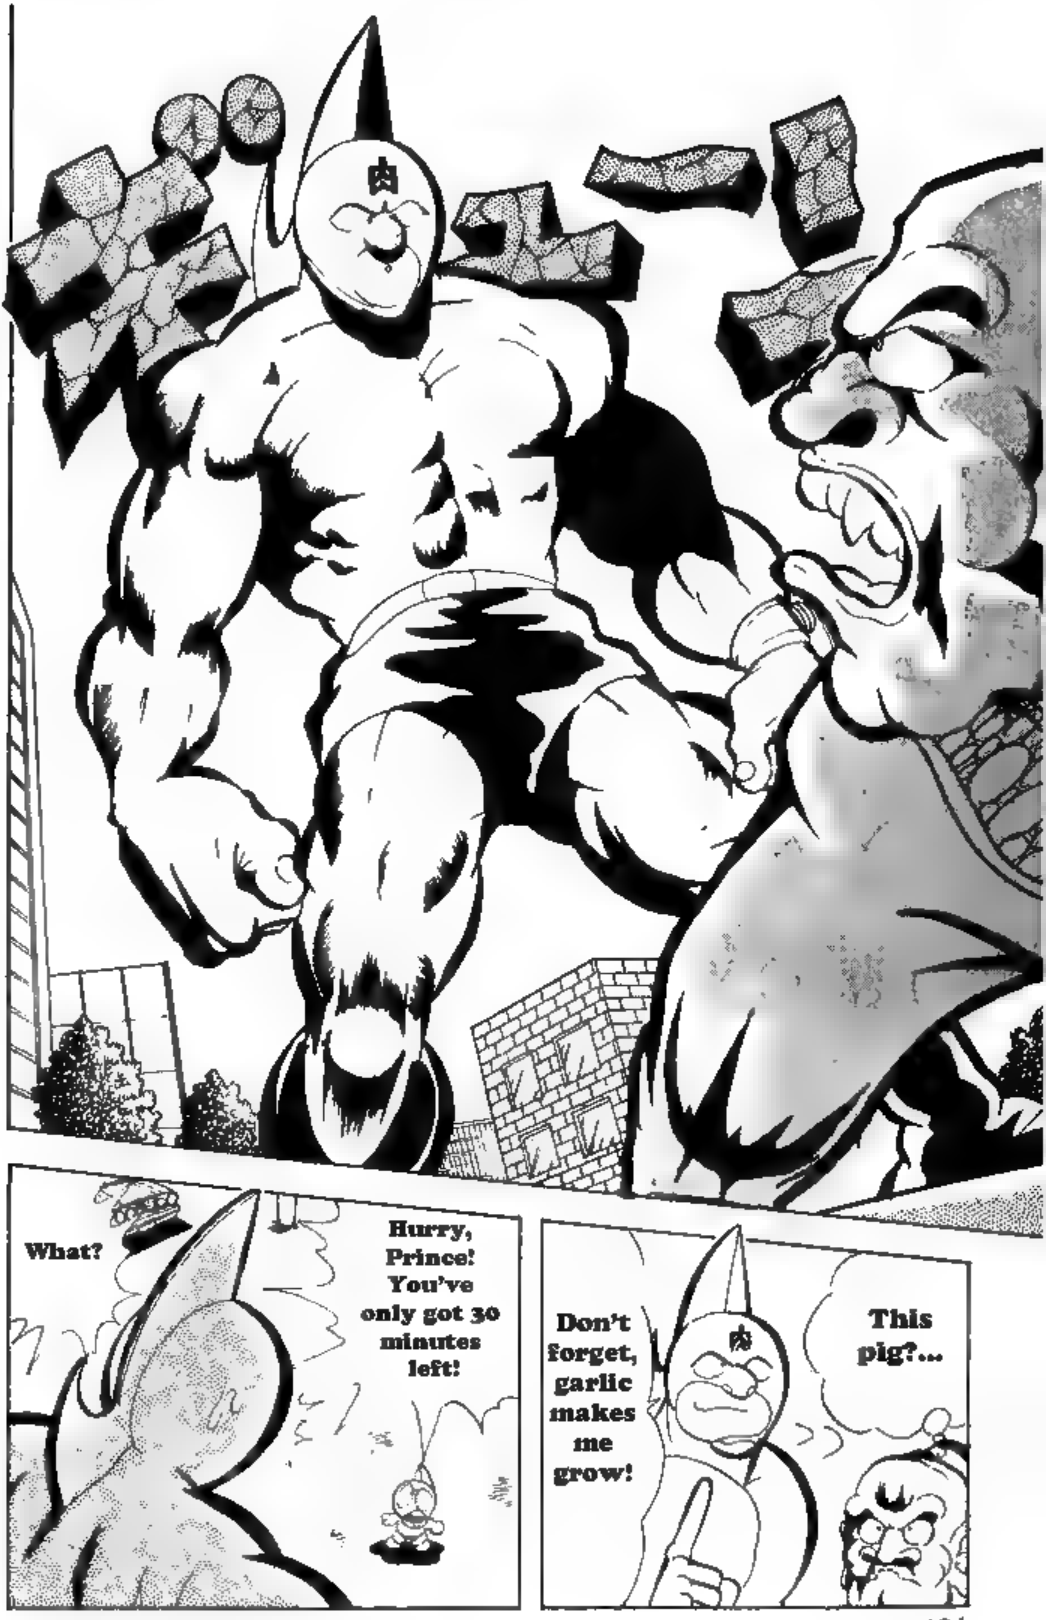
It's a good thing we're not in Japan.
Right, let's go!
Meat...
Can't you see there are no other chojin in Japan right now!?
How can you say that!?
Prince, let's get back to Japan!!
Right, we need to save those kids!
Don't die, brother!
If only we had Kinnikuman to save us!

If you're even a second late, you'll lose your title.
Don't worry, I'll be back in time.
You can't miss it.
Your next match is in five hours.
Please put this on your wrist, then.
In short, if you run out of time...
This watch is set to go off five hours from now.
What is this?
Got it.
Then you'll no longer be champion.



Alright! Let's go, Meat!
GOOG
Okay, Prince!
And so...
Hey, Meat...
Flying there was a dumb idea in the first place...
We're not going very fast...

Wah!
Mean-while...
Waaaaah!
Just run!
My child!
Hold on, monster!
Right.
Meat, my garlic!



What?
Hurry, Prince! You've only got 30 minutes left!
Don't forget, garlic makes me grow!
This pig?...

Hey, where's the beam!?
Kinniku Flash!
It must have rusted from lack of use...
Owaa!
AOO!
What's that sound?
It stinks...

The Prince's Fart Timer has started counting down!
Turning huge used up too much of his garlic energy...
Pigman... no, Kinnikuman's in trouble!
Prince!
Hang in there, Kinniku-man!
Here's some garlic!

KINNIKU FLASH!
BARRR
ドゴ

He did it!
HUH?
Prince, you only have two seconds!
I know that!
Prince, that buzzer will go off if we don't hurry.
...and so, Kinnikuman did not make it back within five hours and was stripped of his title.
